The Lifts Regulations 2016

PART 2

Obligations of economic operators

Importers

Duty to take action in respect of safety components for lifts placed on the market which are considered not to be in conformity

32.—(1) An importer who considers, or has reason to believe, that a safety component for lifts which that importer has placed on the market is not in conformity with Part 2, must immediately take the corrective measures necessary to—

- (a) bring the safety component for lifts into conformity;
- (b) withdraw the safety component for lifts; or
- (c) recall the safety component for lifts.

(2) Where the safety component for lifts presents a risk, the importer must immediately inform the market surveillance authority, and the competent national authorities of any other member State in which the importer made the safety component for lifts available on the market, of the risk, giving details of—

- (a) the respect in which the safety components for lifts is considered not to be in conformity with Part 2; and
- (b) any corrective measures taken.
