**Sanctions: transition from old style ESA** **U.K.**

- 30.**—(1) This regulation applies where—
- (a) an award of universal credit is made to a claimant who was previously entitled to old style ESA (“the ESA award”); and
  - (b) on the relevant date, payments in respect of the ESA award were reduced under regulation 63 of the Employment and Support Allowance Regulations 2008 <sup>M43</sup> (“the 2008 Regulations”).
- (2) In this regulation, the “relevant date” means—
- (a) where the claimant was not entitled to old style ESA on the date on which the claim for universal credit was made or treated as made, the date on which the ESA award terminated;
  - (b) where the claimant is not a new claimant partner and was entitled to old style ESA on the date on which the claim for universal credit was made, that date;
  - (c) where the claimant is a new claimant partner and was entitled to old style ESA on the date on which the claim for universal credit was treated as made, that date.
- (3) Where this regulation applies—
- (a) the failure which led to reduction of the ESA award (“the ESA failure”) is to be treated, for the purposes of the Universal Credit Regulations, as a failure which is sanctionable under section 27 of the Act;
  - (b) the award of universal credit is to be reduced in relation to the ESA failure, in accordance with the provisions of this regulation and Chapter 2 of Part 8 of the Universal Credit Regulations (sanctions), as modified by this regulation; and
  - (c) the reduction is to be treated, for the purposes of the Universal Credit Regulations, as a reduction under section 27 of the Act.
- (4) The reduction period for the purposes of the Universal Credit Regulations <sup>M44</sup> is a period of the number of days which is equivalent to the length of the fixed period applicable to the person under regulation 63(7) of the 2008 Regulations in relation to the ESA failure, minus—
- (a) the number of days (if any) in that period in respect of which the amount of old style ESA was reduced; and
  - (b) if the ESA award terminated before the first date of entitlement to universal credit in connection with the current award, the number of days (if any) in the period after termination of that award, before the start of the universal credit award.
- (5) Accordingly, regulation 101 of the Universal Credit Regulations (general principles for calculating reduction periods) applies in relation to the ESA failure as if, in paragraphs (1) and (3), for “in accordance with regulations 102 to 105”, there were substituted “ in accordance with regulation 30 of the Universal Credit (Transitional Provisions) Regulations 2014 ”.
- (6) For the purposes of this regulation, a determination that payments in respect of the ESA award are to be reduced under regulation 63 of the 2008 Regulations is to be taken into account even if the ESA award subsequently terminated (in so far as it was an award of income-related employment and support allowance) on a date before the date on which that determination was made, by virtue of an order made under section 150(3) of the Act.

### **Escalation of sanctions: transition from old style ESA** **U.K.**

**31.**—(1) This regulation applies where an award of universal credit is made to a claimant who was at any time previously entitled to old style ESA.

(2) Where this regulation applies, for the purposes of determining the reduction period under regulation 104 of the Universal Credit Regulations (low-level sanction) in relation to a sanctionable failure by the claimant, other than a failure which is treated as sanctionable by virtue of regulation 30—

- (a) a reduction of universal credit in accordance with regulation 30; and
- (b) any reduction of old style ESA under the Employment and Support Allowance Regulations 2008 (“the 2008 Regulations”) which did not result in a reduction under regulation 30,

is, subject to paragraph (3), to be treated as arising from a sanctionable failure for which the reduction period which applies is the number of days which is equivalent to the length of the fixed period which applied under regulation 63 of the 2008 Regulations.

(3) In determining a reduction period under regulation 104 of the Universal Credit Regulations in accordance with paragraph (2), no account is to be taken of—

- (a) a reduction of universal credit in accordance with regulation 30 if, at any time after that reduction, the claimant was entitled to an existing benefit;
- (b) a reduction of old style ESA under the 2008 Regulations if, at any time after that reduction, the claimant was entitled to universal credit, new style ESA or new style JSA, and was subsequently entitled to an existing benefit.

