(3) Condition B is that a declaration under paragraph (4) and information under paragraph (5) are delivered at the place and within the time for the delivery of nomination papers.

(4) The declaration referred to in paragraphs (2) and (3) must be made by the candidate and must state, in addition to the candidate’s name—

- (a) the candidate’s nationality, date and place of birth, last address in the member State of which the candidate is a national and home address in the United Kingdom;
- (b) that the candidate is not standing for election to the European Parliament in any other member State;
- (c) where the candidate’s name has been entered on an electoral roll in a locality or constituency in the member State of which the candidate is a national, the name of the locality or constituency where, so far as the candidate knows, the candidate’s name was last entered; and

(4) The Secretary of State must send to the returning officer a copy of any response to the notice as soon as practicable after the response is received.”

10.—(1) In Schedule 1, rule 11 (decisions as to validity of nomination papers) is amended as follows.

12.—(1) In Schedule 1, rule 52 (interpretation of rules 53 to 63) is amended as follows.

(2) In the definition of “continuing candidate”, after “excluded” insert “under rule 55 or 59”.

““ineligible candidate” means a candidate in relation to whom the returning officer has, since the publication of the statement of candidates nominated, received—

- (a) where the candidate is a relevant citizen of the Union, information under rule 7A(4) that the candidate has been deprived of the right to stand as a candidate through a relevant disqualifying decision in the member State of which the candidate is a national; or
- (b) a notice of withdrawal under rule 12.”.

(5) In the definition of “preference”, in paragraph (b), after “excluded” insert “under rule 55 or 59”.

13. In Schedule 1, in rule 54 (rejected ballot papers), in paragraph (3), after “paragraph (1)” insert “or under rule 55(1F)”.

14.—(1) In Schedule 1, rule 55 (first stage) is amended as follows.

(2) In the heading, for “First stage” substitute “Initial stages”.

(3) After paragraph (1) insert—

“(1A) Where one or more of the candidates is an ineligible candidate the returning officer must—

- (a) exclude each ineligible candidate from the election at this stage, and
- (b) take the steps in paragraphs (1B)-(1G) before proceeding to count the number of first preference votes under paragraph (2).

(1B) The returning officer must sort all the ballot papers on which a first preference is indicated for any ineligible candidate into two sub-parcels so that they are grouped as—

- (a) ballot papers on which a next available preference is given, and
- (b) ballot papers on which no such preference is given(a).

(1C) The returning officer must transfer each sub-parcel of ballot papers referred to in paragraph (1B)(a) to the candidate for whom the next available preference is given on those papers.

(1D) The next available preference on a ballot paper transferred under paragraph (1C) must be treated as a first preference vote for the purpose of these rules(b), and in any subsequent transfer of ballot papers under these rules the next available preference must be treated as indicating a “second preference”, “third preference” and so on.

(1E) All ballot papers transferred under paragraph (1C) must be clearly marked, either individually or as a sub-parcel, so as to indicate that the vote has been transferred from an ineligible candidate.

(1F) The sub-parcel of ballot papers referred to in paragraph (1B)(b) must be—

- (a) treated as void and not counted; and
- (b) dealt with in accordance with rule 54(2) to (4).

(1G) Where a ballot paper is so marked that it is unclear to the returning officer for which candidate the next preference is recorded, the returning officer must treat that ballot paper as a ballot paper on which no next available preference is given, and a ballot paper must be so treated where, for example, the names of two or more candidates are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

(1H) The exclusion of a candidate under this rule constitutes a stage of the count.”.

15.—(1) In Schedule 1, rule 59 (exclusion of candidates) is amended as follows.

(2) In paragraphs (2)(b) and (6), after “excluded” insert “under rule 55 or this rule”.

(3) In paragraph (4) after “exclusion” insert “under paragraph (1)”.

16. In Schedule 1, in rule 63 (decisions of returning officer), before “59” insert “55 or”.

17. In Schedule 1, in rule 64 (declaration of result), after paragraph (1)(c)(i) insert—

-
- (a) This sub-parcel will include ballot papers on which preferences are given only for ineligible candidates. This rule interacts with the definition of “preference” in rule 52 (as amended by regulation 12(5) of these Regulations). By that definition, a “next available preference” is a second or subsequent preference recorded in consecutive order for a continuing candidate, meaning a candidate who has not been deemed to be elected or excluded either as ineligible or under rule 59. At this stage of the count, an ineligible candidate will have been excluded (rule 55(1A)(a)). Accordingly, if a second, third or subsequent preference is indicated for an ineligible candidate, that indication will not count as a “next available preference”.
 - (b) This will mean that, where ballot papers have been transferred from an ineligible candidate to the “next available preference”, the references to a first preference vote in rules 52, 55(2), 57(1), 58(2), 59(2) and (10), 64(1) and 71(2) must be read as including that “next available preference”.

