Further information about the Referendum

About the Referendum

The Localism Act 2011 introduced new powers for people to have a greater say in the development of their local areas through neighbourhood planning.

A core principle of neighbourhood planning is that a referendum at the end of the process ensures communities, including businesses, have the final say on whether a neighbourhood development plan or order can come into force. These will affect decisions on new development proposals in the area.

A Business Neighbourhood Planning referendum will be held on [date of referendum], within the referendum area shown on the map below.

The referendum question will be as follows: Do you want [local planning authority] to use the neighbourhood plan for [neighbourhood area] to help it decide planning applications in the neighbourhood area?

Do you want the type of development in the neighbourhood development order for [neighbourhood area] to have planning permission?

What happens next?

If you have chosen to vote by post, you will be sent your ballot paper in the post. Remember, your ballot paper may not be sent out until four working days before the day of the referendum. If your ballot paper does not arrive by this time, contact Electoral Services. **The signature and date of birth you give on this form will be kept and checked against those you will provide on your postal voting statement.** This will be sent to you with your ballot paper along with instructions for completing it.

If you have chosen to vote in person, you will be sent a poll card with details of your polling station. You still need to provide your signature and date of birth on this form but will not need to do so again when voting. If you become unable to vote the rate-payer must inform electoral services by 5pm [11 day deadline]. After that time, changes are only permitted for emergency medical reasons.

What will my details be used for?

The names of voters in the referendum will appear on the non-domestic rate-payers' referendum register. The Council holds a copy for the purposes of the referendum only. Anyone can look at it, but it is a criminal offence to supply or use copies for purposes other than those set down in law.

The register is kept for 12 months after the referendum and is then destroyed.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) Where possible, the original named voter should, when giving notice in writing in accordance with paragraph 21(1) of Schedule 6, also return the uncompleted postal ballot paper and postal voting statement to the counting officer, but the cancellation of these documents in accordance with sub-paragraph (1)(a) above shall not be dependent upon the return of these uncompleted documents.

(3) Where a named voter or a business vote holder has applied for a new named voter for the business referendum in accordance with paragraph 24(1) of Schedule 6 and the original named voter's completed postal ballot paper and postal voting statement have not already been returned, the counting officer shall—

- (a) immediately cancel the postal ballot paper and postal voting statement issued to the original named voter; and
- (b) as soon as practicable after cancelling those documents, make any uncompleted postal ballot papers or postal voting statements which are returned up in a packet (which may be the same packet as that referred to in paragraph 24(1)(b)) which must be kept sealed except to put new cancelled documents in it.

Spoilt postal ballot papers

25.—(1) If a postal voter has inadvertently dealt with that person's postal ballot paper or postal voting statement in such a manner that it cannot be conveniently used as a ballot paper or, as the case may be, a postal voting statement, the postal voter may return (either by hand or by post) to the counting officer the spoilt ballot paper or, as the case may be, the spoilt postal voting statement.

(2) Where a postal voter exercises the entitlement conferred by paragraph (1), the postal voter must also return—

- (a) the postal ballot paper or, as the case may be, the postal voting statement, whether spoilt or not; and
- (b) the envelopes supplied for the return of those documents.

(3) Where the counting officer receives the documents referred to in paragraph (1) and, where applicable, paragraph (2)—

- (a) by 5 pm on the day before the date of the business referendum, the counting officer shall issue another postal ballot paper, and may hand it to a postal voter who applies in person;
- (b) after 5 pm on the day before the date of the business referendum but by 5 pm on the day of the business referendum, the counting officer must only issue another postal ballot paper if the postal voter returned the documents by hand and applies in person, and may only hand a replacement ballot paper to that postal voter.

(4) Paragraphs 20 (except paragraph (2)), 21, 22 and 23 shall apply to the issue of a replacement postal ballot paper under sub-paragraph (3) above.

(5) Any postal ballot paper or postal voting statement, whether spoilt or not, returned in accordance with paragraph (1) or (2) must be immediately cancelled.

(7) The counting officer must keep a list of the name of any postal voter and the corresponding number on the business voting register and the number of the postal ballot paper (or papers) issued under this rule.

Lost postal ballot papers

26.—(1) Where a postal voter claims either to have lost or not to have received—

- (a) their postal ballot paper, or
- (b) their postal voting statement, or
- (c) one or more of the envelopes supplied for their return,

by the fourth day before the date of the business referendum, the postal voter may apply (whether or not in person) to the counting officer for a replacement ballot paper.

(2) Such an application must include evidence of the postal voter's identity.

(3) Where a postal voter exercises the entitlement conferred by paragraph (1), the postal voter must return the documents referred to in paragraph (1)(a) to (c) which have been received and not lost.

(4) Where the counting officer—

- (a) is satisfied as to the postal voter's identity;
- (b) has no reason to doubt that the postal voter has either lost or has not received the original postal ballot paper or the postal voting statement or one or more of the envelopes provided for their return; and
- (c) receives the documents referred to in paragraph (2) by 5 pm on the day before the date of the business referendum,

the counting officer shall issue another postal ballot paper, and may hand it to a postal voter who applies in person.

(5) Where the counting officer—

- (a) is satisfied as to the postal voter's identity;
- (b) has no reason to doubt that the postal voter has either lost or has not received the original postal ballot paper or the postal voting statement or one or more of the envelopes provided for their return; and
- (c) receives the documents referred to in paragraph (2) after 5 pm on the day before the date of the business referendum but by 5 pm on the day of the business referendum,

the counting officer must only issue another postal ballot paper if the postal voter returned the documents by hand and applies in person, and may only hand a replacement ballot paper to that postal voter.

(6) Paragraphs 20 (except paragraph (2)), 21, 22 and 23 shall apply to the issue of a replacement postal ballot paper under sub-paragraph (3) above.

(7) Any postal ballot paper or postal voting statement returned in accordance with paragraph (3) must be immediately cancelled.

(8) The counting officer must, as soon as practicable after cancelling those documents, make them up in a separate packet which must be kept sealed except to put new cancelled documents in it.

(9) The counting officer must keep a list of the name and number on the register of any postal voter and the number of the postal ballot paper (or papers) issued under this rule.

Alternative means of returning postal ballot paper or postal voting statement

27.—(1) A postal ballot paper or postal voting statement may be returned by hand to a polling station being used either in the business referendum or in the corresponding residential referendum.

(2) A postal ballot paper or postal voting statement may be returned to the counting officer by post or by hand.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(3) Subject to paragraph (4) the presiding officer of the polling station must deliver, or cause to be delivered, any postal ballot paper or postal voting statement returned to that station to the counting officer in the same manner and at the same time as the presiding officer delivers, or causes to be delivered, the packets referred to in rule 62.

(4) The counting officer may collect, or cause to be collected, any postal ballot paper or postal voting statement which by virtue of paragraph (3) the presiding officer of a polling station would otherwise be required to deliver or cause to be delivered to the counting officer.