### **Sanctions: transition from old style JSA** **U.K.**

**32.**—(1) This regulation applies where—

- (a) an award of universal credit is made to a claimant who was previously entitled to old style JSA (“the JSA award”);
- (b) on the relevant date, payments in respect of the JSA award were reduced under section 19 (as it applied either before or after substitution by the Act <sup>M45</sup>) or section 19A of the Jobseekers Act 1995 (“the 1995 Act”), or under regulation 69B of the Jobseeker’s Allowance Regulations 1996 <sup>M46</sup> (“the 1996 Regulations”); and
- (c) if the JSA award was made to a joint-claim couple within the meaning of the 1995 Act and the reduction related to—
  - (i) in the case of a reduction under section 19 as it applied before substitution by the Act, circumstances relating to only one member of the couple; or,
  - (ii) in the case of a reduction under section 19 as it applied after substitution by the Act, a sanctionable failure by only one member of the couple,
 the award of universal credit was made to that person.

(2) In this regulation, the “relevant date” means—

- (a) where the claimant was not entitled to old style JSA on the date on which the claim for universal credit was made or treated as made, the date on which the JSA award terminated;
- (b) where the claimant is not a new claimant partner and was entitled to old style JSA on the date on which the claim for universal credit was made, that date;
- (c) where the claimant is a new claimant partner and was entitled to old style JSA on the date on which the claim for universal credit was treated as made, that date.

(3) Where this regulation applies—

- (a) the circumstances or failure which led to reduction of the JSA award (in either case, “the JSA failure”) is to be treated, for the purposes of the Universal Credit Regulations, as—
    - (i) a failure which is sanctionable under section 26 of the Act, where the reduction was under section 19 of the 1995 Act; or
    - (ii) a failure which is sanctionable under section 27 of the Act, where the reduction was under section 19A of the 1995 Act or regulation 69B of the 1996 Regulations;
  - (b) the award of universal credit is to be reduced in relation to the JSA failure, in accordance with the provisions of this regulation and Chapter 2 of Part 8 of the Universal Credit Regulations (sanctions), as modified by this regulation; and
  - (c) the reduction is to be treated, for the purposes of the Universal Credit Regulations, as a reduction under section 26 or, as the case may be, section 27 of the Act.
- (4) The reduction period for the purposes of the Universal Credit Regulations is a period of the number of days which is equivalent to the length of the period of reduction which is applicable to the person under regulation 69, 69A or 69B of the 1996 Regulations, minus—
- (a) the number of days (if any) in that period in respect of which the amount of old style JSA was reduced; and
  - (b) if the award of old style JSA terminated before the first date of entitlement to universal credit in connection with the current award, the number of days (if any) in the period after termination of that award, before the start of the universal credit award.
- (5) Accordingly, regulation 101 of the Universal Credit Regulations applies in relation to the JSA failure as if, in paragraphs (1) and (3), for “in accordance with regulations 102 to 105”, there were substituted “in accordance with regulation 32 of the Universal Credit (Transitional Provisions) Regulations 2014 ”.
- (6) Where the JSA award was made to a joint-claim couple within the meaning of the 1995 Act and the JSA failure related to only one member of the couple, the daily reduction rate for the purposes of the Universal Credit Regulations <sup>M47</sup> is the amount calculated in accordance with regulation 70(3) of the 1996 Regulations <sup>M48</sup> in respect of the JSA award, divided by seven and rounded down to the nearest 10 pence, unless regulation 111(2) or (3) of the Universal Credit Regulations (daily reduction rate) applies.
- (7) Where the daily reduction rate is to be determined in accordance with paragraph (6), regulation 111(1) of the Universal Credit Regulations applies in relation to the JSA failure as if, for the words from “an amount equal to” to the end there were substituted the words “ an amount determined in accordance with regulation 32 of the Universal Credit (Transitional Provisions) Regulations 2014 ”.
- (8) For the purposes of this regulation, a determination that payments in respect of the JSA award are to be reduced under regulation 69, 69A or 69B of the 1996 Regulations is to be taken into account even if the JSA award subsequently terminated (in so far as it was an award of income-based jobseeker's allowance) on a date before the date on which that determination was made, by virtue of an order made under section 150(3) of the Act.

