CHAPTER 3

EFFECT OF TRANSITION TO UNIVERSAL CREDIT

Modification of Claims and Payments Regulations in relation to universal credit claimants

15.—(1) Where a claim for universal credit is made by a person who was previously entitled to an existing benefit, regulation 26 of the Claims and Payments Regulations (time within which a claim for universal credit is to be made) applies in relation to that claim with the modification specified in paragraph (2).

(2) In paragraph (3) of regulation 26, after sub-paragraph (a) insert—

“(aa) the claimant was previously in receipt of an existing benefit (as defined in the Universal Credit (Transitional Provisions) Regulations 2014) and notification of expiry of entitlement to that benefit was not sent to the claimant before the date that the claimant's entitlement expired;”.

Persons unable to act

16.—(1) Paragraph (2) applies where—

- (a) a person (“P2”) has been appointed, or treated as appointed, under regulation 33(1) of the Social Security (Claims and Payments) Regulations 1987 ^{M34} (“the 1987 Regulations”) (persons unable to act) to exercise rights and to receive and deal with sums payable on behalf of a person who is unable to act (“P1”); or
- (b) a person (“P2”) has been appointed under regulation 18(3) of the Tax Credits (Claims and Notifications) Regulations 2002 (“the 2002 Regulations”) (circumstances where one person may act for another in making a claim – other appointed persons) to act for a person who is unable to act (“P1”) in making a claim for a tax credit.

(2) Where this paragraph applies and P1 is, or may be, entitled to universal credit, the Secretary of State may, if P2 agrees, treat the appointment of P2 as if it were made under regulation 57(1) of the Claims and Payments Regulations (persons unable to act) and P2 may carry out the functions set out in regulation 57(4) of those Regulations in relation to P1.

(3) Paragraph (4) applies where a person (“P2”) was appointed, or treated as appointed, under regulation 57(1) of the Claims and Payments Regulations to carry out functions in relation to a person who is unable to act (“P1”) and who was, or might have been, entitled to universal credit, but who has ceased to be so entitled, or was not in fact so entitled.

(4) Where this paragraph applies—

- (a) the Secretary of State may, if P2 agrees, treat the appointment of P2 as if it were made under regulation 33(1) of the 1987 Regulations and P2 may exercise rights and receive and deal with sums payable in respect of existing benefits on behalf of P1; and
- (b) the Board (within the meaning of the 2002 Regulations) may, if P2 agrees, treat the appointment of P2 as if it were made under regulation 18(3) of the 2002 Regulations and P2 may act for P1 in making a claim for a tax credit.

Advance payments of universal credit

17.—(1) This regulation applies where—

- (a) the Secretary of State is deciding a claim for universal credit, other than a claim which is treated as having been made, in accordance with regulation 9(8) of the Claims and Payments Regulations;
- (b) the claimant is, or was previously, entitled to an existing benefit (“the earlier award”); and
- (c) if the earlier award terminated before the date on which the claim for universal credit was made, the claim for universal credit was made during the period of one month starting with the date of termination.

(2) Where this regulation applies—

- (a) a single claimant may request an advance payment of universal credit;
- (b) joint claimants may jointly request such a payment,

at any time during the first assessment period for universal credit.

(3) Where a request has been made in accordance with this regulation, the Secretary of State may make an advance payment to the claimant, or joint claimants, of such amount in respect of universal credit as the Secretary of State considers appropriate.

(4) After an advance payment has been made under this regulation, payments of any award of universal credit to the claimant or, in the case of joint claimants, to either or both of them, may be reduced until the amount of the advance payment is repaid.

Deductions from benefits

18.—(1) This regulation applies where—

- (a) an award of universal credit is made to a claimant who—

- (b) on the relevant date, deductions in respect of fuel costs or water charges were being made under regulation 35 of the Social Security (Claims and Payments) Regulations 1987, in accordance with Schedule 9 to those Regulations ^{M35}.

(2) In this regulation, the “relevant date” means—

- (a) where paragraph (1)(a)(i) applies and the claimant is not a new claimant partner, the date on which the claim for universal credit was made;
- (b) where paragraph (1)(a)(i) applies and the claimant is a new claimant partner, the date on which the claim for universal credit was treated as made;
- (c) where paragraph (1)(a)(ii) or (iii) applies, the date on which the claimant ceased to be the partner of P.

(3) Where this regulation applies, deductions in respect of fuel costs or, as the case may be, water charges, may be made from the award of universal credit in accordance with Schedule 6 to the Claims and Payments Regulations, without the need for any consent which would otherwise be required under paragraph 3(3) of that Schedule.

(4) For the purposes of this regulation, a deduction is to be taken into account even if the relevant award subsequently terminated by virtue of an order made under section 150(3) of the Act, regulation 7 or, as the case may be, regulation 8, before the date on which the deduction was first applied.

(6) For the purposes of this regulation, a determination that the claimant [^{F64}had limited capability for work or, as the case may be, limited capability for work-related activity (within the meaning of Part 1 of the 2007 Act)], is to be taken into account even if the award of old style ESA subsequently terminated (in so far as it was an award of income-related employment and support allowance) before the date on which that determination was made, by virtue of an order made under section 150(3) of the Act.

(7) Where a claimant is treated, by virtue of this regulation, as having limited capability for work or, as the case may be, limited capability for work and work-related activity, the Secretary of State may at any time make a fresh determination as to these matters, in accordance with the Universal Credit Regulations.

