Cases in which obligations of manufacturers apply to importers and distributors

30. An economic operator who would, but for this regulation, be considered an importer or distributor (“A”), is to be considered a manufacturer for the purposes of these Regulations and is subject to the obligations of a manufacturer under this Part, where A—

- (b) modifies a pyrotechnic article already placed on the market in such a way that it may affect whether the pyrotechnic article is in conformity with Part 2.
