AGRICULTURE, ENGLAND

**The Animal Feed (Hygiene, Sampling etc. and
Enforcement) (England) Regulations 2015**

Made - - - - 25th February 2015
Laid before Parliament 5th March 2015
Coming into force - - 6th April 2015

The Secretary of State makes the following Regulations in exercise of the powers conferred on him by sections 66(1), 67(5), 74A(4), 79(9) and 84 of the Agriculture Act 1970(1), as read with regulation 14 of the Food Standards Act 1999 (Transitional and Consequential Provisions and Savings) (England and Wales) Regulations 2000(2).

In so far as these Regulations cannot be made under the 1970 Act, the Secretary of State makes these Regulations in exercise of his powers as a Minister designated for the purposes of section 2(2) of the European Communities Act 1972(3) in relation to the common agricultural policy of the European Union(4), the control and regulation of genetically modified organisms(5), measures in the veterinary and phytosanitary fields for the protection of public health(6) and measures relating to feed produced for or fed to food-producing animals(7), as read with paragraph 1A of Schedule 2 to that Act.

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Secretary of State that it is expedient for a reference to EU instrument mentioned in regulation 2(5) to be construed as references to that instrument as any Annex to it may be amended from time to time.

There has been open and transparent public consultation during the preparation of these Regulations in accordance with the requirements of Article 9 of Regulation (EC) No. 178/2002 of the European

-
- (1) 1970 c.40. Section 66(1) contains definitions of the expressions “the Ministers”, “prescribed” and “regulations”. The definition of “the Ministers” was amended by the Transfer of Functions (Wales) (No. 1) Order 1978 (S.I. 1978/272), Schedule 5, paragraph 1. Functions of “the Ministers”, so far as exercisable in relation to Wales, were transferred to the National Assembly for Wales by S.I. 1999/672 and subsequently transferred to the Welsh Ministers by paragraph 30 of Schedule 11 to the Government of Wales Act 2006 (2006 c.32). Those functions, so far as exercisable in relation to Scotland, were transferred to the Scottish Ministers by section 53 of the Scotland Act 1998 (1998 c. 46). By virtue of S.I. 1999/3141, functions of the Secretaries of State for Wales and Scotland previously exercisable in relation to England ceased to be so exercisable and were transferred to the Minister of Agriculture, Fisheries and Food. Section 74A was inserted by the European Communities Act 1972 (1972 c. 68), Schedule 4, paragraph 6. Sections 66(1) and 84 were amended by S.I. 2004/3254. Section 66(1) was also amended by S.I. 2010/2280.
- (2) S.I. 2000/656.
- (3) 1972 c.68. Paragraph 1A of Schedule 2 was inserted by section 28 of the Legislative and Regulatory Reform Act 2006 (2006 c.51) and amended by Part 1 of Schedule 1 to the European Union (Amendment) Act 2008 (2008 c.7).
- (4) S.I. 1972/1811, amended by S.I. 2002/794.
- (5) S.I. 1991/755.
- (6) S.I. 1999/2027.
- (7) S.I. 2003/2901.

send the retained part of the sample to be analysed by the Government Chemist.

(3) The Government Chemist must analyse in the prescribed manner the part of the sample sent under paragraph (2) and send to the authorised officer a certificate of the analysis which must be signed by the Government Chemist or by a person authorised by the Government Chemist to sign.

(4) An analysis required to be made under paragraph (3) may be performed by a person acting under the direction of the Government Chemist.

(5) The authorised officer must immediately on receipt supply the prosecutor (if a person other than the authorised officer) and the defendant with a copy of the Government Chemist's certificate of analysis.

(6) Where a request is made under paragraph (2)(c) the authorised officer may give notice in writing to the defendant requesting payment of a fee specified in the notice in respect of the functions mentioned in paragraph (3), and if the specified fee does not exceed either —

- (a) section 75(1) of the Act (sample analysed at the request of the purchaser); or
 - (b) section 78(1) of the Act (further analysis by Government Chemist) in so far as that subsection does not relate to official controls,

the method of analysis shall be the appropriate one, if any, set out in Regulation 152/2009.