Sanctions: transition from old style ESA

- 30.—(1) This regulation applies where—
- (a) an award of universal credit is made to a claimant who was previously entitled to old style ESA (“the ESA award”); and
 - (b) on the relevant date, payments in respect of the ESA award were reduced under regulation 63 of the Employment and Support Allowance Regulations 2008^{M54} (“the 2008 Regulations”).
- (2) In this regulation, the “relevant date” means—
- (a) where the claimant was not entitled to old style ESA on the date on which the claim for universal credit was made or treated as made, the date on which the ESA award terminated;
 - (b) where the claimant is not a new claimant partner and was entitled to old style ESA on the date on which the claim for universal credit was made, that date;
 - (c) where the claimant is a new claimant partner and was entitled to old style ESA on the date on which the claim for universal credit was treated as made, that date.
- (3) Where this regulation applies—
- (a) the failure which led to reduction of the ESA award (“the ESA failure”) is to be treated, for the purposes of the Universal Credit Regulations, as a failure which is sanctionable under section 27 of the Act;
 - (b) the award of universal credit is to be reduced in relation to the ESA failure, in accordance with the provisions of this regulation and Chapter 2 of Part 8 of the Universal Credit Regulations (sanctions), as modified by this regulation; and
 - (c) the reduction is to be treated, for the purposes of the Universal Credit Regulations, as a reduction under section 27 of the Act.
- (4) The reduction period for the purposes of the Universal Credit Regulations^{M55} is a period of the number of days which is equivalent to the length of the fixed period applicable to the person under regulation 63(7) of the 2008 Regulations in relation to the ESA failure, minus—
- (a) the number of days (if any) in that period in respect of which the amount of old style ESA was reduced; and
 - (b) if the ESA award terminated before the first date of entitlement to universal credit in connection with the current award, the number of days (if any) in the period after termination of that award, before the start of the universal credit award.
- (5) Accordingly, regulation 101 of the Universal Credit Regulations (general principles for calculating reduction periods) applies in relation to the ESA failure as if, in paragraphs (1) and (3), for “in accordance with regulations 102 to 105”, there were substituted “ in accordance with regulation 30 of the Universal Credit (Transitional Provisions) Regulations 2014 ”.
- (6) For the purposes of this regulation, a determination that payments in respect of the ESA award are to be reduced under regulation 63 of the 2008 Regulations is to be taken into account even if the ESA award subsequently terminated (in so far as it was an award of income-related employment and support allowance) on a date before the date on which that determination was made, by virtue of an order made under section 150(3) of the Act.

Escalation of sanctions: transition from old style ESA

31.—(1) This regulation applies where an award of universal credit is made to a claimant who was at any time previously entitled to old style ESA.

(2) Where this regulation applies, for the purposes of determining the reduction period under regulation 104 of the Universal Credit Regulations (low-level sanction) in relation to a sanctionable failure by the claimant, other than a failure which is treated as sanctionable by virtue of regulation 30—

- (a) a reduction of universal credit in accordance with regulation 30; and
- (b) any reduction of old style ESA under the Employment and Support Allowance Regulations 2008 (“the 2008 Regulations”) which did not result in a reduction under regulation 30,

is, subject to paragraph (3), to be treated as arising from a sanctionable failure for which the reduction period which applies is the number of days which is equivalent to the length of the fixed period which applied under regulation 63 of the 2008 Regulations.

(3) In determining a reduction period under regulation 104 of the Universal Credit Regulations in accordance with paragraph (2), no account is to be taken of—

- (a) a reduction of universal credit in accordance with regulation 30 if, at any time after that reduction, the claimant was entitled to an existing benefit;
- (b) a reduction of old style ESA under the 2008 Regulations if, at any time after that reduction, the claimant was entitled to universal credit, new style ESA or new style JSA, and was subsequently entitled to an existing benefit.

Sanctions: transition from old style JSA

32.—(1) This regulation applies where—

- (a) an award of universal credit is made to a claimant who was previously entitled to old style JSA (“the JSA award”);
- (b) on the relevant date, payments in respect of the JSA award were reduced under section 19 (as it applied either before or after substitution by the Act ^{M56}) or section 19A of the Jobseekers Act 1995 (“the 1995 Act”), or under regulation 69B of the Jobseeker’s Allowance Regulations 1996 ^{M57} (“the 1996 Regulations”); and
- (c) if the JSA award was made to a joint-claim couple within the meaning of the 1995 Act and the reduction related to—
 - (i) in the case of a reduction under section 19 as it applied before substitution by the Act, circumstances relating to only one member of the couple; or,
 - (ii) in the case of a reduction under section 19 as it applied after substitution by the Act, a sanctionable failure by only one member of the couple,
 the award of universal credit was made to that person.

(2) In this regulation, the “relevant date” means—

- (a) where the claimant was not entitled to old style JSA on the date on which the claim for universal credit was made or treated as made, the date on which the JSA award terminated;
- (b) where the claimant is not a new claimant partner and was entitled to old style JSA on the date on which the claim for universal credit was made, that date;
- (c) where the claimant is a new claimant partner and was entitled to old style JSA on the date on which the claim for universal credit was treated as made, that date.

(3) Where this regulation applies—

- (a) the circumstances or failure which led to reduction of the JSA award (in either case, “the JSA failure”) is to be treated, for the purposes of the Universal Credit Regulations, as—
- (i) a failure which is sanctionable under section 26 of the Act, where the reduction was under section 19 of the 1995 Act; or
 - (ii) a failure which is sanctionable under section 27 of the Act, where the reduction was under section 19A of the 1995 Act or regulation 69B of the 1996 Regulations;
- (b) the award of universal credit is to be reduced in relation to the JSA failure, in accordance with the provisions of this regulation and Chapter 2 of Part 8 of the Universal Credit Regulations (sanctions), as modified by this regulation; and
- (c) the reduction is to be treated, for the purposes of the Universal Credit Regulations, as a reduction under section 26 or, as the case may be, section 27 of the Act.
- (4) The reduction period for the purposes of the Universal Credit Regulations is a period of the number of days which is equivalent to the length of the period of reduction which is applicable to the person under regulation 69, 69A or 69B of the 1996 Regulations, minus—
- (a) the number of days (if any) in that period in respect of which the amount of old style JSA was reduced; and
 - (b) if the award of old style JSA terminated before the first date of entitlement to universal credit in connection with the current award, the number of days (if any) in the period after termination of that award, before the start of the universal credit award.
- (5) Accordingly, regulation 101 of the Universal Credit Regulations applies in relation to the JSA failure as if, in paragraphs (1) and (3), for “in accordance with regulations 102 to 105”, there were substituted “in accordance with regulation 32 of the Universal Credit (Transitional Provisions) Regulations 2014 ”.
- (6) Where the JSA award was made to a joint-claim couple within the meaning of the 1995 Act and the JSA failure related to only one member of the couple, the daily reduction rate for the purposes of the Universal Credit Regulations^{M58} is the amount calculated in accordance with regulation 70(3) of the 1996 Regulations^{M59} in respect of the JSA award, divided by seven and rounded down to the nearest 10 pence, unless regulation 111(2) or (3) of the Universal Credit Regulations (daily reduction rate) applies.
- (7) Where the daily reduction rate is to be determined in accordance with paragraph (6), regulation 111(1) of the Universal Credit Regulations applies in relation to the JSA failure as if, for the words from “an amount equal to” to the end there were substituted the words “ an amount determined in accordance with regulation 32 of the Universal Credit (Transitional Provisions) Regulations 2014 ”.
- (8) For the purposes of this regulation, a determination that payments in respect of the JSA award are to be reduced under regulation 69, 69A or 69B of the 1996 Regulations is to be taken into account even if the JSA award subsequently terminated (in so far as it was an award of income-based jobseeker's allowance) on a date before the date on which that determination was made, by virtue of an order made under section 150(3) of the Act.