“(ia) the names of any ineligible candidates;”.

18.—(1) In Schedule 1, rule 65 (return or forfeiture of candidate’s deposit) is amended as follows.

(2) In paragraph (5), for “paragraph (4)” substitute “paragraphs (4) and (6)”.

(3) After paragraph (5) insert—

“(6) Paragraph (5) does not apply where the candidate is an ineligible candidate within the meaning of rule 52.”

19. In Schedule 1, in rule 72 (party candidate), after paragraph (9) insert—

“(10) This rule does not apply where the deceased candidate is an ineligible candidate within the meaning of rule 52.”

Amendment of Schedule 2 to the European Parliamentary Elections (Northern Ireland) Regulations 2004

20. In Schedule 2 (absent voters)(a), after paragraph 2 (general requirements for applications for an absent vote) insert—

“Additional requirement for applications for ballot papers to be sent to a different address to that in the register

2A.—(1) Sub-paragraph (2) applies where—

- (a) in the case of an application to vote by post under regulation 8(1), the addresses provided in accordance with regulation 8(8) and paragraph 2(2)(b) of this Schedule are different;

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make miscellaneous changes to the European Parliamentary Elections (Northern Ireland) Regulations 2004 (the “2004 Regulations”). In part these changes are made to transpose Council Directive 2013/1/EU of 20th December 2012, which makes amendments to Council Directive 93/109/EC of 6th December 1993 (laying down detailed arrangements for the exercise of the right to vote and stand as a candidate in elections to the European Parliament for citizens of the Union residing in a Member State of which they are not nationals).

Regulations 2, 5 to 10 and 12 to 19 amend the 2004 Regulations to transpose the changes made by Council Directive 2013/1/EU. The content of the declaration that EU candidates are required to make is amended, the deadline for submission of that declaration is changed, and the requirement to provide a certificate from the member State of nationality is removed (regulation 8). The Secretary of State is required to notify another member State that one of its nationals has made a declaration and to ask if that person has been deprived of the right to stand as a candidate in that member State (regulation 9). If information is received before the deadline for nominations that shows that the EU candidate has been so deprived, the EU candidate’s nomination will be declared invalid (regulation 10). Alternatively, if such information is received after the publication of the statement of candidates nominated, the EU candidate will be excluded from the election at the beginning of the count and the EU candidate’s transferrable votes will be re-distributed on the basis of the next available preference. Any candidates who have submitted a notice of withdrawal after the publication of the statement of candidates nominated will also be excluded in this way (regulations 12 to 19).

If an EU candidate is put forward to fill a vacancy in the European Parliament as a nominee or a substitute under regulation 76C, 76D or 76G, the EU candidate must make a similar declaration and the Secretary of State is obliged to notify the member State of which the EU candidate is a national about that declaration. In order to allow time for a response from that member State, the Chief Electoral Officer must wait for an additional period of six working days before declaring the nominee or substitute to be elected. If the Chief Electoral Officer receives information during that period that the EU candidate has been deprived of the right to stand, the EU candidate will not be declared elected and a by-election will take place (regulations 5 to 6).

The Secretary of State is required to respond to a request from another member State for information about a UK national standing as a candidate at a European Parliamentary election in that member State (regulation 7). As with all of the Secretary of State’s functions under the 2004 Regulations, this function may be exercised by the Lord President of the Council (see S.I. 2010/1837).

Regulation 3 changes the polling districts and places designated for European Parliamentary elections so that they are now the same as those used for local, rather than parliamentary, elections, unless the Chief Electoral Officer for Northern Ireland is satisfied that special circumstances make it desirable for some other polling district or place to be designated.

Regulation 4 makes it an offence in Northern Ireland for a person to stand as a candidate in a European Parliamentary election in more than one electoral region in the United Kingdom. This is already an offence in Great Britain.

Regulation 11 includes European Community licences within the definition of a “driving licence” under the rule which prescribes the documents that can be produced when a voter applies for a ballot paper. It also allows persons who are in the polling station or in a queue outside the polling station at the close of the poll to apply for a ballot paper.

Regulations 20 to 22 make amendments to the absent voting procedure at European Parliamentary elections in Schedule 2 to the 2004 Regulations to mirror changes made in relation to parliamentary and local elections by S.I. 2010/278 and S.I. 2010/2977. Applicants for a postal vote are required to give an explanation when applying for a ballot paper to be sent to a different address to that in the register or the registration officer’s record (regulation 20). The provisions relating to applications for an absent vote on the grounds of blindness or other disability and applications for an absent vote at a particular election are amended (regulations 21 and 22).

An impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen. A copy of the transposition note in relation to the implementation of Council Directive 2013/1/EU can be obtained from the Northern Ireland Office, Constitutional Policy Team, 1 Horse Guards Road, London, SW1A 2HQ.