(5) Where the counting officer collects, or causes to be collected, any postal ballot paper or postal voting statement in accordance with paragraph (4) the presiding officer must first make it (or them) up into a packet (or packets) sealed with the presiding officer's own seal and the seals of such polling observers as desire to affix their seals.

Notice of opening of postal ballot paper envelopes

28.—(1) The counting officer must give to those persons who are entitled to attend at the counting of votes not less than 48 hours' notice in writing of each occasion on which a postal voters' ballot box and the envelopes contained in it is to be opened.

(2) Such a notice must specify the time and place at which such an opening is to take place.

Postal ballot boxes and receptacles

29.—(1) The counting officer must provide a separate ballot box for the reception of—

- (a) the covering envelopes when returned by the postal voters ("postal voters' ballot box"), and
- (b) postal ballot papers ("postal ballot box").

(2) Each such ballot box must be marked "postal voters' ballot box", or "postal ballot box", as the case may be, and with the date of the business referendum, the words "neighbourhood planning business referendum" and the name of the neighbourhood area to which the business referendum relates.

(3) The postal ballot box must be shown to those present on the occasion of opening the first postal voters' ballot box as being empty.

(4) The counting officer must then lock the ballot box and apply the counting officer's seal in such a manner as to prevent its being opened without breaking the seal.

(5) The counting officer must provide the following—

- (a) the receptacle for rejected votes;
- (b) the receptacle for postal voting statements;
- (c) the receptacle for ballot paper envelopes;
- (d) the receptacle for rejected ballot paper envelopes;
- (e) the receptacle for rejected votes after verification procedure;
- (f) the receptacle for postal voting statements after verification procedure.

(6) The counting officer must take proper precautions for the safe custody of every ballot box and receptacle referred to in this rule.

Receipt of covering envelope

30.—(1) The counting officer must, immediately on receipt (whether by hand or by post) of a covering envelope (or an envelope which is stated to include a postal vote) before the close of the poll, place it unopened in a postal voters' ballot box.

- (2) Where an envelope, other than a covering envelope issued by the counting officer—
 - (a) has been opened, and
 - (b) contains a ballot paper envelope, postal voting statement or ballot paper,the first-mentioned envelope, together with its contents, must be placed in a postal voters' ballot box.

Opening of postal voters' ballot box

31.—(1) Each postal voters' ballot box must be opened by the counting officer in the presence of such of those entitled to attend who are present.

(2) So long as the counting officer ensures that there is at least one sealed postal voters' ballot box for the reception of covering envelopes up to the time of the close of the poll, the other postal voters' ballot boxes may previously be opened by the counting officer.

(3) The last postal voters' ballot box and the postal ballot box must be opened at the counting of the votes.

Opening of covering envelopes

32.—(1) When a postal voters' ballot box is opened, the counting officer must count and record the number of covering envelopes (including any envelope which is stated to include a postal vote and any envelope described in paragraph (2) of rule 30).

(2) The counting officer must set aside for personal identifier verification a percentage, not less than 20%, of the envelopes recorded on that occasion.

(3) The counting officer must open separately each covering envelope (including an envelope described in paragraph (2) of rule 30).

(4) The procedures in rule 34 or 35 apply where a covering envelope (including an envelope described in paragraph (2) of rule 30) contains both—

- (a) a postal voting statement; and
- (b) a ballot paper envelope, or if there is no ballot paper envelope, a ballot paper.

(5) Where the covering envelope does not contain the postal voting statement separately, the counting officer must open the ballot paper envelope to ascertain whether the postal voting statement is inside.

(6) Where a covering envelope does not contain both—

- (a) a postal voting statement (whether separately or not); and
- (b) a ballot paper envelope, or if there is no ballot paper envelope, a ballot paper,

the counting officer must mark the covering envelope "provisionally rejected", attach its contents (if any) and place it in the receptacle for rejected votes.

(7) In carrying out the procedure in this rule and rules 34 to 40, the counting officer—

- (a) must keep the ballot papers face downwards and must take proper precautions for preventing any person from seeing the votes made on the ballot papers; and
- (b) must not be permitted to view the corresponding number list used at the issue of postal ballot papers.

(8) Where an envelope opened in accordance with paragraph (3) contains a postal voting statement, the counting officer must place a mark in the marked copy of the voters list in a place which corresponds to the named voter's corresponding number on the register to denote that a postal vote has been returned.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(9) A mark made under paragraph (8) must be distinguishable from and must not obscure any other mark.

(10) As soon as practicable after the last covering envelope has been opened, the counting officer must make up into a packet the copy of the marked voters list and must seal such a packet.

(11) Rule 64(3) does not apply for the purposes of determining whether, for the purposes of this rule, a postal vote is returned.

Confirming receipt of postal voting statements

33.—(1) A named voter who is shown in the voters list as voting by post may make a request, at any time between the first issue of postal ballots and the close of the poll, that the counting officer confirm—

- (a) whether a mark is shown in the marked copy of the voters list to denote that a postal vote has been returned, and
- (b) whether the number of the ballot paper issued to the named voter has been recorded on either of the lists of provisionally rejected votes kept by the counting officer under paragraphs (2) and (3) of rule 39.

(2) A request under paragraph (1) must be made by any method specified, and include any evidence of the named voter’s identity requested, by the counting officer.

(3) Where a request is received in accordance with paragraph (2) the counting officer shall satisfy himself that the request has been made by the named voter and where the counting officer is so satisfied provide confirmation of the matters under paragraph (1).

Procedure in relation to postal voting statements

34.—(1) This rule applies to any postal voting statement contained in an envelope that has not been set aside for personal identifier verification in accordance with rule 32(2).

(2) The counting officer must satisfy themselves that the postal voting statement is duly completed.

(3) Where the counting officer is not so satisfied, the counting officer must mark the statement “rejected”, attach it to the ballot paper envelope, or if there is no such envelope, the ballot paper, and, subject to paragraph (4), place it in the receptacle for rejected votes.

(4) Before placing the statement in the receptacle for rejected votes, the counting officer must show it to the counting observers and, if any of them object to the counting officer’s decision, must add the words “rejection objected to”.

(5) The counting officer must then examine the number on the postal voting statement against the number on the ballot paper envelope and, where they are the same, the counting officer must place the statement and the ballot paper envelope respectively in the receptacle for postal voting statements and the receptacle for ballot paper envelopes.

(6) Where—

- (a) the number on a valid postal voting statement is not the same as the number on the ballot paper envelope, or
- (b) that envelope has no number on it,

the counting officer must open the envelope.

(7) Paragraph (8) applies where—

- (a) there is a valid postal voting statement but not ballot paper envelope; or
- (b) the ballot paper envelope has been opened under rule 32(5) or paragraph (6).

- (8) Where this paragraph applies, the counting officer must place—
- (a) in the postal ballot box, any ballot paper the number on which is the same as the number on the valid postal voting statement;
 - (b) in the receptacle for rejected votes, any other ballot paper, with the valid postal voting statement attached and marked “provisionally rejected”;
 - (c) in the receptacle for rejected votes, any valid postal voting statement marked “provisionally rejected” where there is no ballot paper;
 - (d) in the receptacle for postal voting statements, any valid statement not disposed of under sub-paragraph (b) or (c).