- (b) a reduction of old style JSA under section 19 or 19A of the 1995 Act, or under regulation 69B of the 1996 Regulations if, at any time after that reduction, the claimant was entitled to universal credit, new style ESA or new style JSA, and was subsequently entitled to an existing benefit.

Sanctions: temporary return to certain existing benefits

34. If an award of universal credit terminates while there is an outstanding reduction period (within the meaning of regulation 107 of the Universal Credit Regulations) and the claimant becomes entitled to old style JSA, old style ESA or income support (“the relevant benefit”) during that period—

- (a) regulation 107 of the Universal Credit Regulations (reduction period to continue where award terminates) ceases to apply; and

 - (iii) where the claimant is a new claimant partner and was entitled to the earlier award on the date on which the claim for universal credit was treated as made, that date;
 - (iv) where the offender's family member was entitled to the earlier award, the date on which that person ceased to be the offender's family member or, if earlier, the date on which the earlier award terminated.

(8) For the purposes of this regulation, the fact that payments in respect of an earlier award were subject to a restriction is to be taken into account, even if the earlier award subsequently terminated before the date on which payments became subject to a restriction by virtue of an order made under section 150(3) of the Act (in so far as it was an award of income-based jobseeker's allowance or income-related employment and support allowance), regulation 7 or, as the case may be, regulation 8.

Loss of benefit penalties: reduction of universal credit

36.—(1) Subject to paragraph (6) [^{F98}and to regulation 38] , where regulation 35 applies, the amount of a reduction of universal credit in respect of an assessment period is to be calculated by multiplying the daily reduction rate by the number of days in the assessment period, unless paragraph (2) applies.

(2) Where the disqualification period ends during an assessment period, the amount of the reduction for that assessment period is (subject to paragraph (6)) to be calculated by multiplying the daily reduction rate by the number of days in the assessment period which are within the disqualification period.

(3) Subject to paragraphs (4) and (5), the daily reduction rate where regulation 35 applies is an amount which is equal to—

- (a) the monetary amount by which payments in respect of the earlier award were reduced in accordance with section 6B or 7 of the 2001 Act or, as the case may be, regulation 3, 3ZA^{M67} or 17 of the 2001 Regulations in respect of the last complete week before the relevant date (within the meaning of regulation 35);

(4) Where the monetary amount by which payments in respect of the earlier award would have been reduced would, if the claimant had remained entitled to the earlier award, have changed during the disqualification period because of an order made under section 150 of the Social Security Administration Act 1992 (annual up-rating of benefits)—

- (a) the daily reduction rate is to be calculated in accordance with paragraph (3), but on the basis of the new amount by which payments would have been reduced; and
- (b) any adjustment to the reduction of universal credit is to take effect from the first day of the first assessment period to start after the date of the change.

(5) Where the earlier award was a joint-claim jobseeker's allowance, the daily reduction rate is an amount which is equal to—

- (a) the amount of the standard allowance ^{M68} applicable to the joint claimants under regulation 36 of the Universal Credit Regulations (table showing amounts of elements);
- (b) multiplied by 12;
- (c) divided by 365;
- (d) reduced by 60%; and
- (e) rounded down to the nearest 10 pence.

(6) The amount of the reduction under this regulation in respect of any assessment period is not to exceed the amount of the standard allowance which is applicable to the claimant in respect of that period.

The Migration Process

Migration notice

44.—(1) The Secretary of State may, at any time, issue a notice (“a migration notice”) to a person who is entitled to an award of an existing benefit—

- (a) informing the person that all awards of any existing benefits to which they are entitled are to terminate and that they will need to make a claim for universal credit; and
- (b) specifying a day (“the deadline day”) by which a claim for universal credit must be made.

(2) The migration notice may contain such other information as the Secretary of State considers appropriate.

(3) The deadline day must not be within the period of three months beginning with the day on which the migration notice is issued.

(4) If the person who is entitled to an award of an existing benefit is, for the purposes of that award, a member of a couple or a member of a polygamous marriage, the Secretary of State must also issue the migration notice to the other member (or members).

(5) The Secretary of State may cancel a migration notice issued to any person—

- (a) if it has been issued in error;
- (b) if the Secretary of State has made a determination in accordance with regulation 4 (discretion to determine that claims for universal credit may not be made) that would affect a claim by that person; or
- (c) in any other circumstances where the Secretary State considers it necessary to do so in the interests of the person, or any class of person, or to safeguard the efficient administration of universal credit.

(6) A “notified person” is a person to whom a migration notice has been issued.

Extension of the deadline day

45.—(1) The Secretary of State may determine that the deadline day should be changed to a later day either—

- (a) on the Secretary of State’s own initiative; or
- (b) if a notified person requests such a change before the deadline day,

where there is a good reason to do so.

(2) The Secretary of State must inform the notified person or persons of the new deadline day.

Termination of existing benefits if no claim before the deadline

46.—(1) Where a notified person has not made a claim for universal credit on or before the deadline day, all awards of any existing benefits to which the person is entitled terminate—

- (a) in the case of housing benefit, on the last day of the period of two weeks beginning with the deadline day; and
- (b) in the case of any other existing benefit, on the day before the deadline day.

(2) An award of housing benefit to which a claimant is entitled in respect of specified accommodation or temporary accommodation does not terminate by virtue of this regulation.

(3) Where paragraph (1) applies and the notified person makes a claim for universal credit—

- (a) after the deadline day; and
- (b) on or before the final deadline specified in paragraph (4),

then, notwithstanding anything in regulation 26 of the Claims and Payments Regulations (time within which a claim for universal credit is to be made) as modified by regulation 15 of these Regulations, the award is to commence on the deadline day.

(4) The final deadline is the day that would be the last day of the first assessment period in relation to an award commencing on the deadline day.

(5) This regulation is subject to regulation 47.

