**2013 No. 385**

**The Social Security (Loss of Benefit)  
(Amendment) Regulations 2013**

**Insertion of regulation 3ZB**

9. After regulation 3ZA insert—

**“Reduction of universal credit**

**3ZB.—**(2) Any payment of universal credit which falls to be made to an offender or an offender’s family member (“O”) in respect of an assessment period wholly or partly within a disqualification period is to be reduced in accordance with paragraph (2) or (5).

(2) Except where paragraph (5) applies and subject to paragraphs (6) and (7), the amount of the reduction is to be calculated by multiplying the daily reduction rate by the number of days in the assessment period or, if lower, the number of days in the assessment period to which the reduction is to relate.

(3) The daily reduction rate for the purposes of paragraph (2) is, unless paragraph (4) applies, an amount equal to the amount of the standard allowance applicable to the award multiplied by 12 and divided by 365.

(4) The daily reduction rate for the purposes of paragraph (2) is 40 per cent. of the rate calculated in accordance with paragraph (3) if, at the end of the assessment period—

(a) O, or where O is a joint claimant, the other joint claimant (“J”), falls within section 19 of the 2012 Act (claimant subject no work-related requirements) by virtue of—

(i) subsection (2)(c) of that section (responsible carer for a child under the age of 1), or

(ii) regulation 89(1)(c), (d) or (f) of the UC Regulations (adopter, claimants within 11 weeks before, or 15 weeks after, confinement or responsible foster parent of a child under the age of 1); or

(b) O or, as the case may be, O or J, falls within section 20 of the 2012 Act (claimant subject to work-focused interview only).

(5) Where the disqualification period ends during an assessment period, the amount of the reduction for that assessment period is to be calculated by multiplying the daily reduction rate under paragraph (3) or, as the case may be, paragraph (4) by the number of days in that assessment period which are within the disqualification period.

(6) The amount of the daily reduction rate in paragraphs (3) and (4) is to be rounded down to the nearest 10 pence.

(7) The amount of the reduction under paragraph (2) in respect of any assessment period must not exceed the amount of the standard allowance which is applicable to O in respect of that period.

(8) Where the rate of universal credit payable to O or as the case may be, to O and J, changes, the rules set out above for a reduction in the universal credit payable are to be

applied to the new rate and any adjustment to the reduction is to take effect from the first day of the first assessment period to start after the date of the change.

(9) In the case of joint claimants—

- (a) each joint claimant is considered individually for the purpose of determining the rate applicable under paragraph (3) or (4); and
- (b) half of any applicable rate is applied to each joint claimant accordingly.

(10) In this regulation, “standard allowance” means the allowance of that name, the amount of which is set out in regulation 36 of the UC Regulations.”.
