

SCHEDULE 1

Authorised development

PART 3

Requirements

Fencing and other means of site perimeter enclosure

10.—(1) No part of the authorised development shall be carried out until written details of all proposed permanent or temporary fences, hoardings, walls or other means of enclosure of the operations area has been submitted to and approved by the relevant planning authority.

(2) All construction sites shall remain securely fenced at all times during construction of the authorised development in accordance with the approved scheme.

(3) All temporary fencing shall be removed on completion of construction of the authorised development.