Procedure in relation to postal voting statements: personal identifier verification

35.—(1) This rule applies to any postal voting statement contained in an envelope that is set aside for personal identifier verification in accordance with rule 32(2).

(2) The counting officer must be satisfied that the postal voting statement is duly completed and as part of that process must compare the date of birth and the signature on the postal voting statement against the date of birth and signature contained in the identifier record relating to the person to whom the postal ballot paper was addressed.

(3) Where the counting officer is not so satisfied, the counting officer must mark the statement “rejected”, attach to it the ballot paper envelope, or if there is no such envelope, the ballot paper, and, subject to paragraph (4) place it in the receptacle for rejected votes after verification procedure.

(4) Before placing a postal voting statement in the receptacle for rejected votes (verification procedure), the counting officer must show it to the counting observers and must permit them to view the entries in the identifier record which relate to the person to whom the postal ballot paper was addressed, and if any of them object to the counting officer’s decision, must add the words “rejection objected to”.

(5) The counting officer must then examine the number on the postal voting statement against the number on the ballot paper envelope and, where they are the same, must place the statement and the ballot paper envelope respectively in the receptacle for postal voting statements after verification procedure and the receptacle for ballot paper envelopes.

(6) Where—

- (a) the number on a valid postal voting statement is not the same as the number on the ballot paper envelope, or
- (b) that envelope has no number on it,

the counting officer must open the envelope.

(7) Paragraph (8) applies where—

- (a) there is a valid postal voting statement but no ballot paper envelope, or
- (b) the ballot paper envelope has been opened under rule 32(5) or paragraph (6).

(8) Where this paragraph applies, the counting officer must place—

- (a) in the postal ballot box, any ballot paper the number on which is the same as the number on the valid postal voting statement;
- (b) in the receptacle for rejected votes after verification procedure, any other ballot paper, with the valid postal voting statement attached and marked “provisionally rejected”;
- (c) in the receptacle for rejected votes after verification procedure, any valid postal voting statement marked “ provisionally rejected” where there is no ballot paper;

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (d) in the receptacle for postal voting statements after verification procedure, any valid statement not disposed of under sub-paragraph (b) or (c).

Postal voting statements: additional personal identifier verification

36.—(1) A counting officer may on any occasion at which a postal voters’ ballot box is opened in accordance with rule 31 undertake verification of the personal identifiers on any postal voting statement that has on a prior occasion been placed in the receptacle for postal voting statements.

(2) Where a counting officer undertakes additional verification of personal identifiers, the counting officer must—

- (a) remove as many postal voting statements from the receptacle for postal voting statements as the counting officer wishes to subject to additional verification; and
- (b) compare the date of birth and the signature on each such postal voting statement against the date of birth and signature contained in the identifier record relating to the person to whom the postal ballot paper was addressed.

(3) Where the counting officer is no longer satisfied that the postal voting statement has been duly completed the counting officer must mark the statement “rejected” and before placing the postal voting statement in the receptacle for rejected votes after verification procedure, the counting officer must—

- (a) show it to the counting observers and must permit them to view the entries in the identifier record which relate to the person to whom the postal ballot paper was addressed, and if any of them object to the counting officer’s decision, must add the words “rejection objected to”;
- (b) open any postal ballot box and retrieve the ballot paper corresponding to the ballot paper number on the postal voting statement;
- (c) show the ballot paper number on the retrieved ballot paper to the counting observers; and
- (d) attach the ballot paper to the postal voting statement.

(4) Following the removal of a postal ballot paper from a postal ballot box the counting officer must lock and reseal the postal ballot box in the presence of the counting observers.

(5) Whilst retrieving a ballot paper in accordance with paragraph (4), the counting officer and the counting officer’s staff—

- (a) must keep the ballot papers face downwards and must take proper precautions for preventing any person seeing the votes made on the ballot papers, and
- (b) must not be permitted to view the corresponding number list used at the issue of postal ballot papers.

Opening of ballot paper envelopes

37.—(1) The counting officer must open separately each ballot paper envelope placed in the receptacle for ballot paper envelopes.

(2) The counting officer must place—

- (a) in the postal ballot box, any ballot paper the number on which is the same as the number on the ballot paper envelope;
- (b) in the receptacle for rejected votes, any other ballot paper which must be marked “provisionally rejected” and to which must be attached the ballot paper envelope;
- (c) in the receptacle for rejected ballot paper envelopes, any ballot paper envelope which must be marked “provisionally rejected” because it does not contain a ballot paper.

Retrieval of cancelled postal ballot papers

38.—(1) Where it appears to the counting officer that a cancelled postal ballot paper has been placed—

- (a) in a postal voters' ballot box;
- (b) in the receptacle for ballot paper envelopes; or
- (c) a postal ballot box,

the counting officer must proceed as follows.

(2) The counting officer must, on at least one occasion on which a postal voters' ballot box is opened in accordance with rule 31, also open any postal ballot box and the receptacle for ballot paper envelopes and—

- (a) retrieve the cancelled ballot paper;
- (b) show the ballot paper number on the cancelled ballot paper to the polling observers;
- (c) retrieve the postal voting statement that relates to a cancelled ballot paper from the receptacle for postal voting statements;
- (d) attach any cancelled postal ballot paper to the postal voting statement to which it relates;
- (e) place the cancelled documents in a separate packet and deal with that packet in the manner provided for by rule 25(6); and
- (f) unless the postal ballot box has been opened for the purposes of the counting of votes, re-lock (if it has a lock) and re-seal the postal ballot box in the presence of the counting observers.

(3) Whilst retrieving a cancelled ballot paper in accordance with paragraph (2), the counting officer and the counting officer's staff—

- (a) must keep the ballot papers face downwards and must take proper precautions for preventing any person seeing the votes made on the ballot papers, and
- (b) must not be permitted to view the corresponding number list used at the issue of postal ballot papers.

Lists of rejected postal ballot papers

39.—(1) The counting officer must keep two separate lists of rejected postal ballot papers.

(2) In the first list, the counting officer must record the ballot paper number of any postal ballot paper for which no valid postal voting statement was received with it.

(3) In the second list, the counting officer must record the ballot paper number of any postal ballot paper which is entered on a valid postal voting statement where that ballot paper is not received with the postal voting statement.

Checking of lists kept under rule 39

40.—(1) Where the counting officer receives a valid postal voting statement without the postal ballot paper to which it relates, the counting officer may, at any time prior to the close of the poll, check the list kept under rule 39 to see whether the number of a postal ballot paper to which the statement relates is entered in that list.

(2) Where the counting officer receives a postal ballot paper without the postal voting statement to which it relates, the counting officer may, at any time prior to the close of the poll, check the list kept under rule 39 to see whether the number of that ballot paper is entered in that list.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(3) The counting officer must conduct the checks required by paragraphs (1) and (2) as soon as practicable after the receipt of packets from every polling station being used for the purposes of the business referendum.