Notified persons who claim as a different benefit unit

47.—(1) This regulation applies where—

- (a) notified persons who were a couple for the purposes of an award of an existing benefit when the migration notice was issued are single persons or members of a different couple for the purposes of a claim for universal credit; or
- (b) notified persons who were members of a polygamous marriage for the purposes of an award of an existing benefit when the migration notice was issued are a couple or single persons for the purposes of a claim for universal credit.

(2) If any of those notified persons makes a claim for universal credit on or before the deadline day then, notwithstanding anything in regulation 8 (termination of awards of certain existing benefits: other claimants), all awards of any existing benefits to which any of those persons is entitled terminate—

- (a) in the case of housing benefit, on the last day of the period of two weeks beginning with the earliest day on which any of those persons is entitled to universal credit in connection with a claim (or, in a case where the person is not entitled to universal credit, on the day they would have been entitled if all the basic and financial conditions had been met); or
- (b) in the case of any other existing benefit, on the day before the “earliest day” referred to in sub-paragraph (a).

(3) If, where paragraph (2) applies—

- (a) a notified person makes a claim for universal credit—
 - (i) on or before the deadline day, or
 - (ii) after the deadline day, but on or before the “final deadline” referred to in regulation 46(4); and
- (b) there would otherwise be a gap between the termination of existing benefits and the commencement of the award,

the award is to commence on the “earliest day” referred to in paragraph (2)(a).

(4) If none of those notified persons makes a claim for universal credit on or before the deadline day, all awards of any existing benefits to which any of them is entitled terminate in accordance with regulation 46(1), and regulation 46(3) applies in relation to any subsequent claim by any of those persons.

(5) An award of housing benefit to which a claimant is entitled in respect of specified accommodation or temporary accommodation does not terminate by virtue of this regulation.

Transitional Protection

Meaning of “qualifying claim”

48. A “qualifying claim” is a claim for universal credit by a single claimant who is a notified person or by joint claimants, both of whom are notified persons, where the claim is made on or before the final deadline (see regulation 46(4)).

Status: Point in time view as at 31/10/2019.

Changes to legislation: The Universal Credit (Transitional Provisions) Regulations 2014 is up to date with all changes known to be in force on or before 30 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

Meaning of “migration day”

49. “Migration day”, in relation to a qualifying claim, means the day before the first day on which the claimant is entitled to universal credit in connection with that claim.

Secretary of State to determine whether transitional protection applies

50.—(1) Before making a decision on a qualifying claim the Secretary of State must first determine whether—

- (a) a transitional capital disregard is to apply; or
- (b) a transitional element is to be included,

(or both) in the calculation of the award.

(2) But the Secretary of State is not to determine whether a transitional element is to be included in a case where regulation 47 (notified persons who claim as a different benefit unit) applies.

The transitional capital disregard

51.—(1) A transitional capital disregard is to apply where, on the migration day, the claimant—

- (a) is entitled to an award of a tax credit; and
- (b) has capital exceeding £16,000.

(2) Where a transitional capital disregard applies, any capital exceeding £16,000 is to be disregarded for the purposes of—

- (a) determining whether the financial condition in section 5(1)(a) or 5(2)(a) of the Act (capital limit) is met; and
- (b) calculating the amount of an award of universal credit (including the indicative UC amount).

(3) Where a transitional capital disregard has been applied in the calculation of an award of universal credit but, in any assessment period, the claimant no longer has (or joint claimants no longer have) capital exceeding £16,000, the transitional capital disregard is not to apply in any subsequent assessment period.

(4) A transitional capital disregard is not to apply for more than 12 assessment periods.

The transitional element

52.—(1) A transitional element is to be included in the calculation of an award if the total amount of any awards of existing benefits determined in accordance with regulation 53 (“the total legacy amount”) is greater than the amount of an award of universal credit determined in accordance with regulation 54 (“the indicative UC amount”).

(2) Where a transitional element is to be included in the calculation of an award, the amount of that element is to be treated, for the purposes of section 8 of the Act (calculation of awards), as if it were an additional amount to be included in the maximum amount under section 8(2) before the deduction of income under section 8(3).

The transitional element - total legacy amount

53.—(1) The total legacy amount is the sum of the representative monthly rates of all awards of any existing benefits to which a claimant is, or joint claimants are, entitled on the migration day.

Tax credits

(2) To calculate the representative monthly rate of an award of working tax credit or child tax credit—

- (a) take the figure for the daily rate of the award on the migration day provided by HMRC and calculated on the basis of the information as to the claimant's circumstances held by HMRC on that day; and
 - (b) convert to a monthly figure by multiplying by 365 and dividing by 12.
- (3) For the purposes of paragraph (2)(a) "the daily rate" is—
- (a) in a case where section 13(1) of the 2002 Act applies (relevant income does not exceed the income threshold or the claimant is entitled to a prescribed social security benefit), the maximum rate of each element to which the claimant is entitled on the migration day divided by 365; and
 - (b) in any other case, the rate that would be produced by applying regulations 6 to 9 of the Tax Credits (Income Thresholds and Determination of Rates) Regulations 2002 as if the migration day were a relevant period of one day.

IS, JSA(IB) and ESA(IR)

(4) To calculate the representative monthly rate of an award of income support, income-based jobseeker's allowance or income-related employment and support allowance—

- (a) take the weekly rate on the migration day calculated in accordance with—
 - (i) in the case of income support, Part 7 of the Social Security Contributions and Benefits Act 1992 and the Income Support (General) Regulations 1987,
 - (ii) in the case of income-based jobseeker's allowance, Part 1 of the Jobseekers Act 1995 and the Jobseeker's Allowance Regulations 1996, or
 - (iii) in the case of income-related employment and support allowance, Part 1 of the 2007 Act, the Employment and Support Allowance Regulations 2008 and the Employment and Support Allowance (Transitional Provisions, Housing Benefit and Council Tax Benefit) (Existing Awards) (No.2) Regulations 2010,on the basis of the information held by the Secretary of State on that day; and
 - (b) convert to a monthly figure by multiplying by 52 and dividing by 12.
- (5) The amount of an award of income-related employment and support allowance or income-based jobseeker's allowance is to be calculated before any reduction for a sanction.

(6) Where—

- (a) a claimant who is entitled to income-based jobseeker's allowance is also entitled to contribution-based jobseeker's allowance; or
- (b) a claimant who is entitled to income-related employment and support allowance is also entitled to a contributory allowance,

then, notwithstanding section 4(8) to (11) of the Jobseekers Act 1995 and section 6(3) to (7) of the 2007 Act (excess over the contributory allowance to be treated as attributable to the income-based, or income-related, allowance) the weekly rate in paragraph (4) is to be calculated as the applicable amount less the claimant's income (if any).

