

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 7

Road markings and miscellaneous upright signs that indicate stopping, waiting, loading and parking controls

PART 5

Required or permitted variants

5. The marks forming the boundary of the bay and any legend must be coloured red when placed on a red route, but only where the bay is not available for parking or loading during part of, or all of, the times of operation of the red route.
