**2015 No. 1953**

**The Seed Potatoes (England) Regulations 2015**

**Identification of genetically modified seed potatoes**

- 15.** No person may market genetically modified seed potatoes unless—
- (a) it is clearly indicated in any marketing information, including any sales catalogue or other marketing representations provided by the person marketing the seed potatoes, that the seed potatoes have been genetically modified; and
  - (b) any official label or official document, or other label or document, affixed to, accompanying or relating to the seed potatoes clearly indicates that they have been genetically modified.
