2015 No. 1862

**The National Health Service (General
Medical Services Contracts) Regulations 2015**

PART 10

Records and information

Patient records

67.—(1) The contractor must keep adequate records of its attendance on and treatment of its patients and must do so—

- (a) on forms supplied to it for the purpose by [^{F1}NHS England]; or
- (b) with the written consent of [^{F1}NHS England] , by way of computerised records,

or in a combination of those two ways.

(2) The contractor must include in the records referred to in paragraph (1), clinical reports sent in accordance with paragraph 12 of Schedule 3 or from any other health care professional who has provided clinical services to a person on the contractor's list of patients.

(3) The consent of [^{F1}NHS England] required by paragraph (1)(b) may not be withheld or withdrawn provided [^{F1}NHS England] is satisfied, and continues to be satisfied, that—

- [^{F2}(a) the computer system upon which the contractor proposes to keep the records meets the requirements set out in the GPIT Operating Model;]
- (b) the security measures, audit and system management functions incorporated into the computer system [^{F3}and compliant with the GPIT Operating Model] have been enabled; and
- (c) the contractor is aware of, and has signed an undertaking that it will have regard to, the guidelines contained in [^{F4}“Digital Primary Care: Good Practice Guidelines for GP electronic patient records – (GPGv5)”], published on 20th September 2023].

(4) Where the patient's records are computerised records, the contractor must, as soon as possible following a request from [^{F1}NHS England], allow [^{F1}NHS England] to access the information recorded on the computer system on which those records are held by means of the audit function referred to in paragraph (3)(b) to the extent necessary for [^{F1}NHS England] to confirm that the audit function is enabled and functioning correctly.

^{F5}[^{F6}(5)

(5A) Where a patient on a contractor’s list of patients has registered with another provider of primary medical services and the contractor receives a request from that provider for the complete records relating to that patient, the contractor must send to [^{F1}NHS England] —

- (a) the complete records, or any part of the records, sent via the GP2GP facility in accordance with regulation 69 for which the contractor does not receive confirmation of safe and effective transfer via that facility; and

Status: Point in time view as at 27/05/2024.

Changes to legislation: The National Health Service (General Medical Services Contracts) Regulations 2015, PART 10 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(b) any part of the records held by the contractor only in paper form.

(5B) Where a patient on a contractor’s list of patients—

- (a) is removed from that list at that patient’s request under paragraph 23 of Schedule 3, or by reason of the application of any of paragraphs 24 to 31 of that Schedule; and
- (b) the contractor has not received a request from another provider of medical services with which that patient has registered for the transfer of the complete records relating to that patient,

the contractor must send a copy of those records to [F1NHS England].

(5C) Where a contractor’s responsibility for a patient terminates in accordance with paragraph 32 of Schedule 3, the contractor must send any records relating to that patient that it holds to—

- (a) if known, the provider of primary medical services with which that patient is registered; or
- (b) in all other cases, [F1NHS England] .

(5D) For the purposes of this regulation, “GP2GP facility” has the same meaning as in paragraph (2) of regulation 69.]

F7(6)

F8(7)

(8) A contractor whose patient records are computerised records must not disable, or attempt to disable, either the security measures or the audit system management functions referred to in paragraph (3).

(9) In this regulation, “computerised records” means records created by way of entries on a computer.

[^{F9}Record of ethnicity information

67A.—(1) This regulation applies if a contractor, or a person acting on behalf of a contractor, makes a request to a patient (“P”) for P to disclose their ethnicity to the contractor so that information can be recorded in P’s medical record (a “relevant request”).

(2) If P, or where P is a person to whom paragraph (4) applies, an appropriate person [^{F10}acting on behalf of P], discloses P’s ethnicity in response to the relevant request, the contractor must record P’s ethnicity in P’s medical record.

(3) If P, or where P is a person to whom paragraph (4) applies, an appropriate person [^{F11}acting on behalf of P], indicates that they would prefer not to disclose P’s ethnicity in response to the relevant request, the contractor must record that response in P’s medical record.

(4) This paragraph applies to a person if they—

- (a) are a child, or
- (b) lack the capacity to respond to the relevant request.

(5) Any information recorded in accordance with this regulation may only be processed if the processing is necessary for medical purposes.

(6) Nothing in this regulation authorises the processing of personal data in a manner inconsistent with any provision of the data protection legislation.

