The Electrical Equipment (Safety) Regulations 2016

Part 2

Obligations of economic operators

Distributors

Duty to take action in respect of electrical equipment placed on the market which is considered not to be in conformity

29.—(1) A distributor who considers, or has reason to believe, that electrical equipment which that distributor has placed on the market is not in conformity with Part 2 must ensure that the necessary corrective measures are taken to—

- (a) bring that electrical equipment into conformity;
- (b) withdraw the electrical equipment; or
- (c) recall the electrical equipment.

(2) Where the electrical equipment presents a risk, the distributor must immediately inform the market surveillance authority and the competent national authorities of the other member States in which the distributor has made the electrical equipment available on the market, of that risk, giving details of—

- (a) the respect in which the electrical equipment is considered not to be in conformity with Part 2; and
- (b) any corrective measures taken.