(4) Where the ballot paper number in the list matches that number on a valid postal voting statement or, as the case may be, the postal ballot paper, the counting officer must retrieve that statement or paper.

(5) The counting officer must then take the appropriate steps under this Part of these Rules as though any document earlier marked “provisionally rejected” had not been so marked and must amend the document accordingly.

Sealing of receptacles

41.—(1) As soon as practicable after the completion of the procedure under paragraphs (1), (2) and (4) of rule 40, the counting officer must make up into separate packets the contents of—

- (a) the receptacle of rejected votes,
- (b) the receptacle of postal voting statements,
- (c) the receptacle of rejected ballot paper envelopes,
- (d) the lists of spoilt and lost postal ballot papers,
- (e) the receptacle of rejected votes after verification procedure, and
- (f) the receptacle of postal voting statements after verification procedure,

and must seal up such packets.

(2) Any document in those packets marked “provisionally rejected” must be deemed to be marked “rejected”.

Forwarding of documents

42.—(1) The counting officer must forward to the business registration officer at the same time as the counting officer forwards the documents mentioned in rule 72—

- (a) any packets referred to in rules 22(1), 24(1) and (3), 25(6), 26(8), 32(10), 41(1) and paragraph (2), endorsing on each packet a description of its contents, the date of the business referendum, the words “neighbourhood planning business referendum” and the name of the neighbourhood area to which the business referendum relates; and
- (b) a completed statement of the number of postal ballot papers issued.

(2) Where—

- (a) any covering envelopes are received by the counting officer after the close of the poll (apart from those delivered in accordance with rule 27(3));
- (b) any envelopes addressed to postal voters are returned as undelivered too late to be readdressed, or
- (c) any spoilt postal ballot papers are returned too late to enable other postal ballot papers to be issued,

the counting officer must put them unopened in a separate packet, seal up such a packet and endorse and forward it at a subsequent date in the manner described in paragraph (1).

(3) A copy of the statement referred to in paragraph (1)(b) must be provided by the counting officer to the Secretary of State and the Electoral Commission in the period which starts 10 days after the day of the poll and ends 15 days after that day.

PART 6

Polling stations

Provision of polling stations

43.—(1) The counting officer must provide a sufficient number of polling stations and, subject to the following provisions of this rule, must allot the named voters to the polling stations in such manner as the counting officer thinks most convenient.

(2) One or more polling stations may be provided in the same room.

(3) The counting officer must provide each polling station with such number of compartments as may be necessary in which the named voters can mark their votes screened from observation.

(4) The polling station allotted to a named voter who is also voting in person at the corresponding residential referendum must as far as practicable be in the same polling place as the polling station allotted to that person for the corresponding residential referendum.

The appointment of presiding officers and polling clerks

44.—(1) The counting officer must appoint and pay a presiding officer to attend at each polling station and such clerks as may be necessary for the purposes of the business referendum.

(2) The counting officer may, if that officer thinks fit, preside at a polling station and the provisions of these Rules relating to a presiding officer apply to a counting officer so presiding with the necessary modifications as to things to be done by the counting officer to the presiding officer or by the presiding officer to the counting officer.

(3) A presiding officer may do, by the clerks appointed to assist the officer, any act (including the asking of questions) which the officer is required or authorised by these Rules to do at a polling station except order the arrest, exclusion or removal of any person from the polling station.

Issue of official poll cards

45.—(1) The counting officer must as soon as practicable after each publication of the business voting register under paragraph 30(1) of Schedule 6 send an official poll card to each named voter who has chosen to vote in person.

(2) The official poll card must be sent or delivered to the address shown on the voters list.

(3) The official poll card must be in the form set out in Form 5 in the Appendix, or a form to like effect, and must set out—

- (a) the name of the relevant council and of the neighbourhood area;
- (b) the name of the named voter, the business vote holder on whose behalf they are voting and the number on the business voting register;
- (c) the date and hours of the poll and the situation of the named voter's polling station;
- (d) such other information as the counting officer thinks appropriate,

and different information may be provided in pursuance of sub-paragraph (d) to different named voters or to different descriptions of named voter.

Equipment of polling stations

46.—(1) The counting officer must provide each presiding officer with such number of ballot boxes and ballot papers as in the counting officer's opinion may be necessary.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) Every ballot box must be so constructed that the ballot papers can be put in it, but cannot be withdrawn from it, without the box being unlocked or, where the box has no lock, the seal being broken.

(3) The counting officer must provide each polling station with—

- (a) materials to enable named voters to mark the ballot papers;
- (b) copies of such part of the business voting register as contains the names of the named voters allotted to the station;
- (c) the parts of any voters list corresponding to the business voting register or the part of it provided under sub-paragraph (b);
- (d) a list, in the form set out in Form 6 in the Appendix or a form to like effect, consisting of that part of the list prepared under rule 8 which contains the numbers (but not the other unique identifying marks) corresponding to those on the ballot papers provided to the presiding officer of the polling station.

(4) The reference in paragraph (3)(b) to the copies of the business voting register includes any alterations made to that register under Schedule 6.

(5) The counting officer must also provide each polling station with—

- (a) at least one large version of the ballot paper which must be displayed inside the polling station for the assistance of named voters who are partially sighted; and
- (b) a device of such description as is set out in paragraph (9) for enabling named voters who are blind or partially sighted to vote without any need for assistance from the presiding officer or any companion (within the meaning of rule 56(1)).

(6) A notice in the form set out in Form 7 in the Appendix, giving directions for the guidance of named voters in voting, must be printed in conspicuous characters and exhibited inside and outside every polling station.

(7) The counting officer may also provide copies of the notice mentioned in paragraph (6) in Braille or translated into languages other than English as the counting officer considers appropriate, provided that these notices are accurate reproductions in Braille or that other language of that notice.

(8) In every compartment of every polling station there must be exhibited the notice “BUSINESS REFERENDUM ON [specify: neighbourhood plan/neighbourhood development order] FOR [specify name of neighbourhood area]. Mark a cross (X) in the box next to the answer of your choice. Vote ONCE only. Do not mark the ballot paper in any other way, or your vote may not be counted.”

(9) The device referred to in paragraph (5)(b) must—

- (a) allow a ballot paper to be inserted into and removed from, or attached to and detached from, the device easily and without damage to the paper;
- (b) hold the ballot paper firmly in place during use; and
- (c) provide suitable means for the named voter to—
 - (i) identify the spaces on the ballot paper on which they may mark their vote;
 - (ii) identify the answer to which each such space refers; and
 - (iii) mark their vote on the space they have chosen.

Appointment of polling observers and counting observers

47.—(1) The counting officer may appoint persons to attend at polling stations for the purpose of detecting personation (“polling observers”).

(2) The counting officer must appoint persons to observe the counting of the votes and the verification of the ballot paper account (“counting observers”).

(3) In these Rules references to polling observers and counting observers are to be taken as references to polling observers and counting observers whose appointments have been duly made.

