EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Export Control Order 2008 (S.I. 2008/3231) to insert article 4A to prohibit the export of human and veterinary medicinal products containing pancuronium bromide. The prohibition only applies to the export of these products where they are in a form suitable for injection or for preparation of an injection and the final destination is the United States of America.

It also revokes the Export Control (Amendment) (No.3) Order 2011 (S.I. 2011/1127) which is spent.

A regulatory impact assessment has not been prepared for this instrument as it has no or minimal impact on business, charities or voluntary bodies. An Explanatory Memorandum is published alongside the instrument on www.legislation.gov.uk.