- (iii) where the claimant is a new claimant partner and was entitled to the earlier award on the date on which the claim for universal credit was treated as made, that date;
- (b) in relation to the second case, the date on which the person entitled to the earlier award ceased to be the offender's family member or, if the award terminated before that date, the date on which the earlier award terminated;
- (c) in relation to the third case—
  - (i) where the claimant was entitled to the earlier award but that entitlement terminated before the date on which the claim for universal credit was made or treated as made, the date on which the earlier award terminated;
  - (ii) where the claimant is not a new claimant partner and was entitled to the earlier award on the date on which the claim for universal credit was made, that date;

#### Loss of benefit penalties: reduction of universal credit **U.K.**

**36.**—(1) Subject to paragraph (6) [<sup>F123</sup>and to regulation 38] , where regulation 35 applies, the amount of a reduction of universal credit in respect of an assessment period is to be calculated by multiplying the daily reduction rate by the number of days in the assessment period, unless paragraph (2) applies.

(2) Where the disqualification period ends during an assessment period, the amount of the reduction for that assessment period is (subject to paragraph (6)) to be calculated by multiplying the daily reduction rate by the number of days in the assessment period which are within the disqualification period.

(3) Subject to paragraphs (4) and (5), the daily reduction rate where regulation 35 applies is an amount which is equal to—

- (a) the monetary amount by which payments in respect of the earlier award were reduced in accordance with section 6B or 7 of the 2001 Act or, as the case may be, regulation 3, 3ZA<sup>M56</sup> or 17 of the 2001 Regulations in respect of the last complete week before the relevant date (within the meaning of regulation 35);

- (a) the daily reduction rate is to be calculated in accordance with paragraph (3), but on the basis of the new amount by which payments would have been reduced; and
- (b) any adjustment to the reduction of universal credit is to take effect from the first day of the first assessment period to start after the date of the change.

(5) Where the earlier award was a joint-claim jobseeker's allowance, the daily reduction rate is an amount which is equal to—

- (a) the amount of the standard allowance <sup>M57</sup> applicable to the joint claimants under regulation 36 of the Universal Credit Regulations (table showing amounts of elements);
- (b) multiplied by 12;
- (c) divided by 365;
- (d) reduced by 60%; and
- (e) rounded down to the nearest 10 pence.

(6) The amount of the reduction under this regulation in respect of any assessment period is not to exceed the amount of the standard allowance which is applicable to the claimant in respect of that period.

### Transitional Protection

#### Meaning of “qualifying claim” **U.K.**

**48.** A “qualifying claim” is a claim for universal credit by a single claimant who is a notified person or by joint claimants, both of whom are notified persons, where the claim is made on or before the final deadline (see regulation 46(4)).

#### Meaning of “migration day” **U.K.**

**49.** “Migration day”, in relation to a qualifying claim, means the day before the first day on which the claimant is entitled to universal credit in connection with that claim.

#### Secretary of State to determine whether transitional protection applies **U.K.**

**50.—(1)** Before making a decision on a qualifying claim the Secretary of State must first determine whether—

- (a) a transitional capital disregard is to apply; or
- (b) a transitional element is to be included,

(or both) in the calculation of the award.

(2) But the Secretary of State is not to determine whether a transitional element is to be included in a case [<sup>F137</sup>where—

- (a) notified persons who were a couple for the purposes of an award of an existing benefit when the migration notice was issued are single persons or members of a different couple for the purposes of a claim for universal credit; or
- (b) notified persons who were single for the purposes of an award of an existing benefit when the migration notice was issued are a couple for the purposes of a claim for universal credit; or
- (c) notified persons who were members of a polygamous marriage for the purposes of an award of an existing benefit when the migration notice was issued are a couple or single persons for the purposes of a claim for universal credit.]