Housing benefit

(7) To calculate the representative monthly rate of an award of housing benefit—

- (a) take the weekly rate on the migration day calculated in accordance with Part 7 of the Social Security Contributions and Benefits Act 1992 and the Housing Benefit Regulations 2006, on the basis of the information held by the Secretary of State on that day, and convert to a monthly figure by multiplying by 52 and dividing by 12; or

Status: Point in time view as at 31/10/2019.

Changes to legislation: The Universal Credit (Transitional Provisions) Regulations 2014 is up to date with all changes known to be in force on or before 30 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) in a case where the claimant has rent free periods, calculate the annual rate by multiplying the weekly rate (as above) by the number of weeks in the year in respect of which the claimant is liable to pay rent, and convert to a monthly figure by dividing by 12.

(8) For the purposes of paragraph (7), if the migration day falls in a rent free period, the weekly rate of housing benefit is to be calculated by reference to the amount of rent for the last complete week that was not a rent free period.

(9) In paragraphs (7) and (8) “rent free period” has the meaning in regulation 81 of the Housing Benefit Regulations 2006.

(10) In a case where regulation 8(3) (continuation of housing benefit in respect of specified accommodation or temporary accommodation) applies, no amount is to be included in the total legacy amount in respect of housing benefit.

The benefit cap

(11) Where—

- (a) the existing benefits do not include an award of housing benefit, or they include an award of housing benefit that has been reduced to the minimum amount by virtue of Part 8A of the Housing Benefit Regulations 2006 (the benefit cap);
- (b) Part 7 of the Universal Credit Regulations (the benefit cap) applies in the calculation of the indicative UC amount; and
- (c) the claimant’s total entitlement to welfare benefits (as defined in section 96(10) of the Act) on the migration day is greater than the relevant amount,

the total legacy amount is reduced by the excess (minus the amount for childcare costs referred to regulation 54(2)(b) where applicable) over the relevant amount.

(12) For the purposes of paragraph (11)—

- (a) the amount of each welfare benefit is the monthly equivalent calculated in the manner set out in regulation 73 (unearned income calculated monthly) of the Universal Credit Regulations; and
- (b) the “relevant amount” is the amount referred to in regulation 80A of those Regulations which is applicable to the claimant.

The transitional element - indicative UC amount

54.—(1) The indicative UC amount is the amount to which a claimant would be entitled if an award of universal credit were calculated in accordance with section 8 of the Act by reference to the claimant’s circumstances on the migration day, applying the assumptions in paragraph (2).

(2) The assumptions are—

- (a) if the claimant is entitled to an award of child tax credit, the claimant is responsible for any child or qualifying young person in respect of whom the individual element of child tax credit is payable;
- (b) if the claimant is entitled to an award of working tax credit that includes the childcare element, the indicative UC amount includes the childcare costs element and, for the purposes of calculating the amount of that element, the amount of the childcare costs is equal to the relevant weekly childcare charges included in the calculation of the daily rate referred to in regulation 53(2), converted to a monthly amount by multiplying by 52 and dividing by 12;
- (c) the amount of the claimant’s earned income is—
 - (i) if the claimant is entitled to an award of a tax credit, the annual amount of any employment income or trading income, as defined by regulation 4 or 6 respectively

of the Tax Credits (Definition and Calculation of Income) Regulations 2002, by reference to which the representative monthly rate of that tax credit is calculated for the purposes of regulation 53(2) converted to a net monthly amount by—

- (aa) dividing by 12, and
 - (bb) deducting such amount for income tax and national insurance contributions as the Secretary of State considers appropriate,
- (ii) if paragraph (i) does not apply and the claimant is entitled to an award of income support, income-based jobseeker's allowance or income-related employment and support allowance, the amount of earnings by reference to which the representative monthly rate of that benefit was calculated for the purposes of regulation 53(4) to (6) (including nil if none were taken into account) converted to a monthly amount by multiplying by 52 and dividing by 12, or
 - (iii) if paragraphs (i) and (ii) do not apply, but the claimant had an award of housing benefit, the amount of earnings by reference to which the representative monthly rate of that benefit was calculated for the purposes of regulation 53(7) to (10) (including nil if none were taken into account) converted to a monthly amount by multiplying by 52 and dividing by 12.

(3) If the claimant would not meet the financial condition in section 5(1)(b) of the Act (or, in the case of joint claimants, they would not meet the condition in section 5(2)(b) of the Act) the claimant is to be treated, for the purposes of calculating the indicative UC amount, as if they were entitled to an award of universal credit of a nil amount.

(4) If a transitional capital disregard is to apply, the claimant is to be treated as having met the financial condition in section 5(1)(a) or 5(2)(a) of the Act (capital limit).

(5) The indicative UC amount is to be calculated after any reduction under Part 7 of the Universal Credit Regulations (the benefit cap) but before any reduction under section 26 (higher-level sanctions) or 27 (other sanctions) of the Act.

(6) But there is to be no reduction for the benefit cap under that Part where the amount of the claimant's earned income (or, in the case of a couple their combined earned income) on the migration day, calculated in accordance with paragraph (2)(c), is equal to or exceeds the amount specified in paragraph (1)(a) of regulation 82 (exceptions – earnings) of the Universal Credit Regulations.

(7) The calculation of the indicative UC amount is to be based on the information that is used for the purposes of calculating the total legacy amount, supplemented as necessary by such further information or evidence as the Secretary of State requires.

The transitional element – initial amount and adjustment where other elements increase

55.—(1) The initial amount of the transitional element is—

- (a) if the indicative UC amount is greater than nil, the amount by which the total legacy amount exceeds the indicative UC amount; or
 - (b) if the indicative UC amount is nil, the total legacy amount plus any amount by which the income which fell to be deducted in accordance with section 8(3) of the Act exceeded the maximum amount.
- (2) The amount of the transitional element to be included in the calculation of an award is—
- (a) for the first assessment period, the initial amount;
 - (b) for the second assessment period, the initial amount reduced by the sum of any relevant increases in that assessment period;

Status: Point in time view as at 31/10/2019.

Changes to legislation: The Universal Credit (Transitional Provisions) Regulations 2014 is up to date with all changes known to be in force on or before 30 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(c) for the third and each subsequent assessment period, the amount that was included for the previous assessment period reduced by the sum of any relevant increases (as in subparagraph (b)).

