EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision in consequence of the commencement of section 75(1) of the Small Business, Enterprise and Employment Act 2015.

Section 34(2) of the Childcare Act 2006 provides that early years provision made for children aged three and over at maintained schools, non-maintained special schools or independent schools is exempt from the requirement to register with Her Majesty's Chief Inspector of Education, Children's Services and Skills ("the Chief Inspector"), where that provision is made by the school and one or more pupils attend it. Section 75(1) of the Small Business, Enterprise and Employment Act 2015 amends section 34(2) to extend that exemption to provision made by those schools for children aged two.

Article 9 of the Childcare (Exemptions from Registration) Order 2008 currently provides an exemption from registration for maintained schools, non-maintained special schools and independent schools, where the provision is for a registered pupil who has not attained the age of three but who will do so before the expiry of the child's first term at the school. Regulation 2 of these Regulations revokes article 9, since it is no longer relevant in the light of the amendments to section 34(2) of the Childcare Act 2006.

Regulation 3 of these Regulations applies to those persons who have already been registered by the Chief Inspector in respect of early years provision for two year olds but whose registration is no longer required, by virtue of the amendments made to section 34(2) of the Childcare Act 2006 by section 75(1) of the Small Business, Enterprise and Employment Act 2015. Regulation 3 provides that the registration of those persons will cease to have effect on the day that section 75(1) is commenced.

No impact assessment has been produced for these Regulations because no significant impact on business, civil society organisations or the public sector is foreseen.
