The Simple Pressure Vessels (Safety) Regulations 2016

PART 3

Conformity of Category A Vessels

Presumption of conformity of category A vessels

39.—(1) A category A vessel which is in conformity with a harmonised standard (or part of such a standard) the reference to which has been published in the Official Journal, is presumed to be in conformity with the essential safety requirements covered by that standard (or that part of that standard).

(2) The presumption in paragraph (1) is rebuttable.