(4) Where by these Rules any act or thing is required or authorised to be done in the presence of the polling observers or counting observers, the non-attendance of any such person at the time and place appointed for the purpose does not, if the act or thing is otherwise duly done, invalidate the act or thing done.

Notification of requirement of secrecy

48. The counting officer must make such arrangements as the counting officer thinks fit to ensure that—

- (a) every person attending at a polling station (otherwise than for the purpose of voting or assisting a named voter with disabilities to vote or as a constable on duty there) has been given a copy in writing of the provisions of subsections (1), (3) and (6) of section 66 of the 1983 Act⁽²⁰⁾, as applied by Schedule 8; and
- (b) every person attending at the counting of the votes (other than any constable on duty at the counting) has been given a copy in writing of the provisions of subsections (2) and (6) of that section, as applied by Schedule 8.

PART 7

The Poll

Admission to polling station

49.—(1) The presiding officer must exclude all persons from the polling station except—

- (a) named voters;
- (b) persons under the age of 18 who accompany named voters to the polling station;
- (c) the polling observers appointed to attend at the polling station;
- (d) the clerks appointed to attend at the polling station;
- (e) persons who are entitled to attend by virtue of any of sections 6A to 6D of the Political Parties, Elections and Referendums Act 2000⁽²¹⁾;
- (f) the constables on duty; and
- (g) the companions of named voters with disabilities.

(2) The presiding officer must regulate the total number of named voters and persons under the age of 18 who accompany them to be admitted to the polling station at the same time.

(3) A constable or person employed by a counting officer must not be admitted to vote in person elsewhere than at the polling station allotted to them under these Rules, except on production and surrender of a certificate as to their employment which must be in the form set out in Form 8 in the Appendix, or a form to like effect, and signed by an officer of police of or above the rank of inspector or by the counting officer by whom the person is employed, as the case may be.

(4) Any certificate surrendered under this rule must forthwith be cancelled.

⁽²⁰⁾ Subsections (1), (2) and (3) of section 66 of the 1983 Act were amended by paragraphs 69, 82, 86(b) and 96 of Schedule 1 to the Electoral Administration Act 2006 (c.22); subsection (6) was amended by paragraph 3 of Schedule 3 to the Representation of the People Act 1985 (c.50).

⁽²¹⁾ 2000 c.41. Sections 6A to 6D were inserted by section 29 of the Electoral Administration Act 2006 (c.22).

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Keeping of order in polling station

50.—(1) It is the presiding officer’s duty to keep order at the presiding officer’s polling station.

(2) If a person misconducts themselves in a polling station, or fails to obey the presiding officer’s lawful orders, that person may immediately, by the presiding officer’s order, be removed from the polling station—

(a) by a constable in or near that station; or

(b) by any other person authorised in writing by the counting officer to remove the person, and the person so removed may not, without the presiding officer’s permission, again enter the polling station during the day.

(3) Any person so removed may, if charged with the commission in the polling station of an offence, be dealt with as a person taken into custody by a constable for an offence without a warrant.

(4) The powers conferred by this rule must not be exercised so as to prevent a named voter who is otherwise entitled to vote at a polling station from having an opportunity of voting at that station.

Sealing of ballot boxes

51. Immediately before the commencement of the poll, the presiding officer must show the ballot box empty to such persons, if any, as are present in the polling station, so that they may see that it is empty, and must then lock it up, if it has a lock and (in any case) place the officer’s seal on it in such a manner as to prevent the box being opened without breaking the seal and must place the box in the officer’s view for the receipt of ballot papers, and keep it so locked and sealed or sealed (as the case may be).

Questions to be put to named voters

52.—(1) At the time of the application for a ballot paper (but not afterwards), the questions specified in the following Table—

(a) may be put by the presiding officer to a person applying for a ballot paper who is mentioned in the Table; and

(b) must be put if the letter “R” appears after the question and a polling observer requires the question to be put:

Table

<i>Q no</i>	<i>Person applying for ballot paper</i>	<i>Question</i>
1	A person applying as a named voter	<p>(a)—Are you the person whose name appears as AB on the business voting register for this referendum area as named to vote on behalf of CD?</p> <p><i>(read the whole entry from the register)</i> [R]</p> <p>(b)—Have you already voted here or elsewhere at this business referendum on behalf of CD? [R]</p> <p>(c)—Have you already voted here or elsewhere at this business referendum on behalf of two persons (including yourself)?</p>

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

<i>Q no</i>	<i>Person applying for ballot paper</i>	<i>Question</i>
2	A person applying as a named voter who is shown on the voters list as entitled to vote by post	(a)—Did you choose to vote by post? (b)—Why have you not voted by post?

(2) A ballot paper must not be delivered to any person required to answer any of the above questions unless that person has answered each question satisfactorily.

(3) Except as authorised by this rule, no inquiry is permitted as to the right of any person to vote.

Challenge of named voter

53. A person must not be prevented from voting by reason only that—

- (a) any polling observer permitted to be present in accordance with rule 49(1) declares that the polling observer has reasonable cause to believe that the person has committed an offence of personation; or
- (b) the person is arrested on the grounds that the person is suspected of committing or of being about to commit such an offence.

Voting procedure

54.—(1) A ballot paper must be delivered to a named voter who applies for one, and immediately before delivery—

- (a) the number on the register and name of the named voter must be called out;
- (b) the number on the register must be marked on the list mentioned in rule 46(3)(d) beside the number of the ballot paper to be issued; and
- (c) a mark must be placed in the copy of the business voting register against the number on the register to note that a ballot paper has been received but without showing the particular ballot paper which has been received.

(2) The named voter, on receiving their ballot paper, must forthwith proceed into one of the compartments in the polling station and there secretly mark the ballot paper and fold it up so as to conceal their vote, and must then show to the presiding officer the back of the paper, so as to disclose the number and other unique identifying mark, and put the ballot paper so folded up into the ballot box in the presiding officer's presence.

(3) The named voter must vote without undue delay, and must leave the polling station as soon as the named voter has put the named voter's ballot paper into the ballot box.

Votes marked by presiding officer

55.—(1) The presiding officer, on the application of a named voter—

- (a) who is incapacitated by blindness or other disability from voting in the manner directed by these Rules; or
- (b) who declares orally that the named voter is unable to read,

must, in the presence of the polling observers (if any), cause that person's vote to be marked on a ballot paper in the manner directed by that person, and the ballot paper to be placed in the ballot box.

(2) The name and number in the business voting register of every person whose vote is marked in pursuance of this rule, and the reason why it is so marked, must be entered on a list (in these Rules called "the list of votes marked by the presiding officer").

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Voting by persons with disabilities

56.—(1) If a named voter makes an application to the presiding officer to be allowed, on the ground of—

- (a) blindness or other disability; or
- (b) inability to read,

to vote with the assistance of another person by whom the named voter is accompanied (in these Rules referred to as “the companion”), the presiding officer must require the named voter to declare, orally or in writing, whether the named voter is so incapacitated by blindness or other disability, or by the named voter’s inability to read, as to be unable to vote without assistance.