(7) In this regulation—

^{F12} ...

“data protection legislation”, “personal data” and “processing” have the same meanings as in the Data Protection Act 2018 (see section 3 of that Act);

“medical purposes” has the meaning given for the purposes of section 251 of the Act.]

Electronic transfer of patient records between GP practices

69.—(1) A contractor must use the facility known as “GP2GP” for the safe and effective transfer of any patient records—

- (a) in a case where a new patient registers with the contractor's practice, to the contractor's practice from the practice of another provider of primary medical services (if any) with which the patient was previously registered; or
- (b) in a case where the contractor receives a request from another provider of primary medical services with which the patient has registered, in order to respond to that request.

(2) In this regulation, “GP2GP facility” means the facility provided by [^{F1}NHS England] to a contractor's practice which enables the electronic health records of a registered patient which are held on the computerised clinical systems of a contractor's practice to be transferred securely and directly to another provider of primary medical services with which the patient has registered.

(3) The requirements of this regulation do not apply in the case of a temporary resident.

[^{F16}Transfer of patient records between GP practices: time limits

69A.—(1) This regulation applies where—

- (a) a patient on a contractor’s list of patients has registered with another provider of primary medical services, and
- (b) the contractor receives a request from that provider for the complete records relating to that patient.

Changes to legislation: The National Health Service (General Medical Services Contracts) Regulations 2015, PART 10 is up to date with all changes known to be in force on or before 01 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

(2) The contractor must, before the end of the period of 28 days beginning with the day on which it receives the request from the provider—

- (a) send the complete records (other than any part of the records held only in paper form) to the provider via the GP2GP facility in accordance with regulation 69, and
- (b) send to [^{F1}NHS England] in accordance with regulation 67(5A), the complete records, or any part of the records—
 - (i) for which the contractor does not receive a confirmation, or
 - (ii) held only in paper form.

(3) In this regulation—

“confirmation”, in relation to records sent via the GP2GP facility, means confirmation of safe and effective transfer via that facility;

“GPG2P facility” has the same meaning as in paragraph (2) of regulation 69.]

Clinical correspondence: requirement for NHS number

70.—(1) A contractor must include the NHS number of a registered patient as the primary identifier in all clinical correspondence issued by the contractor which relates to that patient.

(2) The requirement in paragraph (1) does not apply where, in exceptional circumstances outside of the contractor's control, it is not possible for the contractor to ascertain the patient's NHS number.

(3) In this regulation—

“clinical correspondence” means all correspondence in writing, whether in electronic form or otherwise, between the contractor and other health service providers concerning or arising out of [^{F17}the provision of a remote service or] patient attendance and treatment at practice premises including referrals made by letter or by any other means; and

“NHS number”, in relation to a registered patient, means the number, consisting of ten numeric digits, which serves as the national unique identifier used for the purpose of safely, accurately and efficiently sharing information relating to that patient across the whole of the health service in England.

Patient online services [F19: appointments and prescriptions]

71.—(1) A contractor must promote and offer to its registered patients the facility for a patient to—

- (a) book, view, amend, cancel and print appointments online;
- (b) order repeat prescriptions for drugs, medicines or appliances online; and
- (c) view and print a list of any drugs, medicines or appliances in respect of which the patient has a repeat prescription,

in a manner which is capable of being electronically integrated with the computerised clinical systems of the contractor's practice using appropriate systems authorised by [F1NHS England] .

(2) The requirements in paragraph (1) do not apply where the contractor does not have access to computer systems and software which would enable it to offer the online services described in that paragraph to its registered patients.

[F20(3) A contractor must when complying with the requirements in paragraph (1)(a)—

- (a) ensure that [F21all of its directly bookable appointments] are made available for online booking, whether or not those appointments are booked online, by telephone or in person, to include all appointments which must be made available for direct booking by NHS 111 in accordance with paragraph 11B of Part 1 of Schedule 3 to these Regulations; and
- (b) consider whether it is necessary, in order to meet the needs of its registered patients, to increase the proportion of appointments which are available for its registered patients to book online and, if so, increase that number.

(3A) In the case of appointments required to be made available for direct booking by NHS 111, in accordance with paragraph 11B of Part 1 of Schedule 3 to these Regulations, those appointments can be released to be booked by a contractor’s registered patients by any means in the two hour period within core hours prior to the appointment time, or such other period agreed pursuant to a local arrangement, if they have not been booked by NHS 111 prior to this time.]

