

EXPLANATORY MEMORANDUM TO
THE INCOME TAX (CONSTRUCTION INDUSTRY SCHEME) (AMENDMENT OF
SCHEDULE 11 TO THE FINANCE ACT 2004) ORDER 2016

2016 No. 404

1. Introduction

- 1.1 This explanatory memorandum has been prepared by Her Majesty's Revenue and Customs (HMRC) on behalf of H.M. Treasury and is laid before the House of Commons by Command of Her Majesty.

2. Purpose of the instrument

- 2.1 This Order amends certain paragraphs in Schedule 11 to the Finance Act 2004 (c. 12) which identifies the conditions which have to be satisfied by sub-contractors during the qualifying period (the 12 month period ending with the date of application) in order to be registered to receive payments gross (i.e. payments from which no deductions are made under the Construction Industry Scheme on account of tax). The instrument simplifies the compliance test (which is one of the conditions that a sub-contractor must satisfy). As a consequence of this Order rather than having to have complied with all the obligations imposed on it by the Tax Acts and the Taxes Management Act 1970 (c. 9) during the qualifying period, a sub-contractor will have to have complied with the "compliance obligations" which are i) the obligation to file monthly returns in respect of the Construction Industry Scheme, ii) the obligation to file an income tax self-assessment return or a corporation tax return and iii) to have paid to HMRC any amounts which the applicant was liable to have deducted under Section 61 of the Finance Act 2004 and under the Income Tax (Pay As You Earn) Regulations 2003 ("the PAYE Regulations") (S.I. 2003/2682).

7. Policy background

What is being done and why

- 7.1 Sub-contractors who meet certain qualifying conditions can apply to be paid gross, i.e. contractors for whom the sub-contractors work are not required to make any deductions from the payments to such sub-contractors on account of tax. To qualify sub-contractors must pass three tests (a business, a turnover and a compliance test).
- 7.2 After gross payment status has been attained, sub-contractors are subject to an annual review. Gross payment status helps businesses improve their cash flow and reduces administrative burdens in reclaiming repayments from HMRC after the end of the tax year.