(2) If the presiding officer—

- (a) is satisfied that the named voter is so incapacitated or unable to read; and
- (b) is also satisfied by a written declaration made by the companion (in these Rules referred to as “the declaration made by the companion of a named voter with disabilities”) that the companion—
 - (i) is a qualified person within the meaning of this rule; and
 - (ii) has not previously assisted more than one named voter with disabilities to vote at the business referendum,

the presiding officer must grant the application, and then anything which is by these Rules required to be done to or by that named voter in connection with the giving of their vote may be done to, or with the assistance of, the companion.

(3) For the purposes of these Rules, a person is a named voter with disabilities if that person has made such a declaration as is mentioned in paragraph (1), and a person is qualified to assist a named voter with disabilities to vote if that person—

- (a) is capable of being named as a named voter at the business referendum; or
- (b) is the father, mother, brother, sister, spouse, civil partner, son or daughter of the named voter and has attained the age of 18 years.

(4) The name and number in the register of every person whose vote is given in accordance with this rule and the name and address of the companion must be entered on a list (in these Rules referred to as “the list of named voters with disabilities assisted by companions”).

(5) The declaration made by the companion of a named voter—

- (a) must be in the form set out in Form 9 in the Appendix;
- (b) must be made before the presiding officer at the time when the named voter applies to vote with the assistance of a companion; and
- (c) must forthwith be given to the presiding officer who must attest and retain it.

(6) No fee or other payment may be charged in respect of the declaration.

Tendered ballot papers: circumstances where available

57.—(1) If a person, representing themselves to be a particular named voter named on the business voting register, and not shown on the voters list as entitled to vote by post, applies for a ballot paper after another person has voted in person as the named voter, the applicant is, on satisfactorily answering the questions permitted by law to be asked at the poll, entitled, subject to the provisions of rule 58, to mark a ballot paper (in these Rules referred to as “a tendered ballot paper”) in the same manner as any other named voter.

(2) Paragraph (3) applies if—

- (a) a person applies for a ballot paper representing themselves to be a particular named voter named on the business voting register;
- (b) that person is also shown in the voters list as having chosen to vote by post; and
- (c) that person claims that that person did not choose to vote by post at the business referendum.

(3) The person is, on satisfactorily answering the questions permitted by law to be asked at the poll, entitled, subject to the provisions of rule 58, to mark a ballot paper (in these Rules referred to as a “tendered ballot paper”) in the same manner as any other named voter.

(4) Paragraph (5) applies if, before the close of the poll but after the last time at which a person may apply for a replacement postal ballot paper, a person represents themselves to be a particular named voter named on the business voting register who is also shown in the voters list as having chosen to vote by post, and claims that the person has lost or has not received their postal ballot paper.

(5) The person is, on satisfactorily answering the questions permitted by law to be asked at the poll, entitled, subject to the provisions of rule 58, to mark a ballot paper (in these Rules referred to as a “tendered ballot paper”) in the same manner as any other named voter.

Tendered ballot papers: general provisions

58.—(1) A tendered ballot paper must—

- (a) be of a colour differing from that of the other ballot papers;
- (b) instead of being put into the ballot box, be given to the presiding officer and endorsed by the officer with the name of the person who has marked a tendered ballot paper and their number in the register of electors, and set aside in a separate packet.

(2) The name of the person who has marked a tendered ballot paper and their number in the business voting register must be entered on a list (in these Rules referred to as the “tendered votes list”).

Spoilt ballot papers

59. A named voter who has inadvertently dealt with their ballot paper in such manner that it cannot be conveniently used as a ballot paper may, on delivering it to the presiding officer and proving to the presiding officer’s satisfaction the fact of the inadvertence, obtain another ballot paper in the place of the ballot paper so delivered (in these Rules referred to as “a spoilt ballot paper”), and the spoilt ballot paper must be immediately cancelled.

Alterations of register on day of poll

60. The presiding officer must keep a list of persons to whom ballot papers are delivered in consequence of an alteration to the register made—

- (a) by virtue of paragraph 23 or 24 of Schedule 6, or
- (b) as a result of a decision on appeal under paragraph 29 of Schedule 6,

which takes effect on the day of the poll.

Adjournment of poll in case of riot

61.—(1) Where the proceedings at any polling station are interrupted or obstructed by riot or open violence, the presiding officer must adjourn the proceedings until the following day and must forthwith give notice to the counting officer.

(2) Where the poll is adjourned at any polling station—

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (a) the hours of polling on the day to which it is adjourned must be the same as for the original day; and
- (b) references in these Rules to the close of the poll are construed accordingly.

Procedure on close of poll

62.—(1) As soon as practicable after the close of the poll, the presiding officer must, in the presence of the polling observers (if any), make up into separate packets, sealed with the presiding officer’s own seal and the seals of such polling observers as desire to affix their seals—

- (a) each ballot box in use at the station, sealed so as to prevent the introduction of additional ballot papers and unopened, but with the key, if any, attached;
- (b) the unused and spoilt ballot papers placed together;
- (c) the tendered ballot papers;
- (d) the marked copies of the business voting register;
- (e) the lists prepared under rule 8 including the parts which were completed in accordance with rule 54(1)(b) (together referred to in these Rules as “the completed corresponding number lists”);
- (f) the certificates as to employment on duty on the day of the poll;
- (g) the tendered votes list, the list of named voters assisted by companions, the list of votes marked by the presiding officer, a statement of the number of named voters whose votes are so marked by the presiding officer under the heads “disability” and “unable to read”, the list maintained under rule 56, and the declarations made by the companions of named voters,

and must deliver the packets or cause them to be delivered to the counting officer to be taken charge of by that person; but if the packets are not delivered by the presiding officer personally to the counting officer, the arrangements for their delivery require the counting officer’s approval.

(2) The marked copies of the business voting register must be in one packet but must not be in the same packet as the completed corresponding number lists or the certificates as to employment on duty on the day of the poll.

(3) The packets must be accompanied by a statement (in these Rules referred to as “the ballot paper account”) made by the presiding officer showing the number of ballot papers entrusted to that officer, and accounting for them under the heads of ballot papers issued and not otherwise accounted for, unused, spoilt and tendered ballot papers.

PART 8

Counting of Votes

Attendance at counting of votes

63.—(1) The counting officer must make arrangements for counting the votes in the presence of the counting observers as soon as practicable after the close of the poll, and must give to the counting observers notice in writing of the time and place at which the counting officer will begin to count the votes.

- (2) No person other than—
 - (a) the Chief Counting Officer, the counting officer and the counting officer’s clerks;
 - (b) the counting observers; and

(c) persons who are entitled to attend by virtue of any of sections 6A to 6D of the Political Parties, Elections and Referendums Act 2000,

may be present at the counting of the votes, unless permitted by the counting officer to attend.

(3) A person not entitled to attend at the counting of the votes is not permitted to do so by the counting officer unless the counting officer is satisfied that the efficient counting of the votes will not be impeded.

(4) The counting officer must give the counting observers all such reasonable facilities for overseeing the proceedings, and all such information with respect to them, as the officer can give them consistent with the orderly conduct of the proceedings and the discharge of the officer's duties in connection with them.

