EXPLANATORY NOTE

(This note is not part of the Order)

This Order provides for payments for services and expenses of returning officers in connection with the conduct of parliamentary elections in England, Wales and Scotland. It replaces the Parliamentary Elections (Returning Officers' Charges) Order 2010 (S.I. 2010/830).

Under section 29(3) of the Representation of the People Act 1983 (c.2) a returning officer may recover their charges for services and expenses, provided they were necessarily rendered or incurred for the efficient and effective conduct of the parliamentary election and the total does not exceed the overall maximum recoverable amount specified by the Minister in an order. Section 29(3A) enables the Minister to specify by order a maximum recoverable amount for particular services or expenses.

Articles 3(1), 4(1) and 5(1) and Schedule 1 specify the maximum amounts recoverable by returning officers when a parliamentary election is a stand-alone poll.

Articles 3(2), 4(2) and 5(2) and Schedule 2 specify the maximum amounts recoverable by returning officers where the parliamentary general election in 2015 is taken together only with the poll at an ordinary election of councillors. Section 15(1) of the Representation of the People Act 1985 (c.50) provides that where the polls at an ordinary election of councillors and a parliamentary general election are to be taken on the same day, they shall be taken together.

Articles 3(3), 4(3) and 5(3) and Schedule 3 specify the maximum amounts recoverable by returning officers where the parliamentary general election in 2015 is taken together with the poll at an ordinary election of councillors and also the poll at an ordinary election of a mayor in England. Schedule 2 of the Local Authorities (Mayoral Elections) (England and Wales) Regulations 2007 (S.I. 2007/1024) means that where the polls at an ordinary election of councillors, a parliamentary general election and an ordinary election of a mayor are to be taken on the same day, they shall be taken together. Articles 3(3), 4(3) and 5(3) do not extend to Scotland since elected mayors do not exist in Scotland.

On the same day as the 2015 parliamentary general election, there will be elections of metropolitan and non-metropolitan district councillors by thirds (the election of one-third of the councillors for

the district) and non-metropolitan district councillors by whole-council elections as well as elections of directly elected mayors.

The table in each of the Schedules lists by constituency the maximum recoverable amount for specified services (column 2), the maximum recoverable amount for specified expenses (column 3) and the overall maximum recoverable amount (column 4).

In the case of an uncontested parliamentary election, article 6 provides that articles 3 to 5 do not apply. Instead the overall maximum recoverable amount is £1,750 for each constituency.

A full regulatory impact assessment has not been produced for this instrument because no impact on the private or voluntary sectors is foreseen.