(3) If the amount of the transitional element is reduced to nil in any assessment period, a transitional element is not to apply in the calculation of the award for any subsequent assessment period.

(4) A “relevant increase” is an increase in any of the amounts that are included in the maximum amount under sections 9 to 12 of the Act (including any of those amounts that is included for the first time), apart from the childcare costs element.

Ending of transitional protection

Circumstances in which transitional protection ceases

56.—(1) A transitional capital disregard or a transitional element does not apply in any assessment period to which paragraph (2) or (4) applies, or in any subsequent assessment period.

Cessation of employment or sustained drop in earnings

(2) This paragraph applies to an assessment period if the following condition is met—

(a) in the case of a single claimant—

- (i) it is the assessment period after the third consecutive assessment period in which the claimant’s earned income is less than the amount specified in regulation 99(6)(a) of the Universal Credit Regulations (“the single administrative threshold”), and
- (ii) in the first assessment period of the award, the claimant’s earned income was equal to or more than that threshold; or

(b) in the case of joint claimants—

- (i) it is the assessment period after the third consecutive assessment period in which their combined earned income is less than the amount specified in regulation 99(6)(b) of the Universal Credit Regulations (“the couple administrative threshold”), and
- (ii) in the first assessment period of the award, their combined earned income was equal to or more than that threshold.

(3) For the purposes of paragraph (2) a claimant is to be treated as having earned income that is equal to or more than the single administrative threshold (or, as the case may be, the couple administrative threshold) in any assessment period in respect of which regulation 62 (minimum income floor) of the Universal Credit Regulations applies to that claimant or would apply but for regulation 62(5) of those Regulations (minimum income floor not to apply in a start-up period).

Couple separating or forming

(4) This paragraph applies to an assessment period in which—

- (a) joint claimants cease to be a couple or become members of a different couple; or
- (b) a single claimant becomes a member of a couple, unless it is a case where the person may, by virtue of regulation 3(3) of the Universal Credit Regulations (claimant with an ineligible partner), claim as a single person.

Application of transitional protection to a subsequent award

57.—(1) Where—

- (a) a transitional capital disregard is applied, or a transitional element is included, in the calculation of an award, and that award terminates; or

(b) the Secretary State determines (in accordance with regulation 50) that a transitional capital disregard is to apply, or a transitional element is to be included in the calculation of an award, but the decision on the qualifying claim is that there is no entitlement to an award, no transitional capital disregard is to apply and no transitional element is to be included in the calculation of any subsequent award unless paragraph (2) applies.

(2) This paragraph applies if—

(a) the reason for the previous award terminating or, as the case may be, there being no entitlement to an award, was that the claimant (or joint claimants) had earned income on account of which the financial condition in section 5(1)(b) or 5(2)(b) of the Act (income is such that the amount payable is at least 1p) was not met; and

(b) the claimant becomes entitled to an award within the period of three months beginning with—

(i) where paragraph (1)(a) applies, the last day of the month that would have been the final assessment period of the previous award (had it not terminated), or

(ii) where paragraph (1)(b) applies, the day that would have been the last day of the first assessment period had there been entitlement to an award.

(3) Where paragraph (2) applies in a case where a previous award has terminated, the new award is to be treated for the purposes of regulation 51 (transitional capital disregard), 55 (transitional element – initial amount and adjustment where other elements increase) and 56 (circumstances in which transitional protection ceases) as if it were a continuation of that award.

Miscellaneous

Qualifying claim – Secretary of State may set later commencement day

58. Where the Secretary of State decides a qualifying claim, and it is not a case where the award is to commence before the date of claim by virtue of regulation 46(3) or 47(4) (claim made by the final deadline) or regulation 26 of the Claims and Payments Regulations (time within which a claim for universal credit is to be made) as modified by regulation 15 of these Regulations, the Secretary of State may determine a day on which the award of universal credit is to commence that is after, but no more than one month after, the date of claim.

Minimum income floor not to apply for first 12 months

59. Where universal credit is awarded to a claimant who is a notified person, regulation 63 of the Universal Credit Regulations (start-up period) is to apply as if paragraph (1)(a) (requirement that the claimant has begun to carry on the trade, profession or vocation within the past 12 months) were omitted.

Protection for full-time students until course completed

60. Where a notified person does not meet the basic condition in section 4(1)(d) of the Act (not receiving education) on the day on which all awards of any existing benefit are to terminate as a consequence of a claim for universal credit because the person is undertaking a full-time course (see regulation 12(2) and 13 of the Universal Credit Regulations), that condition is not to apply in relation to the notified person while they are continuing to undertake that course.

Rounding

61. Regulation 6 of the Universal Credit Regulations (rounding) applies for the purposes of calculating any amount under this Part.

Status: Point in time view as at 31/10/2019.

Effect of revision, appeal etc. of an award of an existing benefit

62.—(1) Nothing in regulation 53 (total legacy amount) or 54 (indicative UC amount) requiring a calculation in relation to the transitional element to be made on the basis of information held on the migration day prevents the Secretary of State from revising or superseding a decision in relation to a claim for, or an award of, universal credit where—

- (a) in the opinion of the Secretary of State, the information held on that day was inaccurate or incomplete in some material respect because of—
 - (i) a misrepresentation by a claimant,
 - (ii) a failure to report information that a claimant was required to report where that failure was advantageous to the claimant, or
 - (iii) an official error; or
 - (b) a decision has been made on or after the migration day on—
 - (i) an application made before migration day to revise or supersede a decision in relation to an award of an existing benefit (including the report of a change of circumstances), or
 - (ii) an appeal in relation to such an application.
- (2) In this regulation “official error” means an error that—
- (a) was made by an officer of, or an employee of a body acting on behalf of, the Department for Work and Pensions, HMRC or a local authority that administers housing benefit; and
 - (b) was not caused, or materially contributed to, by any person outside that body or outside the Department, HMRC or local authority,

but excludes any error of law which is shown to have been such by a subsequent decision of the Upper Tribunal or of a court as defined in section 27(7) of the Social Security Act 1998.

Claimants previously entitled to a severe disability premium

63. Schedule 2 contains provision in respect of certain claimants who have been entitled to a benefit which included a severe disability premium.

Discretionary hardship payments

64. The Secretary of State may, in such circumstances and subject to such conditions as the Secretary of State considers appropriate, make payments to notified persons who appear to be in hardship as a result of the termination of an existing benefit in accordance with these Regulations or otherwise as a result of the provisions of this Part.]

