2012 No. 3032

The Restriction of the Use of Certain Hazardous Substances
in Electrical and Electronic Equipment Regulations 2012

PART 3

Enforcement

Market surveillance powers

36. Where the market surveillance authority considers that there may be a breach of these Regulations it may—

- (a) exercise the powers set out in Schedule 2 (test purchases, powers of entry etc and warrants);
and
- (b) take the actions set out in Schedule 3 (compliance, enforcement and recall notices).
