CHAPTER 1

Determination and payment

**Pensionable earnings: more than one employment**

**29.**—(1) This regulation applies if, at any time, a member (M) is in receipt of pensionable earnings in respect of two or more employments each of which is attributable to M belonging to any of groups A to C in the table in regulation 27.

(2) If it appears to the scheme manager that the total pensionable earnings for the employments exceeds the comparable amount, the excess is ignored for the purposes of this Part.

(3) The comparable amount is the amount that would be the pensionable earnings for a single comparable whole-time employment, not held concurrently with any other employment, under which services of the kinds performed in the two or more employments are performed.

(4) Each employing authority of M's must provide the scheme manager with such information relating to M's employment as the scheme manager requires for the purpose of enabling the scheme manager to determine what is a single comparable whole-time employment.

(5) In determining what is a single comparable whole-time employment, the scheme manager must have regard to guidance issued by the scheme actuary for the purpose.

(6) It is immaterial whether one or more of the employments mentioned in paragraph (1)—

- (a) is with the same employing authority; or
- (b) is treated as a part-time employment.

(7) An employment includes a contract to perform services.