(5) In particular, where the votes are counted by sorting the ballot papers according to the answer for which the vote is given and then counting the number of ballot papers for each answer, the counting observers are entitled to satisfy themselves that the ballot papers are correctly sorted.

The count

64.—(1) The counting officer must—

- (a) in the presence of the counting observers open each ballot box and count and record the number of ballot papers in it;
- (b) in the presence of the counting observers verify each ballot paper account; and
- (c) count such of the postal ballot papers as have been duly returned and record the number counted.

(2) The counting officer must not count the votes given on any ballot papers until—

- (a) in the case of postal ballot papers, they have been mixed with the ballot papers from at least one ballot box; and
- (b) in the case of ballot papers from a ballot box, they have been mixed with the ballot papers from at least one other ballot box (if there is another ballot box).

(3) A postal ballot paper must not be taken to be duly returned unless—

- (a) it is returned in the manner set out in paragraph (4) and reaches the counting officer or any polling station used at the business referendum in question before the close of the poll;
- (b) the postal voting statement, duly signed, is also returned in the manner set out in paragraph (4) and reaches the counting officer or such a polling station before that time;
- (c) the postal voting statement also states the date of birth of the named voter; and
- (d) in a case where steps for verifying the date of birth and signature of a named voter have been prescribed by these Rules, the counting officer (having taken such steps) verifies that date of birth and that signature.

(4) The manner in which any postal ballot paper or postal voting statement may be returned—

- (a) to the counting officer, is by hand or by post;
- (b) to a polling station, is by hand.

(5) The counting officer must not count any tendered ballot paper.

(6) The counting officer, while counting and recording the number of ballot papers and counting the votes, must keep the ballot papers with their faces upwards and take all proper precautions for preventing any person from seeing the numbers or other unique identifying marks printed on the back of the papers.

(7) The counting officer must verify each ballot paper account by comparing it with the number of ballot papers recorded by the officer, and the unused and spoilt ballot papers in the officer's

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

possession and the tendered votes list (opening and resealing the packets containing the unused and spoiled ballot papers and the tendered votes list) and must draw up a statement as to the result of the verification, which any counting observer may copy.

(8) Where the referendum area comprises any part of the area of more than one relevant council, as soon as is practicable after the counting officer has drawn up the statement as to the result of the verification, the counting officer must inform the Chief Counting Officer of its content.

(9) The counting officer must so far as practicable proceed continuously with counting the votes, allowing only time for refreshment, except that the counting officer may exclude the hours between 7 in the evening and 9 on the following morning.

(10) During the time so excluded the counting officer must—

- (a) place the ballot papers and other documents relating to the business referendum under the counting officer's own seal and the seals of such counting observers as desire to affix their seals; and
- (b) otherwise take proper precautions for the security of the papers and documents.

Re-count

65.—(1) The counting officer may have the votes re-counted or again re-counted.

(2) Paragraphs (3) to (7) apply where the referendum area comprises any part of the area of more than one relevant council.

(3) As soon as practicable after the conclusion of the count (which includes any re-count whether or not directed under this rule), the counting officer must draw up a provisional statement showing—

- (a) the number of ballot papers counted by the counting officer;
- (b) the number of votes cast in favour of each answer to the question asked in the business referendum.

(4) As soon as possible after completion of the provisional statement, the counting officer must inform the Chief Counting Officer of its contents.

(5) Once the Chief Counting Officer has received the report of any counting officer on the contents of that counting officer's provisional statement prepared under paragraph (3) and under rule 66(5), the Chief Counting Officer may direct the counting officer to re-count (or further re-count) the votes.

(6) A re-count directed by the Chief Counting Officer under paragraph (5) may be of the votes in the whole referendum area, or in the areas of such of the relevant councils falling within the referendum area as the Chief Counting Officer considers reasonable.

(7) A counting officer must proceed with a re-count as soon as practicable after receipt of the Chief Counting Officer's direction, and if not proceeding forthwith must notify those counting observers entitled to be present at the re-count of the time and place at which the counting officer will begin to re-count the votes.

Rejected ballot papers

66.—(1) Any ballot paper—

- (a) which does not bear the official mark; or
- (b) on which votes are given for more than one answer; or
- (c) on which anything is written or marked by which the named voter or business vote holder can be identified except the printed number and other unique identifying mark on the back; or

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(d) which is unmarked or void for uncertainty,
is, subject to paragraph (2), void and must not be counted.

(2) A ballot paper on which the vote is marked—

- (a) elsewhere than in the proper place; or
- (b) otherwise than by means of a cross; or
- (c) by more than one mark,

is not for such reason deemed to be void if an intention that the vote is for one or the other of the answers clearly appears, and the way the paper is marked does not itself identify the named voter or business vote holder and it is not shown that the named voter or business vote holder can be identified by it.

(3) The counting officer must endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and must add to the endorsement the words “rejection objected to” if any objection is made by a counting observer to the counting officer’s decision.

(4) Subject to paragraph (5), the counting officer must draw up a statement showing the number of ballot papers rejected under the several heads of—

- (a) want of official mark;
- (b) voting for more than one answer;
- (c) writing or mark by which the named voter or business vote holder could be identified;
- (d) unmarked or void for uncertainty.

(5) Where the referendum area comprises any part of the area of more than one relevant council, the statement referred to in paragraph (4) above is to be a provisional statement and as soon as practicable after the completion of that statement, the counting officer must inform the Chief Counting Officer of its contents.

Decisions on ballot papers

67. The decision of the counting officer on any question arising in respect of a ballot paper is final.

Equality of votes

68. Where, after the counting of the votes (including any re-count) is completed, an equality of votes is found to exist between the answers, the result is that there is no majority in favour of the making of the plan or order.

PART 9

Declaration of Result and Disposal of Documents

Declaration of result

(2) When the result of the poll has been ascertained, the counting officer must forthwith—

- (iii) the total number of votes cast for each answer; and
- (iv) the number of rejected ballot papers under each head shown in the statement of rejected ballot papers.

Declaration of result: cross-boundary referendum areas

70.—(1) This rule applies where the referendum area comprises any part of the area of more than one relevant council.

(2) When the Chief Counting Officer is satisfied the result of the poll has been ascertained, the Chief Counting Officer must direct the counting officers to draw up a final statement of the matters referred to in rule 65(3) and to provide final versions of their statements of rejected ballot papers.

(3) The counting officer, having drawn up the final statement, must—

- (a) forthwith inform the Chief Counting Officer of its contents; and
- (b) as soon as reasonably practicable give the Chief Counting Officer notice of the number of rejected ballot papers under each head shown in the final statement of rejected ballot papers.

(4) When authorised by the Chief Counting Officer to do so, each counting officer must—

- (a) make a declaration of the matters referred to in the final statement; and
- (b) give public notice of those matters together with the number of rejected ballot papers under each head shown in the final statement of rejected ballot papers.

