
EXPLANATORY NOTE

(This note is not part of the Order)

This Order grants development consent for, and authorises National Grid Electricity Transmission plc to construct and maintain, a 400 kV overhead line connection from a new substation serving the King's Lynn B 981 MW Combined Cycle Gas Turbine power station to the existing Norwich-Walpole 400 kV overhead line. For the purposes of the development that it authorises, National Grid Electricity Transmission plc is authorised by this Order compulsorily to acquire new rights in land as well as to override interests, rights and restrictions. The Order imposes requirements in connection with the development for which it grants development consent. A copy of the plans and book of reference referred to in this Order and certified in accordance with article 32 (certification of plans etc) of this Order may be inspected free of charge at Borough Council of King's Lynn and West Norfolk, King's Court, Chapel Street, King's Lynn, PE30 1EX.
