

SCHEDULE 2

Requirements

Site safety and signage

35.—(1) The authorised development may not be brought into first commercial use until the relevant planning authority has first approved in writing a scheme for on-site safety, including safe pedestrian and vehicular movements and appropriate signage, in accordance with the principles in paragraphs 4.3.127 and 4.3.129 of the environmental statement.

(2) The approved plan must be adhered to by the undertaker subject to any variation of the scheme previously agreed in writing by the relevant planning authority.
