**EMPLOYMENT AND TRAINING**

**The Industrial Training Levy (Construction Industry Training Board) Order 2015**

*Made - - - - 10th March 2015*

*Coming into force in accordance with Article 1*

The Secretary of State makes this Order in exercise of the powers conferred by section 11(2) and section 12(3) and (4) of the Industrial Training Act 1982(1) (“the Act”).

This Order is made to give effect to levy proposals submitted by the Construction Industry Training Board(2) pursuant to section 11(1) of the Act which, as required by section 11(3) of the Act, include proposals for the exemption of employers employing a small number of employees.

The levy proposals include proposals for securing that no exemption certificates shall be issued by the Board and the amount of levy payable by employers will exceed 0.2% of their relevant emoluments in respect of the base period for each levy period. Accordingly, section 11(5) of the Act applies to this Order.

In relation to the requirements set out in section 11(5) of the Act the Secretary of State is satisfied that the levy proposals are necessary to encourage adequate training in the industry and the condition in section 11(6)(a) of the Act is met.

The Secretary of State estimates that the levy to be paid by employers in the industry exceeds 1% of their relevant emoluments and accordingly this Order falls within section 11(7)(b) of the Act; the Secretary of State considers that the amount to be paid by employers in the industry is appropriate in the circumstances.

The Secretary of State has consulted the Scottish Ministers as required by section 88(2) of the Scotland Act 1998(3).

A draft of this Order was laid before Parliament in accordance with section 12(6) of the Act and approved by resolution of each House of Parliament.

### **Base periods**

4.—(1) The base period for the first levy period is the twelve months commencing with 6th April 2013.

(2) The base period for the second levy period is the twelve months commencing with 6th April 2014.

### **Construction establishments to be assessed**

5.—(1) The Board must assess the amount of levy to be paid in respect of each construction establishment of an employer.

(2) In this Order, “construction establishment” means any particular establishment of the employer engaged wholly or mainly in the construction industry during the necessary period.

(3) In this article “the necessary period” means—

- (a) a period (which need not be continuous) consisting of a total of 27 or more weeks falling within the relevant base period; or
- (b) in the case of a construction establishment which started being engaged in the construction industry during the relevant base period, a period (which need not be continuous)—

  - (ii) consisting of a total number of weeks exceeding one half of the number of weeks in the part of the relevant base period starting on the day on which the construction establishment started being engaged in that industry and ending on the last day of the relevant base period.

(4) The person who on the first day of the relevant levy period owns or otherwise has responsibility for a construction establishment is to be treated as the employer of all persons employed at or from that establishment during the relevant base period.

### **Treatment of construction establishments as one establishment**

6. The Board and an employer may agree that two or more construction establishments of that employer be treated as one construction establishment for the purposes of assessment of the amount of levy payable.

### Assessment of amount of levy

7.—(1) In respect of the first levy period and the second levy period, the amount of levy to be assessed in respect of each construction establishment is—

$$A + B - C$$

where

A is an amount equal to 0.5% of all emoluments which have been paid or are payable by the employer to or in respect of persons employed by the employer at or from the establishment in the relevant base period;

B is an amount equal to 1.5% of all payments (excluding payments in respect of the provision of materials and any other payments which are not in respect of the provision of services) made to persons during the relevant base period under labour-only agreements in respect of work carried out at or from the establishment; and

C is an amount equal to 1.5% of all payments (excluding payments in respect of the provision of materials and any other payments which are not in respect of the provision of services) received by the employer during the relevant base period from any other employers in the construction industry under labour-only agreements in respect of work carried out at or from the establishment.

(2) In respect of the third levy period, the amount of the levy to be assessed in respect of each construction establishment is—

$$A + B$$

where

A is an amount equal to 0.5% of all emoluments which have been paid or are payable by the employer to or in respect of persons employed by the employer at or from the establishment in the relevant base period; and

B is an amount equal to 1.25% of the relevant part of all contract payments made by the employer at or from the establishment in the relevant base period.

(3) “Contract payment” has the meaning given to it by section 60 of the Finance Act 2004<sup>(5)</sup>.

(4) The relevant part of a contract payment is the part of the contract payment in respect of which the relevant percentage is applied for the purpose of section 61 of the Finance Act 2004.

(5) Where an amount described as “A”, “B” or “C” is not a whole number of pounds, the amount shall be rounded down to the nearest £1.

(6) Where a construction establishment ceases to be engaged in the construction industry during a levy period, the amount of levy imposed in respect of the construction establishment for that period is to be in the same proportion to the amount that would otherwise be due under this article as the number of days between the commencement of the levy period and the date of the cessation of engagement (both dates inclusive) bears to the number of days in the levy period.

### EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order gives effect to levy proposals of the Construction Industry Training Board (“the Board”) which were submitted to the Secretary of State for Business, Innovation and Skills under section 11 of the Industrial Training Act 1982 (c.10) (“the Act”).

The levy proposals were for the imposition of a levy on employers engaged wholly or mainly in the construction industry for the purpose of raising money towards the Board’s expenses.

The Board must calculate the amount of levy due in respect of each construction establishment of an employer in accordance with article 7. This calculation is carried out with reference to the base periods in article 4. This Order introduces a new method of assessment in relation to sub-contractors

for the third levy period. In relation to that period, part of the amount of levy paid will be based on the relevant part of the contract payment upon which the sub-contractor is liable to deduction of sums on account of tax under the Construction Industry Scheme (see Chapter 3 of Part 3 of the Finance Act 2004 (c.12)).

The total amount of levy payable by the employer is the aggregate amount of levy for all the employer's construction establishments. If this aggregate amount is £80,000 or more but less than £100,000 in the first and second levy periods or less than £400,000 in the third levy period then a 50 % reduction will apply (article 8).

An employer assessed to levy will receive a written assessment notice from the Board setting out the amount of levy payable by that employer (article 10). Payment of the levy must usually be made within one month of service of the assessment notice by the Board (article 14). An assessment notice may be withdrawn by the Board and the Board may also serve amended assessment notices (articles 11 and 12).

Article 9 makes provision for employers employing a small number of employees to be exempt from the levy.

An employer assessed to levy may appeal against that assessment. An appeal must normally be made within one month of the date of service of the relevant assessment notice by the Board (article 15).

An impact assessment of the effect that this instrument will have on the costs of business and the voluntary sector is available from the Department for Business, Innovation & Skills, 1 Victoria Street, London, SW1H 0ET and is published with an Explanatory Memorandum alongside the instrument on [www.legislation.gov.uk](http://www.legislation.gov.uk).