#### Textual Amendments

**F137** Words in [reg. 50\(2\)](#) substituted (25.7.2022) by [The Universal Credit \(Transitional Provisions\) Amendment Regulations 2022 \(S.I. 2022/752\)](#), regs. 1(1), **6(2)**

#### The transitional capital disregard **U.K.**

**51.—(1)** A transitional capital disregard is to apply where, on the migration day, the claimant—

- (a) is entitled to an award of a tax credit; and
- (b) has capital exceeding £16,000.

(2) Where a transitional capital disregard applies, any capital exceeding £16,000 is to be disregarded for the purposes of—

- (a) determining whether the financial condition in section 5(1)(a) or 5(2)(a) of the Act (capital limit) is met; and
- (b) calculating the amount of an award of universal credit (including the indicative UC amount).

(3) Where a transitional capital disregard has been applied in the calculation of an award of universal credit but, in any assessment period, the claimant no longer has (or joint claimants no longer have) capital exceeding £16,000, the transitional capital disregard is not to apply in any subsequent assessment period.

(4) A transitional capital disregard is not to apply for more than 12 assessment periods.

#### **The transitional element** **U.K.**

**52.**—(1) A transitional element is to be included in the calculation of an award if the total amount of any awards of existing benefits determined in accordance with regulation 53 (“the total legacy amount”) is greater than the amount of an award of universal credit determined in accordance with regulation 54 (“the indicative UC amount”).

(2) Where a transitional element is to be included in the calculation of an award, the amount of that element is to be treated, for the purposes of section 8 of the Act (calculation of awards), as if it were an additional amount to be included in the maximum amount under section 8(2) before the deduction of income under section 8(3).

#### **The transitional element - total legacy amount** **U.K.**

**53.**—(1) The total legacy amount is the sum of the representative monthly rates of all awards of any existing benefits to which a claimant is, or joint claimants are, entitled on the migration day.

##### **Tax credits**

(2) To calculate the representative monthly rate of an award of working tax credit or child tax credit—

- (a) take the figure for the daily rate of the award on the migration day provided by HMRC and calculated on the basis of the information as to the claimant’s circumstances held by HMRC on that day; and
- (b) convert to a monthly figure by multiplying by 365 and dividing by 12.

(3) For the purposes of paragraph (2)(a) “the daily rate” is—

- (a) in a case where section 13(1) of the 2002 Act applies (relevant income does not exceed the income threshold or the claimant is entitled to a prescribed social security benefit), the maximum rate of each element to which the claimant is entitled on the migration day divided by 365; and
- (b) in any other case, the rate that would be produced by applying regulations 6 to 9 of the Tax Credits (Income Thresholds and Determination of Rates) Regulations 2002 as if the migration day were a relevant period of one day.

##### **IS, JSA(IB) and ESA(IR)**

(4) To calculate the representative monthly rate of an award of income support, income-based jobseeker’s allowance or income-related employment and support allowance—

- (a) take the weekly rate on the migration day calculated in accordance with—
  - (i) in the case of income support, Part 7 of the Social Security Contributions and Benefits Act 1992 and the Income Support (General) Regulations 1987,
  - (ii) in the case of income-based jobseeker’s allowance, Part 1 of the Jobseekers Act 1995 and the Jobseeker’s Allowance Regulations 1996, or
  - (iii) in the case of income-related employment and support allowance, Part 1 of the 2007 Act, the Employment and Support Allowance Regulations 2008 and the Employment and Support Allowance (Transitional Provisions, Housing Benefit and Council Tax Benefit) (Existing Awards) (No.2) Regulations 2010,

**Changes to legislation:** *The Universal Credit (Transitional Provisions) Regulations 2014 is up to date with all changes known to be in force on or before 20 July 2024. on the basis of the information held by the Secretary of State on that day; and

(b) convert to a monthly figure by multiplying by 52 and dividing by 12.

