**2016 No. 1101**

**The Electrical Equipment (Safety) Regulations 2016**

**Part 2**

**Obligations of economic operators**

**Importers**

**Duty to take action in respect of electrical equipment placed on the market which is considered not to be in conformity**

**23.**—(1) An importer who considers, or has reason to believe, that electrical equipment which that importer has placed on the market is not in conformity with Part 2 must immediately take the corrective measures necessary to—

- (a) bring that electrical equipment into conformity;
- (b) withdraw the electrical equipment; or
- (c) recall the electrical equipment.

(2) Where the electrical equipment presents a risk, the importer must immediately inform the market surveillance authority and the competent national authorities of any other member State in which the manufacturer made the electrical equipment available on the market of the risk, giving details of—

- (a) the respect in which the electrical equipment is considered not to be in conformity with Part 2; and
- (b) any corrective measures taken.
