2013 No. 1471

**The Reporting of Injuries, Diseases and
Dangerous Occurrences Regulations 2013**

Work-related fatalities

6.—(1) Where any person dies as a result of a work-related accident, the responsible person must follow the reporting procedure.

(2) Where any person dies as a result of occupational exposure to a biological agent, the responsible person must follow the reporting procedure.

(3) Where an employee has suffered an injury reportable under regulation 4 which is a cause of his death within one year of the date of the accident, the employer must notify the relevant enforcing authority of the death in an approved manner without delay, whether or not the injury has been reported under regulation 4.

(4) This regulation is subject to regulations 14 and 15, and does not apply to a self-employed person who suffers a fatal accident or fatal exposure on premises controlled by that self-employed person.

Status:

Point in time view as at 01/10/2013.