(2) In cases where there is no appropriate method of analysis in Regulation 152/2009, the analysis must be carried out in the manner referred to in Article 11(1)(a) or, as appropriate, (b) of Regulation (EC) No. 882/2004 as read with Commission Regulation (EC) No. 669/2009 implementing Regulation (EC) No. 882/2004 of the European Parliament and of the Council as regards the increased level of official controls on imports of certain feed and food of non-animal origin and amending Decision 2006/504/EC(14).

if the officer did that act in the honest belief that the duty under these Regulations required or entitled the officer to do it.

(2) Nothing in paragraph (1) is to be construed as relieving any enforcement authority of any liability in respect of the acts of its officers.

(3) Where an action has been brought against an authorised officer in respect of an act done —

- (a) in the execution or purported execution of these Regulations; but
- (b) outside the scope of the officer's employment,

(4) An agricultural analyst is to be treated for the purposes of this regulation as being an authorised officer, whether or not the appointment is a whole-time one.

PART 5

Enforcement powers and related provisions

- (b) any decision of such a court to make a feed business prohibition order or a feed business emergency prohibition order,

Further provisions relating to appeals

(2) Where any period specified in a feed business improvement notice pursuant to regulation 24(1)(d) would otherwise include any day on which an appeal against that notice is pending, that day is to be excluded from that period.

(3) An appeal is to be regarded as pending for the purposes of paragraph (2) until it is finally disposed of, is withdrawn or is struck out for want of prosecution.

Feed business prohibition orders

28.—(1) If —

- (a) a feed business operator is convicted of an offence under specified feed law; and
- (b) the court by or before which the operator is so convicted is satisfied that the health risk condition is fulfilled with respect to the feed business concerned,

the court must by an order impose the appropriate prohibition.

(2) The health risk condition is fulfilled with respect to a feed business if any of the following involves risk of injury to health (including any impairment, whether permanent or temporary), namely —

- (a) the use for the purposes of the business of any process or treatment;
- (b) the construction of any premises used for the purposes of the business, or the use for those purposes of any equipment; or
- (c) the state or condition of any premises or equipment used for the purposes of the business,

and health means the health of an animal or, through the consumption of the products of such animal, human health.

(3) The appropriate prohibition is —

- (a) in a case falling within sub-paragraph (a) of paragraph (2), a prohibition on the use of the process or treatment for the purposes of the business;
- (b) in a case falling within sub-paragraph (b) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of the business or any other feed business of the same class or description; and
- (c) in a case falling within sub-paragraph (c) of that paragraph, a prohibition on the use of the premises or equipment for the purposes of any feed business.

(4) If —

- (a) a feed business operator is convicted of an offence under specified feed law; and
- (b) the court by or before which the operator is so convicted thinks it proper to do so in all the circumstances of the case,

the court may, by an order, impose a prohibition on the feed business operator participating in the management of any feed business, or any feed business of a class or description specified in the order.

(5) As soon as practicable after the making of an order under paragraph (1) or (4) (in these Regulations referred to as a “feed business prohibition order”), the enforcement authority must —

- (a) serve a copy of the order on the relevant feed business operator; and
- (b) in the case of an order made under paragraph (1), affix a copy of the order in a conspicuous position on such premises used for the purposes of the feed business as the authority considers appropriate,

and any person who knowingly contravenes such an order commits an offence.

(6) A feed business prohibition order ceases to have effect —

- (a) in the case of an order made under paragraph (1), on the issue by the enforcement authority of a certificate to the effect that it is satisfied that the feed business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the feed business; and
 - (b) in the case of an order made under paragraph (4), on the giving by the court of a direction to that effect.
- (7) The enforcement authority must issue a certificate under sub-paragraph (a) of paragraph (6) within three days of its being satisfied as mentioned in that sub-paragraph; and on an application by the feed business operator for such a certificate, the authority must —
- (a) determine, as soon as is reasonably practicable and in any event within 14 days, whether or not it is so satisfied; and
 - (b) if it determines that it is not so satisfied, give notice to the feed business operator of the reasons for that determination.
- (8) The court shall give a direction under sub-paragraph (b) of paragraph (6) if, on an application by the feed business operator, the court thinks it proper to do so having regard to all the circumstances of the case, including in particular the conduct of the feed business operator since the making of the order; but no such application shall be entertained if it is made —
- (a) within six months of the making of the feed business prohibition order; or
 - (b) within three months of the making by the feed business operator of a previous application for such a direction.
- (9) Where a magistrates' court makes an order under regulation 29(2) with respect to any feed business, paragraph (1) shall apply as if the feed business operator had been convicted by the court of an offence under specified feed law.
- (10) Where the commission of an offence by a feed business operator leads to the conviction of another person pursuant to regulation 35(1), paragraph (4) shall apply in relation to that other person as it applies in relation to the feed business operator and any reference in paragraph (5) or (8) to the feed business operator is to be construed accordingly.

