Automatic enrolment

26.—(1) A person (P) begins pensionable service under this scheme on P's first day of eligible service unless—

- (a) regulation 31 (opting out before the end of the initial period of eligible service) applies; or
- (b) P is a transition member with continuity of service and paragraph (2) applies.

(2) This paragraph applies if—

- (a) P's first day of eligible service is the day after P's closing date; and

(3) Paragraph (4) applies in relation to a person (P) in service as a member of a police force in England and Wales (“the original police force”) who becomes a member of another police force in England and Wales (“the new police force”).

(4) A person in pensionable service under this scheme in relation to the original police force continues in pensionable service under this scheme when P becomes a member of the new police force.

(5) Paragraph (6) applies in relation to a person (P) who is a member of the police service in Northern Ireland or the Police Service of Scotland who becomes a member of a police force in England and Wales (“ the new police force ”).

(6) A person in pensionable service under the 2015 NI police pension scheme or the 2015 Scotland police pension scheme begins pensionable service under this scheme when P becomes a member of the new police force.

Opting in to this scheme

27.—(1) A person in eligible service who is not in pensionable service under this scheme may opt to become an active member of this scheme in relation to that eligible service.

(2) The option under this regulation may only be exercised by written notice to the scheme manager (“opt-in notice”).

(3) The option under this regulation is taken to be exercised on the date on which the opt-in notice is received by the scheme manager ^{M3}.

(4) If P opts out of this scheme within 12 months after opting in, P may not opt in again until after the end of that period of 12 months.

(5) A person who was in pensionable service before beginning a career break or any other period of unpaid leave is taken to re-enter pensionable service when returning from the career break or other period of unpaid leave.

When an opt-in takes effect

28. If P opts in to this scheme in relation to eligible service, P becomes an active member of this scheme in relation to that service—

- (a) at the beginning of the first pay period beginning on or after the date on which the option is exercised; or
- (b) if the scheme manager considers that time inappropriate, at any other time the scheme manager considers appropriate.

Automatic re-enrolment

29.—(1) This regulation applies if, on the automatic re-enrolment date, a person in eligible service is not in pensionable service under this scheme.

(2) On the automatic re-enrolment date, the scheme manager must enrol P in this scheme in relation to that eligible service if the employer is required under section 5 (automatic re-enrolment) of the Pensions Act 2008 ^{M4} to make arrangements for P to be an active member of a pension scheme.

(3) For the purpose of paragraph (2), the employer is required to make arrangements under that section even if—

- (a) P has not reached the age of 22;
- (b) P has reached normal pension age under this scheme; or

- (c) the earnings requirements under that section are not met.

Opting out of this scheme

30.—(1) A person (P) opts out of this scheme in relation to eligible service if P opts not to be an active member of this scheme in relation to that service.

(2) P may only exercise the option under paragraph (1) by written notice to the scheme manager (“opt-out notice”).

(3) The option is taken to be exercised on the date on which the opt-out notice is received by the scheme manager.

Opting out before the end of the initial period of eligible service

31.—(1) This regulation applies if a person (P) opts out of this scheme in relation to eligible service—

- (a) before the end of 3 months after P's first day of eligible service (or within any longer period the scheme manager considers appropriate); or
- (b) before the end of one month after the automatic re-enrolment date (or within any longer period the scheme manager considers appropriate).

(2) If paragraph (1)(a) applies, P is taken never to have been in pensionable service under this scheme in relation to that eligible service.

(3) If paragraph (1)(b) applies, P is taken not to have been in pensionable service under this scheme during the period referred to in paragraph (1)(b).

(4) This regulation does not require the scheme manager to pay P any additional amount which becomes payable by P in respect of national insurance contributions because P has not after all been an active member of this scheme during any period.

Opting out after the initial period of eligible service

32.—(1) This regulation applies if—

- (a) regulation 31 (opting out before the end of the initial period of eligible service) does not apply; and
- (b) a person (P) opts out of this scheme in relation to eligible service—
 - (i) 3 months or more after P's first day of eligible service; or
 - (ii) one month or more after P's automatic re-enrolment date.

(2) If P exercises the option under paragraph (1)(b), P ceases to be in pensionable service under this scheme—

- (a) on the first day of the first pay period beginning on or after the date on which the option is exercised; or
- (b) if the scheme manager considers that day inappropriate, on the first day of any later pay period the scheme manager considers appropriate.
