EXPLANATORY NOTE

(This note is not part of the Order)

This Order removes the requirement for every cheque or other order for the payment of money by a parish or community council to be signed by two members of the council. The Order also removes a similar requirement for every cheque or other order for payment of money by charter trustees to be signed by two charter trustees.

The Order is made under the provisions of the Legislative and Regulatory Reform Act [2006 \(c. 51\)](#) and removes a burden on parish and community councils and charter trustees and facilitates the use of electronic means of payment.
