The Thames Water Utilities Limited  
(Thames Tideway Tunnel) Order 2014

PART 2

WORKS PROVISIONS

*Supplemental powers*

**Cemex**

**24.**—(1) The undertaker shall give not less than 2 months' written notice to the relevant planning authority, Cemex, and (if different) the landowner, prior to the commencement of development of Work No. 13b (ii) further to article 3 of this Order.

(2) If the undertaker has given notice under (1), then within 14 days of receipt by the relevant planning authority of that notice, it shall provide a counter notice in writing to the undertaker, providing details of—

- (a) any extant planning permission granted further to the 1990 Act, for the development set out at Schedule 1 to this Order as Work No. 13b (ii), or substantially the same development; and
- (b) the extent of discharge of the conditions attached to that planning permission.

(3) If following receipt of a notice under (2), the undertaker proposes to construct the development or substantially the same development as is set out in Schedule 1 to this Order as Work No. 13b (ii), then the undertaker shall, not less than 7 days prior to commencement of that development, give further notice in writing to the relevant planning authority confirming whether the development is being carried out further to this Order or further to the planning permission notified under (2), or both.

(4) If following the giving of notice under paragraph (3) the undertaker proposes to commence or continue the development to which the notice relates further to any authorisation not relied upon in that notice, the undertaker shall give further notice in writing to that effect to the relevant planning authority not less than 7 days prior to commencement or continuation of the development further to that authorisation.
