2015 No. 1862

The National Health Service (General Medical Services Contracts) Regulations 2015

PART 10

Records and information

Summary Care Record

68.—(1) A contractor must, in any case where there is a change to the information included in a patient's medical record, enable the automated upload of summary information to the Summary Care Record, [^{F1}when the change occurs], using approved systems provided to it by the Board.

(2) In this regulation—

“Summary Care Record” means the system approved by the Board for the automated uploading, storing and displaying of patient data relating to medications, allergies, adverse reactions and, where agreed with the contractor and subject to the patient's consent, any other data [^{F2}(other than any information recorded in accordance with regulation 67A)] taken from the patient's electronic record; and

“summary information” means items of patient data that comprise the Summary Care Record.
