

SCHEDULE 2

The manufacture of veterinary medicinal products

PART 1

Manufacturing authorisations

Suspension, variation or revocation of the authorisation

5.—(1) The Secretary of State may suspend, vary or revoke a manufacturing authorisation if the holder—

- (a) has not complied with these Regulations;
- (b) has manufactured a veterinary medicinal product not authorised by the manufacturing authorisation;
- (c) has produced a veterinary medicinal product outside the terms of a marketing authorisation; or
- (d) no longer has suitable premises or equipment.

(2) The Secretary of State may also suspend, vary or revoke it on being satisfied that the qualified person (manufacturer) is not fulfilling their duties under these Regulations.
