

SCHEDULE 3

Requirements

Noise

13.—(1) No stage of the authorised project may commence until a written scheme for noise management during construction and maintenance of that stage has been submitted to and approved, in writing, by the relevant planning authority.

(2) The scheme must set out the particulars of—

- (a) the works, and the method by which they are to be carried out;
- (b) the noise attenuation measures to be taken to minimise noise resulting from the works, including any noise limits; and
- (c) monitoring to be undertaken at identified sensitive receptors pre- and during construction.

(3) The approved noise management scheme must be implemented before and maintained during construction and maintenance of the relevant stage of the authorised project.

(4) The authorised project must be undertaken in accordance with the approved noise management scheme.