Feed business emergency prohibition notices and orders

29.—(1) If an authorised officer of an enforcement authority is satisfied that the health risk condition is fulfilled with respect to a feed business the officer may, by a notice served on the relevant feed business operator (in these Regulations referred to as a “feed business emergency prohibition notice”), impose the appropriate prohibition.

(2) If a magistrates' court is satisfied, on the application of such an officer, that the health risk condition is fulfilled with respect to a feed business, the court must, by an order (in these Regulations referred to as a “feed business emergency prohibition order”), impose the appropriate prohibition.

(3) Such an officer may not apply for a feed business emergency prohibition order unless, at least one day before the date of the application, the officer has served notice on the relevant feed business operator of the intention to apply for the order.

(4) Paragraphs (2) and (3) of regulation 28 apply for the purposes of this regulation as they apply for the purposes of that regulation, but as if the reference in paragraph (2) to risk of injury to health were a reference to imminent risk of such injury.

(5) As soon as practicable after the service of a feed business emergency prohibition notice, an authorised officer of an enforcement authority must affix a copy of the notice in a conspicuous position on such premises used for the purposes of the feed business as the officer considers appropriate; and a person who knowingly contravenes such a notice commits an offence.

(6) As soon as practicable after the making of a feed business emergency prohibition order, an authorised officer of an enforcement authority must —

- (a) serve a copy of the order on the relevant feed business operator; and
- (b) affix a copy of the order in a conspicuous position on such premises used for the purposes of the feed business as the officer considers appropriate,

and a person who knowingly contravenes such an order commits an offence.

(7) A feed business emergency prohibition notice ceases to have effect —

- (a) if no application for a feed business emergency prohibition order is made within the period of three days beginning with the service of the notice, at the end of that period; or
- (b) if such an application is so made, on the determination or abandonment of the application.

(8) A feed business emergency prohibition notice or a feed business emergency prohibition order ceases to have effect on the issue by the enforcement authority of a certificate to the effect that it is satisfied that the feed business operator has taken sufficient measures to secure that the health risk condition is no longer fulfilled with respect to the feed business.

(9) The enforcement authority must issue a certificate under paragraph (8) within three days of being satisfied as mentioned in that paragraph; and on an application by the feed business operator for such a certificate, the authority must —

- (a) determine as soon as is reasonably practicable and in any event within 14 days whether or not it is so satisfied; and
- (b) if it determines that it is not so satisfied, give notice to the feed business operator of the reasons for that determination.

(10) Where a feed business emergency prohibition notice is served on a feed business operator, the enforcement authority must compensate the operator in respect of any loss suffered by reason of complying with the notice unless —

- (a) an application for a feed business emergency prohibition order is made within the period of three days beginning with the service of the notice; and
- (b) the court declares itself satisfied, on the hearing of the application, that the health risk condition was fulfilled with respect to the feed business at the time when the notice was served,

and any disputed question as to the right to or the amount of any compensation payable under this paragraph is to be determined by arbitration.

Powers of entry and inspection

30.—(1) For the purposes of —

- (a) executing and enforcing specified feed law; or
- (b) carrying out investigations, in accordance with Article 4.2 of [Directive 2002/32/EC](#) of the European Parliament and of the Council on undesirable substances in animal feed⁽¹⁵⁾ to determine the source of specified undesirable substances,

an authorised officer may, subject to paragraph (2) and on producing, if requested to do so, some duly authenticated documentation showing the officer's identity and authority, enter premises mentioned in paragraph (3).

⁽¹⁵⁾ OJ No. L140, 30.5.2002, p.10. This instrument was last amended by Commission Regulation (EU) No. 1275/2013 (OJ No. L328, 7.12.2013, p.86). The threshold levels referred to in Article 4.2 and set out in Annex II were last amended by Commission Regulation (EU) No. 277/2012 (OJ No. L91, 29.3.2012, p.1).

