The Local Authorities (Public Health Functions and Entry to Premises by Local Healthwatch Representatives) and Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) (Amendment) Regulations 2015

*Made - - - - 23rd March 2015
Coming into force in accordance with regulation 1(2)
and (3)*

The Secretary of State makes these Regulations in exercise of the powers conferred by sections 6C(2), 272(7) and (8) and 275(1) of the National Health Service Act 2006(2).

A draft of these Regulations was laid before Parliament in accordance with section 272(6)(zzb)(3) of the National Health Service Act 2006 and was approved by a resolution of each House of Parliament.

Citation, commencement and interpretation

1.—(1) These Regulations may be cited as the Local Authorities (Public Health Functions and Entry to Premises by Local Healthwatch Representatives) and Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) (Amendment) Regulations 2015.

(2) Subject to paragraph (3), these Regulations come into force on 1st October 2015.

(3) Paragraphs (1) and (3) and regulation 4 come into force on 31st March 2015.

(4) In these Regulations, “the principal Regulations” means the Local Authorities (Public Health Functions and Entry to Premises by Local Healthwatch Representatives) Regulations 2013(4).

(1) See the definitions of “prescribed” and “regulations” in section 275, to which there are amendments not relevant to these Regulations.

(2) 2006 c. 41. Section 6C was inserted by section 18(1) of the Health and Social Care Act 2012 (c. 7).

(3) Section 272(6)(zzb) was inserted by section 18(2) of the Health and Social Care Act 2012.

(4) S.I. 2013/351, to which there are no amendments relevant to these Regulations.

Universal health visitor reviews

2. After regulation 5 of the principal Regulations (conduct of health checks), insert—

“Universal health visitor reviews

5A.—(1) In the exercise of its functions under section 2B of the Act (functions of local authorities and Secretary of State as to improvement of public health)(**5**), each local authority must, so far as reasonably practicable, provide or make arrangements to secure the provision of a universal health visitor review to be offered to or in respect of an eligible person in accordance with paragraphs (2) and (3).

(2) A universal health visitor review which is offered pursuant to paragraph (1) must, so far as reasonably practicable, be provided to the eligible person when the eligible person is—

- (a) a woman who is more than 28 weeks pregnant;
- (b) a child who is aged between one day and two weeks;
- (c) a child who is aged between six and eight weeks;
- (d) a child who is aged between nine and 15 months; or
- (e) a child who is aged between 24 months (two years) and 30 months (two years and six months).

(3) The review must be provided once in each of the periods described in paragraph (2) (a) to (e).

(4) In this regulation and regulation 5B—

- (a) an eligible person is a pregnant woman or child aged under five years in a local authority’s area; and
- (b) “universal health visitor review” means—
 - (i) an assessment of the health and development of an eligible person; and
 - (ii) a review of the eligible person’s health and development;
 as set out in the Healthy Child Programme.

(5) In this regulation, “the Healthy Child Programme” means the programme of that name, described in a policy guidance paper published by the Department of Health on 27th October 2009(**6**), that—

- (a) is intended for the benefit of pregnant women, children aged under five years and the families of such pregnant women and children;
- (b) provides for health and development assessments and reviews, screening tests, immunisations and health promotion guidance and support tailored to the needs of the pregnant woman, child, or their family at specified stages of development of the pregnant woman or child; and
- (c) assists the identification of families in need of additional health or well-being support and children who are at risk of suffering poor health or well-being.

(6) In discharging the requirements under paragraph (1), a local authority must act with a view to securing continuous improvement in the percentage of eligible persons participating in universal health visitor reviews.

(5) Section 2B was inserted by section 12 of the Health and Social Care Act 2012.

(6) The Healthy Child Programme policy guidance paper can be found at <https://www.gov.uk/government/publications/healthy-child-programme-pregnancy-and-the-first-5-years-of-life>. A copy of the policy guidance paper can be obtained from or inspected at Social Care, Local Government and Care Partnerships Directorate, the Department of Health, Richmond House, 79 Whitehall, London SW1A 2NS.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Local Authorities (Public Health Functions and Entry to Premises by Local Healthwatch Representatives) Regulations 2013 (S.I. 2013/351) (“the principal Regulations”) and the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 (S.I. 2013/218) (“the 2013 Regulations”).

Regulation 2 inserts new regulations 5A to 5C into the principal Regulations. New regulation 5A prescribes steps that a local authority must take to secure that certain health and development reviews (referred to as “universal health visitor reviews”) are offered to or for the benefit of pregnant women or children aged under five years in the local authority’s area at specified stages in the development of the pregnant woman or child. The details of the reviews are set out in the Healthy Child Programme, which is defined in paragraph (5) of new regulation 5A. Copies of the Healthy Child Programme guidance policy paper referred to in that paragraph can be obtained from or inspected at Social Care, Local Government and Care Partnerships Directorate, the Department of Health, Richmond House, 79 Whitehall, London SW1A 2NS.

Regulation 5B sets out who must carry out the review. It must generally be done by a health visitor except it may be delegated to a suitably qualified health professional or nursery nurse, or be done by a family nurse where the recipient of the review is receiving or has received services under a programme known as the Family Nurse Partnership. Copies of the Family Nurse Partnership licence and two variations referred to in new regulation 5B(4) can be obtained from or inspected at Health and Well-being Directorate, Public Health England, Skipton House, 80 London Road, London SE1 6LH.

New regulation 5C enables the Secretary of State to carry out a review of new regulations 5A and 5B. Where the Secretary of State carries out such a review before 31st March 2017, the Secretary of State must also publish a report before 31st March 2017. Following such a review, it will fall to the Secretary of State to consider in particular whether new regulations 5A and 5B should be allowed to expire as new regulation 8A inserted by regulation 3 provides, or continue in force with or without amendment. A further instrument would be needed to continue new regulations 5A and 5B in force.

Regulation 4 amends the 2013 Regulations. The effect of the amendments is to delay until 1st October 2015 the start of, and extend until 30th September 2016 the end of, an exemption period provided for by the 2013 Regulations. This is the period within which the services specified in paragraph 7 of Schedule 2 to the Community Right to Challenge (Expressions of Interest and Excluded Services) (England) Regulations 2012 (S.I. 2012/1313) (“the 2012 Regulations”) are excluded from a right whereby certain bodies may submit an expression of interest in providing or assisting in providing services on behalf of specified authorities in the exercise of any of those authorities’ functions in relation to England. The services specified in paragraph 7 of Schedule 2 to the 2012 Regulations are certain health visiting and related services for children aged under five years.

An assessment of the impact of this instrument on the private sector and civil society organisations has been made. A copy of this impact assessment is annexed to the Explanatory Memorandum which is available alongside the instrument on www.legislation.gov.uk. Copies may be obtained from the Department of Health, Richmond House, 79 Whitehall, London SW1A 2NS.