(5) The amount of an award of income-related employment and support allowance or income-based jobseeker's allowance is to be calculated before any reduction for a sanction.

(6) Where—

(a) a claimant who is entitled to income-based jobseeker's allowance is also entitled to contribution-based jobseeker's allowance; or

(b) a claimant who is entitled to income-related employment and support allowance is also entitled to a contributory allowance,

then, notwithstanding section 4(8) to (11) of the Jobseekers Act 1995 and section 6(3) to (7) of the 2007 Act (excess over the contributory allowance to be treated as attributable to the income-based, or income-related, allowance) the weekly rate in paragraph (4) is to be calculated as the applicable amount less the claimant's income (if any).

#### **Housing benefit**

(7) To calculate the representative monthly rate of an award of housing benefit—

(a) take the weekly rate on the migration day calculated in accordance with Part 7 of the Social Security Contributions and Benefits Act 1992 and the Housing Benefit Regulations 2006, on the basis of the information held by the Secretary of State on that day, and convert to a monthly figure by multiplying by 52 and dividing by 12; or

(b) in a case where the claimant has rent free periods, calculate the annual rate by multiplying the weekly rate (as above) by the number of weeks in the year in respect of which the claimant is liable to pay rent, and convert to a monthly figure by dividing by 12.

(8) For the purposes of paragraph (7), if the migration day falls in a rent free period, the weekly rate of housing benefit is to be calculated by reference to the amount of rent for the last complete week that was not a rent free period.

(9) In paragraphs (7) and (8) "rent free period" has the meaning in regulation 81 of the Housing Benefit Regulations 2006.

(10) In a case where regulation 8(3) (continuation of housing benefit in respect of specified accommodation or temporary accommodation) applies, no amount is to be included in the total legacy amount [<sup>F138</sup>for housing benefit in respect of specified or temporary accommodation].

#### **The benefit cap**

(11) Where—

(a) the existing benefits do not include an award of housing benefit, or they include an award of housing benefit that has been reduced to the minimum amount by virtue of Part 8A of the Housing Benefit Regulations 2006 (the benefit cap);

(b) Part 7 of the Universal Credit Regulations (the benefit cap) applies in the calculation of the indicative UC amount; and

(c) the claimant's total entitlement to welfare benefits (as defined in section 96(10) of the Act) on the migration day is greater than the relevant amount,

the total legacy amount is reduced by the excess (minus the amount for childcare costs referred to regulation 54(2)(b) where applicable) over the relevant amount.

(12) For the purposes of paragraph (11)—

(a) the amount of each welfare benefit is the monthly equivalent calculated in the manner set out in regulation 73 (unearned income calculated monthly) of the Universal Credit Regulations; and

- (b) the “relevant amount” is the amount referred to in regulation 80A of those Regulations which is applicable to the claimant.

#### The transitional element - indicative UC amount **U.K.**

**54.**—(1) The indicative UC amount is the amount to which a claimant would be entitled if an award of universal credit were calculated in accordance with section 8 of the Act by reference to the claimant’s circumstances on the migration day, applying the assumptions in paragraph (2).