Regulation 63

Claimants previously entitled to a severe disability premium: transitional payments

Textual Amendments

F106 Sch. 2 inserted (24.7.2019) by The Universal Credit (Managed Migration Pilot and Miscellaneous Amendments) Regulations 2019 (S.I. 2019/1152), regs. 1(2), **3(8)**

Determination by Secretary of State

1. Where it comes to the attention of the Secretary of State that—
 - (a) an award of universal credit has been made in respect of a claimant who, within the period of one month immediately preceding the first day on which the claimant became entitled to universal credit as a consequence of making a claim, was entitled to an award of income support, income-based jobseeker’s allowance or income-related employment and support allowance that included a severe disability premium;
 - (b) in a case where the award of income support, income-based jobseeker’s allowance or income-related employment and support allowance ended during that month, the claimant continued to satisfy the conditions for eligibility for a severe disability premium for the remainder of that month;
 - (c) the award of universal credit has not since terminated (whether by a claimant ceasing to meet the conditions of entitlement to universal credit or becoming, or ceasing to be, a member of a couple);
 - (d) the claimant has not (or, in the case of joint claimants, neither of them has) ceased to be entitled to the care component, the daily living component, armed forces independence payment or attendance allowance (all of which have the same meaning as in paragraph 6 of Schedule 4 to the Employment and Support Allowance Regulations 2008); and
 - (e) no person has become a carer for—
 - (i) in the case of a single claimant, the claimant, or
 - (ii) in the case of joint claimants—
 - (aa) if a severe disability premium was payable at the higher rate, both of them, or
 - (bb) if a severe disability premium was payable at the lower rate, the claimant who was the qualifying partner,

the Secretary of State must determine an additional amount of universal credit (“the transitional SDP amount”) which is to be payable in respect of each assessment period that precedes that determination and then for each subsequent assessment period that begins before the conversion day.

2. The transitional SDP amount, calculated by reference to the date of the determination, is—
 - (a) in the case of a single claimant—
 - (i) £120, if the LCWRA element is included in the award, or

Status: Point in time view as at 31/10/2019.

Changes to legislation: The Universal Credit (Transitional Provisions) Regulations 2014 is up to date with all changes known to be in force on or before 30 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (ii) £285, if the LCWRA element is not included in the award;
- (b) in the case of joint claimants—
 - (i) £405, if the higher SDP rate was payable and no person has since become a carer for either of them,
 - (ii) £120, if paragraph (i) does not apply and the LCWRA element is included in the award in respect of either of them, or
 - (iii) £285, if paragraph (i) does not apply and the LCWRA element is not included in the award in respect of either of them.
- 3. The Secretary of State must decide the manner in which the transitional SDP amount is to be paid, which may include payment of a lump sum covering all assessment periods preceding the determination under paragraph 1 and monthly payments thereafter.
- 4. If the LCWRA element is not included in the award at the time of the determination under paragraph 1, but is included in a later assessment period (and paragraph 2(b)(i) does not apply), the amount for that assessment period, and each subsequent assessment period beginning before the conversion day, is to be £120 (and the Secretary of State must make a further determination).
Conversion to a transitional element
- 5. In the first assessment period that begins on or after the conversion day, the calculation of the award is to include the amount of the transitional SDP payment as if it were the initial amount of a transitional element calculated under regulation 55(1).
- 6. In respect of each subsequent assessment period, the award is to be treated, for the purposes of regulation 55(2) (adjustment where other elements increase), regulation 56 (circumstances in which transitional protection ceases) and regulation 57 (application of transitional protection to a subsequent award), as if the transitional SDP payment had been converted into a transitional element.
Capital disregard
- 7. Any amount paid as a lump sum as a consequence of a determination under this Schedule is to be disregarded in the calculation of capital for 12 months from the date of that payment or, if longer, the remainder of the award.

Interpretation

- 8. In this Schedule—
 - “the conversion day” is a day determined by the Secretary of State having regard to the efficient administration of universal credit;
 - “LCWRA element” has the meaning in the Universal Credit Regulations;
 - “the lower SDP rate” and “the higher SDP rate” are the rates specified in sub-paragraph (i) and (ii) respectively of paragraph 11(2)(b) of Schedule 4 to the Employment and Support Allowance Regulations 2008 or, as the case may be, the corresponding rates of a severe disability premium in relation to income support or income-based jobseeker’s allowance;
 - “the qualifying partner”, in relation to a couple in respect of whom the lower SDP rate was payable, is the partner who had no carer or, as the case may be, had not been a patient for a period exceeding 28 days,

and references to a person being a carer for another person are to the person being entitled to, and in receipt of, a carer’s allowance or having an award of universal credit which includes the carer element in respect of caring for that other person.]

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision for the second phase of the replacement of certain “existing benefits” by universal credit, a new benefit established by the Welfare Reform Act 2012 (c.5). The existing benefits are income-based jobseeker’s allowance, income-related employment and support allowance, income support, housing benefit, working tax credit and child tax credit. The Regulations revoke the Universal Credit (Transitional Provisions) Regulations 2013 (S.I. 2013/386), which related to the first phase of implementation of the change. They replace Part 3 of those Regulations, which dealt with the effect of transition to universal credit. It is intended that Part 2 of those Regulations, which dealt with entitlement to claim universal credit, will be replaced with provision made by order under section 150 of the Welfare Reform Act 2012.

Regulation 3 provides for revocation of the Universal Credit (Transitional Provisions) Regulations 2013, subject to certain savings. These concern claimants who claimed universal credit before the date on which these Regulations come into force.

Part 2 of the Regulations makes provision about claimants who move from existing benefits to universal credit and, in particular, about how matters which are relevant to the award of an existing benefit are to have effect in relation to an award of universal credit.

Regulation 4 provides a discretion for the Secretary of State temporarily to exclude claims in any area, or in any category of case, if he considers that this is necessary in order to safeguard the efficient administration of universal credit, or to ensure the effective testing of administrative systems.

Regulation 5 prevents a claimant who is entitled to universal credit from also being entitled to income support, housing benefit, tax credits or state pension credit (subject to limited exceptions). Provision to similar effect is made in relation to “old style JSA” and “old style ESA” by virtue of Commencement Orders made under section 150(3) of the Act, which bring into force repeals of the legislation relating to those benefits. In these Regulations, references to “old style JSA” and “old style ESA” are to the versions of jobseeker’s allowance and employment and support allowance which include an income-based, or income-related, allowance.

