**2015 No. 445**

**The Police Pensions Regulations 2015**

**PART 7**

**Retirement benefits**

**CHAPTER 3**

**Ill-health pension**

**Entitlement to payment of ill-health pension**

**102.**—(1) An active member of this scheme who has not reached normal pension age under this scheme is entitled to payment for life of an ill-health pension under this Chapter if the conditions in paragraph (2) are met.

(2) The conditions are—

- (a) the police pension authority acting in exercise of its functions as employer requires the member to retire on a date determined by the police pension authority under Part 6;
- (b) the member has at least 2 years' qualifying service or is permanently medically unfit as the result of an injury received without the member's default in the execution of duty; and
- (c) the member is eligible under this scheme for payment of ill-health benefits.

(3) An ill-health pension under this Chapter is payable as follows—

- (a) if the member meets the lower tier threshold, a lower tier ill-health pension is payable;
- (b) if the member meets the upper tier threshold—
  - (i) a lower tier ill-health pension is payable; and
  - (ii) an enhanced upper tier ill-health pension is payable.

(4) A retirement added pension of any description is payable with a lower tier ill-health pension if the retirement account specifies an amount of retirement added pension of that description.

(5) For a transition member with continuity of service, a transition member's ill-health pension is payable under paragraph 23 of Schedule 4.

(6) For a pensioner member who becomes entitled to an enhanced upper tier ill-health pension under regulation 112 or 113, an ill-health pension is payable in accordance with that regulation.
