The Lifts Regulations 2016

PART 2

Obligations of economic operators

Installers

Monitoring of lifts placed on the market

11.—(1) When appropriate, having regard to the risks to the health and safety of end-users presented by a lift, the installer must investigate complaints that lifts installed by it are not in conformity with Part 2.

(2) An installer must keep a register and promptly make entries in that register of any—

(i) complaints; and

(ii) lifts that are not in conformity with Part 2.

(3) An installer must keep an entry made in the register for a period of at least 10 years beginning on the day on which the obligation to make the entry arose.
