(7) In this paragraph, “interim award” means—

- (a) any amount paid by way of an interim payment calculated by reference to an expected benefit under this scheme pending final calculation of the full value of that benefit; and

Meaning of “leaver index adjustment”

3.—(1) The leaver index adjustment for an amount of accrued earned pension other than an amount of club transfer accrued earned pension is an amount calculated as follows—

Step 1 Add 1.5 to the percentage increase or decrease in prices specified in an order made by the Treasury under section 9(2) of the 2013 Act in relation to the leaving year.

Step 2 Multiply the result at Step 1 by where—

A is the number of complete months in the period between the beginning of the leaving year and the end of the relevant last day; and

 - (bb) twice the member's re-valued pensionable earnings for the scheme year falling in the earnings reference period which has the largest re-valued pensionable earnings,
 less any lump sum paid to the member in exchange for pension under regulation 77 as a result of the member exercising the option under regulation 84.

- (3) In this paragraph—
 - “appropriate fraction” means—

$$\frac{DPS}{TDPS}$$

where—

DPS is, where the member continues in pensionable service as an active member on the election day (or the last such election day if the option has been exercised more than once), the total number of days of pensionable service which do not relate to the specified percentage of pension at the election day; and

TDPS is the aggregate of DPS and the total number of days of pensionable service (at the election day or the last such election day if the option has been exercised more than once) which relate to the specified percentage of pension payable;

“election day” has the meaning given in regulation 84;

“re-valued pensionable earnings” means, in relation to a scheme year, an amount equal to the actual pensionable earnings for the year increased by the rate of change in prices specified by the Treasury by order under section 9 of the 2013 Act.

Death of pension credit member

8.—(1) A lump sum on death is payable under this paragraph in respect of the death of a pension credit member.

(2) Paragraph (1) does not apply if—

- (a) the pension credit member dies after benefits attributable to the pension credit have become payable; and
- (b) the death occurs more than five years after the member's pension becomes payable.

(3) If the pension credit member dies before benefits derived from the credit have become payable, the amount of the lump sum is equal to 2.025 times the amount of the annual pension to which the pension credit member would have been entitled under regulation 76 if the member had reached whichever is the later of age 65 or state pension age on the date of death.

(4) If the pension credit member dies after a pension under regulation 76 has become payable, the amount of the lump sum is equal to the lesser of amount A and amount B minus any lump sum paid to the pension credit member when the pension came into payment as a result of the member exercising the option under regulation 77.

(5) For the purposes of sub-paragraph (4)—

- (a) amount A is an amount which is five times the annual amount of pension payable to the member at the date of death, less the amount of the pension payments already made to the member;
- (b) amount B is the amount which is the higher of—
 - (i) twice the pension debit member's re-valued pensionable earnings for the period of 12 months ending on the valuation day; and
 - (ii) twice the pension debit member's re-valued pensionable earnings for the scheme year falling in the earnings reference period which has the largest re-valued pensionable earnings.

(6) In this paragraph—

“annual amount of pension” means the sum of—

- (a) the annual rate of pension payable to the member as at the beginning date for that pension; and
- (b) the increase (if any) in that annual rate under the Pensions (Increase) Act 1971 ^{M66} payable as at the date of death;

“the beginning date”, in relation to a pension, has the meaning given by section 8(2A) of the Pensions (Increase) Act 1971 ^{M67};

“valuation day” means the day referred to in section 29(7) of the 1999 Act.

9.—(1) A lump sum payable under paragraphs 1 to 8 must be paid in accordance with this paragraph.

(2) The lump sum must be paid to the member's personal representatives, except so far as it is payable to a different person or body under sub-paragraph (4) or (6).

(3) A member may give notice to the scheme manager—

(a) specifying—

(i) the member's personal representatives;

(ii) one or more other individuals; or

(iii) one incorporated or unincorporated body, to whom the lump sum is to be paid; and

(b) where two or more individuals are specified, specifying the percentage of the payment payable to each of them.

(4) If the member has—

(a) given notice under sub-paragraph (3) specifying a person; and

(b) not revoked that notice,

the lump sum (or, as the case may be, the percentage of it specified in respect of the person) may be paid to the person unless sub-paragraph (5) or (7) applies.

(5) This sub-paragraph applies if—

(a) the person specified in the notice has died before the payment can be made; or

(b) the payment to that person is not, in the opinion of the scheme manager, reasonably practicable.

(6) If the member—

(a) leaves a surviving adult dependant; and

(b) has not given notice under sub-paragraph (3) or has revoked any notice so given,

the lump sum may be paid to that person unless sub-paragraph (7) applies.

(7) This sub-paragraph applies if the person to whom the lump sum (or a specified percentage of the lump sum) would otherwise be payable has been convicted of an offence specified in paragraph 12 of Schedule 3 (forfeiture of rights to benefits) and the Secretary of State has directed, as a consequence of that conviction, that the person's right to a payment in respect of the member's death is forfeited.

(8) A notice under sub-paragraph (3)—

(a) must be given in writing; and

(b) may be revoked at any time by a further notice in writing.

(9) The scheme manager may pay the lump sum to any person claiming to be the member's personal representative or otherwise to fall within sub-paragraph (3)(a), without requiring proof that the person is such a person concerned, if the lump sum does not exceed—

(a) £5,000; or

(b) any higher amount specified in an order made under section 6(1) of the Administration of Estates (Small Payments) Act 1965^{M68} as the amount to be treated as substituted for references to £500 in section 1 of that Act.

(10) The prohibition on assignment of benefits in paragraph 10 of Schedule 3 does not apply to an assignment by personal representatives under this paragraph.
