EXPLANATORY NOTE

(This note is not part of the Order)

This Order designates Cardiff University as a medical authority which is authorised to hold examinations in dentistry and grant licences certifying the fitness of the holders to practise dentistry. This will enable persons who have passed such examinations held by Cardiff University or who hold licences it has granted as a medical authority, to be registered on the General Dental Council's register of dentists provided that a person's fitness to practise is not impaired and the appropriate fees have been paid.
