The United Kingdom and Gibraltar (“the Parties”) desiring to amend the Agreement between the Parties for the exchange of information relating to tax matters (“the 2009 Agreement”), have agreed as follows:

1. The following shall be added after Article 5 (Exchange of Information Upon Request):

#### **“ARTICLE 5A**

##### **AUTOMATIC EXCHANGE OF INFORMATION**

1. The competent authorities of the Parties may automatically transmit information to each other for the purposes referred to in Paragraph 1 (Object and Scope of Agreement). The Parties shall determine the items of information to be exchanged pursuant to this Article and the procedures to be used to exchange such items of information.
2. The competent authorities of the Parties may mutually agree on additional procedures to be used for the purposes of this Article.

#### **ARTICLE 5B**

The competent authority of a Party may spontaneously transmit to the competent authority of the other Party information that has come to the attention of the first-mentioned competent authority and that the first-mentioned competent authority supposes to be foreseeably relevant to the accomplishment of the purposes referred to in Paragraph 1 (Object and Scope of Agreement). The competent authorities of the Parties shall determine the procedures to be used to exchange such information.”

2. Each of the Parties shall notify the other of the completion of the procedures required by its law for the bringing into force of this Agreement. This Agreement shall enter into force on the date of the later of these notifications and shall have effect for information exchanged on or after that date without regard to the taxable period to which the information relates.

## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

The Schedule to this Order contains arrangements comprising an Exchange of Letters and an Agreement (“the Arrangements”) amending the Agreement between the United Kingdom and Gibraltar for the exchange of information relating to tax matters (“the 2009 Agreement”). The 2009 Agreement was scheduled to the International Tax Enforcement (Gibraltar) Order 2010 (S.I. 2010/2680). This Order gives effect to the Arrangements.

Article 2 makes a declaration that it is expedient that the Arrangements should have effect.

The Arrangements relate to the exchange of information in tax matters and adds new Articles 5A and 5B to the 2009 Agreement to allow for the automatic and spontaneous exchange of information.

The Arrangements will enter into force on the date of the later of the notifications by each territory of the completion of its legislative procedures and take effect for information exchanged on or after that date.

The date of entry into force will, in due course, be published in the *London, Edinburgh and Belfast Gazettes*.

A Tax Information and Impact Note has not been produced for this Order as it gives effect to a previously announced policy to enact a tax information exchange agreement.