[^{F32}Patient online services: provision of online access to coded information in medical record and prospective medical records

71ZA.—(1) Where the contractor holds the medical record of a registered patient (“P”) on its computerised clinical systems, the contractor must—

- (a) provide P with the facility to access online information entered onto P’s medical record on or after the relevant date (the “prospective medical record”); and
- (b) promote and offer to P, in accordance with paragraph (2), the facility to access online the information from P’s medical record held in coded form.

(2) For the purposes of paragraph (1)(b), the contractor is taken to be—

- (a) promoting the facility to P where P is encouraged to utilise the practice’s digital services and to interact with the practice via online access;
- (b) offering the facility to P where it is freely available to P if P shows interest in the facility or requests access in writing to their medical records held in coded form.

(3) Where a person (“R”) applies to become a registered patient of the contractor, the contractor must, as part of the registration process—

- (a) make information available to R about the practice’s digital services and about how R may interact with the practice via online access; and
- (b) inform R in writing that on becoming a registered patient, R will be provided with the facility to access R’s prospective medical record (unless R chooses not to be provided with that facility).

(4) The contractor must configure its computerised clinical systems so as to allow its registered patients the facility to access online information entered onto their medical record.

(5) In this regulation, “relevant date” means—

- (a) if the contractor has not provided P with the facility to access online P’s prospective medical record under this regulation as in force immediately before 15th May 2023, the day on which the contractor does provide the facility under paragraph (1)(a); or
- (b) 31st October 2023,

whichever is the earlier.

(6) Where—

- (a) the contractor has not, before 15th May 2023, provided P with the facility to access online P’s prospective medical record; and
- (b) P makes a request in writing to the contractor on or after 15th May 2023 but before 31st October 2023, to be provided with that facility,

the contractor must provide that facility to P by the end of the compliance period or by 31st October 2023 whichever is the earlier.

(7) Where—

- (a) the contractor has not, before 1st November 2023, for whatever reason, provided P with the facility to access online P’s prospective medical record; and

Changes to legislation: The National Health Service (General Medical Services Contracts) Regulations 2015, PART 10 is up to date with all changes known to be in force on or before 01 July 2024. - (b) P makes a request in writing to the contractor on or after 31st October 2023 to be provided with that facility,
- the contractor must provide P with that facility by the end of the compliance period.
- (8) Subject to paragraph (9), the contractor must not remove the facility of a registered patient to access online their medical record provided under—
- (a) this regulation as in force immediately before 15th May 2023; or
 - (b) paragraph (1).
- (9) Nothing in this regulation requires the contractor to provide P with the facility to access—
- (a) online information entered onto the medical record where that information is excepted information;
 - (b) online information entered onto P’s prospective medical record where P has informed the contractor that they do not, or no longer, wish to be provided with that facility; or
 - (c) information referred to in paragraph (1)(b) which the contractor’s computerised systems cannot separate from any free-text entry in P’s medical record.
- (10) For the purposes of this regulation and regulation 71ZB—
- (a) “the compliance period” means the period specified in Article 12 of the UK GDPR for compliance with a request made in exercise of a right under Article 15 of the UK GDPR;
 - (b) information is “excepted information” if the contractor would not be required to disclose it in response to a request made in exercise of a right under Article 15 of the UK GDPR.
- (11) For the purposes of paragraph (10), “UK GDPR” has the meaning given in section 3(10) of the Data Protection Act 2018.]

[^{F33} Patient online services: provision of online access to full digital medical record

71ZB.—(1) A contractor must provide a registered patient (“P”) with the facility to access online relevant medical information if—

- (a) its computerised clinical systems ^{F34}... allow it to do so, and
- (b) P requests, in writing, that it provide that facility.

[
^{F35}(1A) Where P makes a request under paragraph (1)(b), the contractor must provide P with the facility by the end of the compliance period.

(1B) The contractor must configure its computerised clinical systems so as to allow its registered patients the facility to access online their relevant medical information.]

(2) In this regulation “relevant medical information” means any information entered on P’s medical record other than—

- (a) any information which P can access online via a facility [^{F36}provided in accordance with regulation 71ZA(1)], or
- (b) any excepted information.]
