M3 Regulation 29 of the Building Regulations 2010 was amended by S.I. 2012/809 and by S.I. 2012/3119.

Meaning of “prospective buyer or tenant”

3. A person becomes a prospective buyer or tenant in relation to a building when he or she—
- requests any information about the building from the relevant person or the relevant person's agent for the purpose of deciding whether to buy or rent the building;
 - makes a request to view the building for the purpose of deciding whether to buy or rent the building; or
 - makes an offer, whether oral or written, to buy or rent the building.

Recommendation reports

4.—(1) In these Regulations, a “recommendation report” means recommendations made by an energy assessor for the cost-effective improvement of the energy performance of a building^{F24}....

- (2) A recommendation report made on or after 9th January 2013 must include—
- recommended cost-effective measures that could be carried out in connection with a major renovation of the building envelope or technical building systems;
 - recommended cost-effective measures for individual building elements that could be carried out without the necessity for a major renovation of the building envelope or technical building systems;
 - an indication as to how the owner or tenant can obtain more detailed information about improving the energy efficiency of the building, including more detailed information about the cost-effectiveness of the recommendations; and
 - information on the steps to be taken to implement the recommendations.
- (3) Any cost-effective measure which the energy assessor recommends must be technically feasible for the building to which the recommendation report relates.
- (4) A recommendation report made on or after 9th January 2013 ceases to be valid at the end of the following periods—
- for a report which is included in an energy performance certificate, ten years from the date of that certificate;
 - for a report which is required to be held in respect of the building under regulation 14(3)
 - where the [F25;total useful floor area of the building is over 1,000m², seven years from the nominated date applying to the report; and]
 - [F26;in the case of any other building, ten years from] the nominated date applying to the report^{F27}....
