The Control of Major Accident Hazards Regulations 2015

PART 4

EMERGENCY PLANS FOR UPPER TIER ESTABLISHMENTS

**Implementing emergency plans**

**16.** An operator or local authority which has prepared an internal emergency plan or external emergency plan must take reasonable steps to ensure that it is put into effect without delay if—

- (a) a major accident occurs; or
- (b) an uncontrolled event occurs which by its nature could reasonably be expected to lead to a major accident.
