

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 12

Directional signs

PART 19

Provisions applying to Part 20

6. If two or more symbols from the sign table in Part 20 are included in a sign and there is any difference in the size of the symbols as provided for in the relevant diagrams, the size of all the symbols used on the sign must be that of the largest.
