Notes

1. In relation to items 4, 5 and 6, the percentages in column 2 are based on the weight of the raw meat used to make the food (“the raw meat ingredient”) as a percentage of the weight of the cooked finished product. In relation to the other items, the percentages are based on the weight of the raw

meat ingredient used to make the food as a percentage of the total weight of all the ingredients used to make the food (including the raw meat ingredient) at the time of their use as an ingredient.

2. The quantity of meat specified in the table is to be determined taking into account the provisions relating to total fat and connective tissue content in point 17 of Part B of Annex VII to FIC, including any downward adjustment needed in a case where the total fat and connective tissue content in the regulated product exceeds the values indicated in the table in point 17 of Part B of Annex VII to FIC.
