2014 No. 1643

The Energy Savings Opportunity Scheme Regulations 2014

PART 8

Civil penalties and breaches

CHAPTER 2

Breach of Regulations

False or misleading statement

47.—(1) The penalties in paragraph (2) apply where a responsible undertaking makes a statement which is false or misleading when notifying information to the scheme administrator or a compliance body, or when providing information required by a compliance notice, an enforcement notice or a penalty notice.

(2) The penalties are—

- (a) £50,000, or such lesser amount as the compliance body may determine, and
- (b) the publication penalty.

Changes to legislation:

There are currently no known outstanding effects for the The Energy Savings Opportunity Scheme Regulations 2014, Section 47.
