
STATUTORY INSTRUMENTS

2012 No. 3032

The Restriction of the Use of Certain Hazardous Substances
in Electrical and Electronic Equipment Regulations 2012

PART 2

Prohibitions and Obligations on Economic Operators

Importers

Monitoring of EEE

- 25.** An importer must keep a register of any EEE which they have placed on the market—
- (a) in relation to which any provision of these Regulations has not been complied with; or
 - (b) any EEE which has been recalled,
- and keep distributors informed of these matters.

Changes to legislation:

There are currently no known outstanding effects for the The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012, Section 25.
