(2) The polling stations are the polling places or polling stations (as the case may be) designated for the purposes of the election or referendum for which the relevant returning or counting officer discharges functions which are not combined functions.

(3) In paragraph (2) “combined functions” means functions under regulation 5 of the Combination of Polls Regulations.

(4) One or more polling stations may be provided in the same room.

(5) The polling station allotted to voters from any parliamentary polling district wholly or partly within the voting area must, in the absence of special circumstances, be in the parliamentary polling place for that district.

(3) A presiding officer may do, by the clerks appointed to assist him or her, any act (including the asking of questions) which he or she is required or authorised by these Rules to do at a polling station except order the arrest, exclusion or removal of any person from the polling station.

(5) In this rule references to a voter—

- (a) mean a person who is registered in the register of local government electors for the voting area in question on the last day for the publication of notice of the referendum; and
- (b) include a person then shown in the register as below voting age if (but only if) it appears from the register that he or she will be of voting age on the day fixed for the poll.

(6) If the counting officer and the returning or counting officer (as the case may be) for each relevant election or referendum think fit, an official poll card issued under this rule may be combined with the official poll card issued at every relevant election or referendum.

Equipment of polling stations

17.—(1) The relevant returning or counting officer must provide each presiding officer with such number of ballot boxes and ballot papers as in the former officer's opinion may be necessary.

(2) The same ballot box may be used for the poll at the referendum and the poll at every relevant election or referendum, if the relevant returning or counting officer thinks fit.

(3) Every ballot box must be so constructed that the ballot papers can be put in it, but cannot be withdrawn from it, without the box being unlocked or, where the box has no lock, the seal being broken.

(4) The relevant returning or counting officer must provide each polling station with—

- (a) materials to enable voters and proxies to mark the ballot papers;
- (b) copies of the register of electors for the voting area or such part of it as contains the names of the voters allotted to the station;

- (d) a list, in the form M2 in the Appendix or a form to like effect, consisting of that part of the list prepared under rule 8 which contains the numbers (but not the other unique identifying marks) corresponding to those on the ballot papers provided to the presiding officer of the polling station.

(6) The relevant returning or counting officer must also provide each polling station with—

- (a) at least one large version of each ballot paper which must be printed on the same colour paper as the corresponding ballot paper and displayed inside the polling station for the assistance of voters and proxies who are partially sighted; and
- (b) a device of such description as is set out in paragraph (11) for enabling voters and proxies who are blind or partially sighted to vote without any need for assistance from the presiding officer or any companion (within the meaning of rule 30(1)).

(7) Where notwithstanding paragraph (2) separate ballot boxes are to be used, each ballot box must be clearly marked with—

- (a) the election or referendum to which it relates, as shown on the ballot papers for that election or referendum; and
- (b) the words “Place the [*specify colour of ballot papers in question*] ballot papers in here”.

(8) A notice in the form in the Appendix, giving directions for the guidance of voters and proxies in voting, must be printed in conspicuous characters and exhibited inside and outside every polling station.

(9) The relevant returning or counting officer may also provide copies of the notice mentioned in paragraph (8) in Braille or translated into languages other than English as he or she considers appropriate, provided that these notices are accurate reproductions in Braille or that other language of that notice.