(2) The assumptions are—

- (a) if the claimant is entitled to an award of child tax credit, the claimant is responsible for any child or qualifying young person in respect of whom the individual element of child tax credit is payable;
- (b) if the claimant is entitled to an award of working tax credit that includes the childcare element, the indicative UC amount includes the childcare costs element and, for the purposes of calculating the amount of that element, the amount of the childcare costs is equal to the relevant weekly childcare charges included in the calculation of the daily rate referred to in regulation 53(2), converted to a monthly amount by multiplying by 52 and dividing by 12;
- (c) the amount of the claimant’s earned income is—
- (i) if the claimant is entitled to an award of a tax credit, the annual amount of any employment income or trading income, as defined by regulation 4 or 6 respectively of the Tax Credits (Definition and Calculation of Income) Regulations 2002, by reference to which the representative monthly rate of that tax credit is calculated for the purposes of regulation 53(2) converted to a net monthly amount by—
- (aa) dividing by 12, and
- (bb) deducting such amount for income tax and national insurance contributions as the Secretary of State considers appropriate,
- (ii) if paragraph (i) does not apply and the claimant is entitled to an award of income support, income-based jobseeker’s allowance or income-related employment and support allowance, the amount of earnings by reference to which the representative monthly rate of that benefit was calculated for the purposes of regulation 53(4) to (6) (including nil if none were taken into account) converted to a monthly amount by multiplying by 52 and dividing by 12, or
- (iii) if paragraphs (i) and (ii) do not apply, but the claimant had an award of housing benefit, the amount of earnings by reference to which the representative monthly rate of that benefit was calculated for the purposes of regulation 53(7) to (10) (including nil if none were taken into account) converted to a monthly amount by multiplying by 52 and dividing by 12.

(3) If the claimant would not meet the financial condition in section 5(1)(b) of the Act (or, in the case of joint claimants, they would not meet the condition in section 5(2)(b) of the Act) the claimant is to be treated, for the purposes of calculating the indicative UC amount, as if they were entitled to an award of universal credit of a nil amount.

(4) If a transitional capital disregard is to apply, the claimant is to be treated as having met the financial condition in section 5(1)(a) or 5(2)(a) of the Act (capital limit).

(5) The indicative UC amount is to be calculated after any reduction under Part 7 of the Universal Credit Regulations (the benefit cap) but before any reduction under section 26 (higher-level sanctions) or 27 (other sanctions) of the Act.

(6) But there is to be no reduction for the benefit cap under that Part where the amount of the claimant's earned income (or, in the case of a couple their combined earned income) on the migration day, calculated in accordance with paragraph (2)(c), is equal to or exceeds the amount specified in paragraph (1)(a) of regulation 82 (exceptions – earnings) of the Universal Credit Regulations.

(7) The calculation of the indicative UC amount is to be based on the information that is used for the purposes of calculating the total legacy amount, supplemented as necessary by such further information or evidence as the Secretary of State requires.

**The transitional element – initial amount and adjustment where other elements increase** **U.K.**

55.—(1) The initial amount of the transitional element is—

- (a) if the indicative UC amount is greater than nil, the amount by which the total legacy amount exceeds the indicative UC amount; or
- (b) if the indicative UC amount is nil, the total legacy amount plus any amount by which the income which fell to be deducted in accordance with section 8(3) of the Act exceeded the maximum amount.

(2) The amount of the transitional element to be included in the calculation of an award is—

- (a) for the first assessment period, the initial amount;
- (b) for the second assessment period, the initial amount reduced by the sum of any relevant increases in that assessment period;
- (c) for the third and each subsequent assessment period, the amount that was included for the previous assessment period reduced by the sum of any relevant increases (as in subparagraph (b)).

(3) If the amount of the transitional element is reduced to nil in any assessment period, a transitional element is not to apply in the calculation of the award for any subsequent assessment period.

(4) A “relevant increase” is <sup>[F139]</sup>, subject to paragraph (5),] an increase in any of the amounts that are included in the maximum amount under sections 9 to 12 of the Act (including any of those amounts that is included for the first time), apart from the childcare costs element.

**Application of transitional protection to a subsequent award** **U.K.**

57.—(1) Where—

(2) This paragraph applies if—

- (a) the reason for the previous award terminating or, as the case may be, there being no entitlement to an award, was that the claimant (or joint claimants) had earned income on account of which the financial condition in section 5(1)(b) or 5(2)(b) of the Act (income is such that the amount payable is at least 1p) was not met; and