(5) The Chief Counting Officer, having received notification of the final statement from each counting officer referred to in paragraph (2) must—

- (a) draw up a statement of—
 - (i) the total number of ballot papers counted, and
 - (ii) the total number of votes cast in favour of each answer to the question asked, in respect of the business referendum;
- (b) declare the result of the business referendum;
- (c) inform the proper officer of each relevant council of the result of the business referendum;
- (d) give public notice of—
 - (i) the result of the business referendum;
 - (ii) the number of ballot papers counted;
 - (iii) the total number of votes cast for each answer; and
 - (iv) the number of rejected ballot papers under each head shown in the statement of rejected ballot papers.

Sealing up of ballot papers

71.—(1) On the completion of the counting at a business referendum the counting officer must seal up in separate packets the counted and rejected ballot papers.

(2) The counting officer must not open the sealed packets of—

- (a) tendered ballot papers;
- (b) the completed corresponding number lists;
- (c) certificates as to employment on duty on the day of the poll; or

- (d) marked copies of the business voting register.

Delivery of documents to business registration officer

72. The counting officer must then forward to the business registration officer the following documents—

- (a) the packets of ballot papers in the counting officer’s possession;
- (b) the ballot paper accounts and the statements of rejected ballot papers and of the result of the verification of the ballot paper accounts;
- (c) the tendered votes lists, the lists of named voters with disabilities assisted by companions, the lists of votes marked by the presiding officer and the related statements, the lists maintained under rule 60, and the declarations made by the companions of named voters with disabilities;
- (d) the packets of the completed corresponding number lists;
- (e) the packets of certificates as to employment on duty on the day of the poll; and
- (f) the packets containing marked copies of business voting registers and voters lists,

endorsing on each packet a description of its contents, the date of the business referendum, the words “neighbourhood planning business referendum” and the name of the neighbourhood area to which the business referendum relates.

Orders for production of documents

73.—(1) An order—

- (a) for the inspection or production of any rejected ballot papers in the custody of the business registration officer; or
- (b) for the opening of a sealed packet of the completed corresponding number lists or certificates as to employment on duty on the day of the poll or for the inspection of any counted ballot papers in the business registration officer’s custody,

may be made by a county court or the High Court, if the court is satisfied by evidence on oath that the order is required for the purpose of instituting or maintaining a prosecution for an offence in relation to ballot papers or for the purpose of proceedings brought as mentioned in section 61N(3) of the 1990 Act⁽²²⁾.

(2) An order under this rule may be made subject to such conditions as to—

- (a) persons;
- (b) time;
- (c) place and mode of inspection;
- (d) production or opening,

as the court making the order may think expedient.

(3) In making and carrying into effect an order for the opening of a packet of the completed corresponding number lists or of certificates as to employment on duty on the day of the poll or for the inspection of counted ballot papers, care must be taken that the way in which the vote of any particular named voter or business vote holder has been given is not disclosed until it has been proved—

- (a) that their vote was given; and

(22) Section 61N was inserted into the Town and Country Planning Act 1990 by section Section 116 of and paragraph 2 of Schedule 9 to the Localism Act 2011 (c.20).

- (6) Where an order is made for the production by the business registration officer of any document in the business registration officer's possession relating to any specified business referendum—
 - (a) the production by the business registration officer or that officer's agent of the document ordered in such manner as may be directed by that order is conclusive evidence that the document relates to the specified business referendum; and
 - (b) any endorsement on any packet of ballot papers so produced is prima facie evidence that the ballot papers are what they are stated to be by the endorsement.
- (7) The production from proper custody of—
 - (a) a ballot paper purporting to have been used at any business referendum; and
 - (b) a completed corresponding number list with a number marked in writing beside the number of the ballot paper,

is prima facie evidence that the person whose vote was given by that ballot paper was the person whose entry in the business voting register at the time of the business referendum contained the same number as the number written as mentioned in sub-paragraph (b) of this paragraph.

(8) Save as by this rule provided, no person is to be allowed to inspect any rejected or counted ballot papers in the possession of the business registration officer or open any sealed packets of the completed corresponding number lists or of certificates as to employment on duty on the day of the poll.

Retention of documents

74. The business registration officer must retain for one year all documents relating to a business referendum forwarded to that officer in pursuance of these Rules by a counting officer, and then, unless otherwise directed by an order of a county court, the Crown Court, a magistrates' court or an election court, must cause them to be destroyed.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision for the conduct of additional “business referendums” held under paragraph 12(4) of Schedule 4B to the Town and Country Planning Act 1990 (“the 1990 Act”). These Regulations only apply in relation to England. The business referendums will relate to the question of whether a neighbourhood development plan or a neighbourhood development order is approved. Provision is made by amending the Neighbourhood Planning (Referendums) Regulations 2012⁽⁵⁹⁾ (“the Referendums Regulations”). Additional referendums are provided for in paragraph 15 of Schedule 4B and are required for a neighbourhood area which has been designated as a business area and are in addition to the residential referendum for the area.

Regulation 3 inserts definitions of “business referendum” and “residential referendum” into regulation 2 (Interpretation) of the Referendums Regulations.

Regulation 4 amends regulation 4 (Information to be made available in relation to referendums) of the Referendums Regulations. In particular it provides that information must be published in connection with a referendum and a business referendum in a designated business area not fewer than 56 days before the date it is held.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Regulation 5 amends regulation 6 (General restriction on referendum expenses) of the Referendums Regulations by modifying the formula for referendum expenses where there is a business referendum.

Regulation 6 amends regulation 8 (Conduct of referendum: poll at referendum not take together with poll at relevant election or referendum), 11 (Cross-boundary referendum areas and the Chief Counting Officer) and 12 (Combination of polls: conduct of referendum) of the Referendums Regulations so that a business referendum cannot be combined with any other election or referendum (including the residential neighbourhood planning referendum (“corresponding residential referendum”)).

Regulation 7 inserts regulation 17 (Business referendums) and Schedules 6, 7 and 8 into the Referendums Regulations. Regulation 17 provides in particular that a business referendum must be held on the same day as the corresponding residential referendum.

Regulation 8 amends Schedule 3 of the Referendums Regulations to correct an error in those Regulations and to make the correct provision for the mode by which a legal challenge may be brought in relation to a referendum held under paragraph 14 of Schedule 4B to the 1990 Act.

Schedule 6 sets out the rules for the business voting register. In particular the Schedule makes provision for obtaining data from the business rates records held by local authorities, sending out invitations to register, compilation, publication and supply of the business voting register, alteration of the business voting register and appeals.

Schedule 7 sets out the rules which apply to the conduct of business referendums. These rules are based closely on the rules for conduct of referendums set out in Schedule 3 to the Referendums Regulations.

Schedule 8 sets out the election legislation which is to apply to business referendums, and how that legislation is modified, namely the Representation of the People Act 1983⁽⁶⁰⁾, Representation of the People Act 2000⁽⁶¹⁾, Political Parties, Elections and Referendums Act 2000⁽⁶²⁾ and the Electoral Administration Act 2006⁽⁶³⁾.
