(4) The Authority may request that P provide meter readings and other data from all eligible meters required by these Regulations.

(5) Any meter readings or other data requested under paragraph (4) must be provided by P—

- (b) by the date (if any) specified by the Authority or at such regular intervals as the Authority may request to enable it to discharge its functions under these Regulations.

(6) Nothing in this regulation prevents the Authority from accepting further data from a participant, if the Authority considers it appropriate to do so.