Universal credit claimants are excluded from claiming income support, housing benefit or tax credits by regulation 6, except in certain cases where notice of intention to claim has previously been given, or a defective claim has previously been made, and entitlement will run from a date before the claimant became entitled to universal credit. Again, similar provision is made in relation to old style JSA and old style ESA by orders made under section 150(3) of the Act. Under regulation 7, most awards of income support and housing benefit to a claimant who has formed a couple with a universal credit claimant will terminate on the day before the first date of entitlement to universal credit. Awards of tax credits will terminate in accordance with the Tax Credits Act 2002 (c.21) as a result of the claimant’s change of relationship status. Similar provision is made by regulation 8 in relation to other claimants, although in this case awards of tax credits also terminate, by virtue of regulation 8, on the day before the first date of entitlement to universal credit (or, where no award of universal credit is made, on the day before the first date on which the claimant would have been entitled to universal credit if all the applicable conditions had been met). Regulation 11 provides for a claimant to be treated as entitled to an award of a tax credit in certain cases, for the purposes of regulations 7 and 8. Entitlement to old style JSA and old style ESA will similarly terminate (in so far as the awards are of an income-based or income-related allowance) by virtue of orders made under section 150(3) of the Act.

Regulation 9 provides, in certain cases, for entitlement to some welfare benefits to be disregarded for the purposes of the benefit cap during the claimant’s first assessment period for universal credit. This will apply where a claimant is entitled to universal credit from a date before the date

Changes to legislation: The Universal Credit (Transitional Provisions) Regulations 2014 is up to date with all changes known to be in force on or before 30 June 2024. on which they made a claim, or were treated as making a claim, and they were previously entitled to housing benefit (which may already have been subject to the benefit cap). Overpayments of existing benefits (other than tax credits or joint-claim jobseeker's allowance) which may arise on transition to universal credit will be off-set against entitlement to universal credit, under regulation 10.

Where a claim for universal credit is made by a claimant who was previously entitled to a tax credit, regulation 12 provides for the Tax Credits Act 2002 to apply to that claimant with certain modifications, so that any overpayments of tax credits may be treated as overpayments of universal credit and appropriate time limits apply in relation to the imposition of penalties. Regulation 13 deals with appeals which are determined, and decisions about existing benefits which are revised or superseded, after the appellant has become entitled to universal credit. Entitlement to income support, housing benefit or a tax credit arising from an appeal, revision or supersession will terminate in accordance with regulation 7 or 8 and a decision made about entitlement to universal credit may be revised to take account of any findings of fact by the appeal body. Regulation 14 relates to the situation where a claimant successfully appeals a decision that they are not entitled to universal credit, or such a decision is revised, after the claimant has become entitled to income support, housing benefit or a tax credit. In this case, the award of the existing benefit terminates at the beginning of the first day of entitlement if there would otherwise be an overlap with the award of universal credit.

Where a claim for universal credit is made by a claimant who was previously entitled to an existing benefit, regulation 15 modifies the application of the Universal Credit, Personal Independence Payment, Jobseeker's Allowance and Employment and Support Allowance (Claims and Payments) Regulations 2013 (S.I. 2013/380) in relation to the claimant. The effect is that the time for claiming universal credit may be extended by up to one month, if the claimant was not given advance notice of termination of the award of existing benefit. Under regulation 16, a person who has been appointed to act on behalf of a claimant in relation to existing benefits may be treated as having been appointed to act on their behalf in relation to universal credit and *vice versa*.

Where a claim for universal credit is made by a claimant who was entitled to an existing benefit before they became entitled to universal credit, regulation 17 allows the claimant to apply for an advance payment of universal credit during their first assessment period. Repayment is by reduction of subsequent payments. Where certain deductions were made from an award of an existing benefit, regulation 18 allows deductions in respect of the same items to be made from an award of universal credit without the need for consents which might otherwise be required. Regulation 19 provides that a claimant may be treated as having limited capability for work, or limited capability for work and work-related activity, for the purposes of an award of universal credit, if they were previously entitled to the work-related activity component, or the support component, of old style ESA. Where a claimant was in the process of assessment of their capability for work in connection with an award of old style ESA at the time that award terminated, the assessment period for universal credit will be adjusted accordingly, under regulation 20. Similar provision is made in regulation 21, in respect of claimants who were not entitled to old style ESA, but who were entitled to credits of contributions and earnings on the grounds of limited capability for work.

Transition to universal credit from existing incapacity benefits is dealt with in regulations 22 to 25. Transition from income support awarded on the grounds of incapacity for work or disability is dealt with in regulation 22 and transition from incapacity benefit or severe disablement allowance is dealt with in regulations 23 to 25. In both cases, the limited capability for work or limited capability for work and work-related activity elements may be included in an award of universal credit with effect from the start of the first assessment period, if the claimant is subsequently assessed as having limited capability for work or, in the case of a claimant approaching pensionable age, is entitled to certain other benefits. Similar provision is made in regulations 26 and 27 in respect of claimants who were not entitled to an incapacity benefit, but

who were entitled to credits of earnings under the Social Security (Credits) Regulations 1975 (S.I. 1975/556) on the grounds of incapacity for work.

Regulation 28 ensures that payments may not be made as part of an award of universal credit in respect of a young person who is entitled to existing benefits in their own right.

Where a universal credit claimant or their partner was previously entitled to old style JSA, old style ESA or income support, regulation 29 allows for any support for housing costs which was included in that award, or time spent waiting to qualify for such support, to be carried over to the award of universal credit, if the claimant is entitled to the universal credit housing element.

Regulations 30 to 34 deal with the treatment of any sanctions which have been imposed on awards of old style JSA and old style ESA, prior to transition to universal credit. Current sanctions will continue to have effect by way of deductions from the award of universal credit and past sanctions will be taken into account for the purposes of determining the sanction applicable to any future sanctionable failure. However, where there is a period of entitlement to an existing benefit between two periods of entitlement to universal credit, any sanctions arising prior to that intervening period will not be taken into account.

Where a claimant moves to universal credit within one month of the end of an award of an existing benefit and is subject to a loss of benefit penalty, regulations 35 and 36 provide that the penalty will in most cases continue on the basis of the rate applicable to the existing benefit for the remainder of the disqualification period. The usual rules relating to calculation of penalties within universal credit will not apply.

An assessment has been made of the impact of the introduction of universal credit.