(2) The entry of premises under this regulation and otherwise than by warrant signed by a justice must take place—

- (a) at reasonable times; and
- (b) in the case of audits where prior notification of the occupier is necessary, on prior notice of not less than forty eight hours being given to the occupier.

(3) The premises (not being premises used wholly or mainly as a dwelling) are —

- (a) any premises on which the officer has reasonable cause to believe that feed has been, or is being, manufactured or produced, or is being kept for the purpose of being placed on the market, incorporated in another product or used; or
- (b) any premises on which the officer has reasonable cause to believe that there is any feed of which the occupier of the premises has possession or control.

(4) If a justice of the peace, on sworn information in writing, is satisfied that there is reasonable ground for entry into any such premises as are mentioned in paragraph (3), and either —

- (a) that admission to the premises has been refused, or a refusal is apprehended, and that notice of the intention to apply for a warrant has been given to the occupier; or
- (b) that an application for admission or the giving of such a notice would defeat the object of the entry, or that the case is one of urgency, or that the premises are unoccupied or the occupier temporarily absent,

the justice may by signed warrant authorise the authorised officer to enter the premises, if need be by reasonable force.

(5) Every warrant granted under this regulation shall continue in force for a period of one month.

(6) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, may be accompanied by such other persons and take such equipment as may appear to the officer to be necessary and, on leaving the premises, must ensure that the premises are in as close a condition as practicable to that in which the officer found them.

(7) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right to inspect —

(9) Without prejudice to the authorised officer's powers and duties as to the taking of samples in the prescribed manner, an authorised officer may take a sample in a manner other than that prescribed of any material which has been sold for use as feed or which the officer has reasonable cause to believe to be intended for sale as such.

(10) Where, for the purpose of taking a sample pursuant to paragraph (8) or (9), an authorised officer takes some of it from each of one or more containers, which are exposed for sale by retail, and none of which weighs more than six kilograms, the owner of the container or containers may require the officer to purchase the container or containers on behalf of the authority for which the officer acts.

(11) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right —

- (a) to require any person carrying on, or appearing to be carrying on, a feed business, or any person employed in connection with such a business, to produce any record (in whatever form it is held) relating to or arising out of the exercise in the course of that business of any such activity, and of which that person has possession or control; and
- (b) to inspect and take copies of any record, or of any entry in any record produced in pursuance of the preceding sub-paragraph.

- (c) may require the record, or an extract from the record, to be produced in a form in which it may be taken away.

(13) Where (in the case of a person carrying on, or appearing to carry on, a business which consists of or includes the manufacture of a compound feed) —

- (a) a requirement is made under paragraph (11)(a) in relation to any feed which is, or appears to be, intended for a particular nutritional purpose; and
- (b) at the time the requirement is made, the record in respect of which it is made has been published and is available in accessible form for public use,

the person of whom the requirement is made shall be deemed to comply with it if, at the time it is made, that person supplies the authorised officer making it with correct and adequate details of the publication concerned, and of where a copy of it may be obtained.

(14) An authorised officer entering premises by virtue of this regulation, or of a warrant issued under it, has the right to seize and detain any record which the officer has reasonable cause to believe to be a record which may be required as evidence in proceedings under specified feed law.

(15) On seizing and detaining any record mentioned in paragraph (14), the authorised officer must provide to the occupier a notice containing—

- (a) a description of the record; and
- (b) a statement that the record will be detained until it is no longer required as evidence in proceedings under specified feed law.

(16) In this regulation —

- (a) on which an animal or bird affected with any disease to which that Act applies is kept; and
- (b) which is situated in a place declared under that Act to be infected with such a disease.

Powers of detention and seizure

- (b) that justice of the peace may, but need not, be a member of the court before which a person is charged with an offence under those provisions in relation to that material.

(5) Subject to paragraph (8), if it appears to a justice of the peace, on the basis of such evidence as the justice considers appropriate in the circumstances, that any material falling to be dealt with by a justice of the peace under this regulation fails to comply with the requirements of specified feed law then the justice must condemn the material and order —

- (a) the material to be destroyed or to be so disposed of as to prevent it from being used as food for human consumption or for feed; and
- (b) any expenses reasonably incurred in connection with the destruction or disposal to be defrayed by the feed business operator.

must compensate the owner of the material for any depreciation in its value resulting from the action taken by the authorised officer.

(7) Any disputed question as to the right or the amount of any compensation payable under paragraph (6) is to be determined by arbitration.
