**The North London Heat and Power
Generating Station Order 2017**

Public rights of way

12.—(1) Subject to paragraph (2), the undertaker may for the purposes of constructing and maintaining the authorised development, temporarily suspend the sections of the public rights of way shown on drawings C_0012 Rev 01, C_0013 Rev 00 and C_0014 Rev 01 of the works plans and specified in columns (2) and (3) of Schedule 6 (public rights of way to be temporarily suspended) to the extent specified in column (3) of that Schedule for the duration of the construction of the authorised development.

(2) The public rights of way specified in columns (2) and (3) of Schedule 6 (public rights of way to be temporarily suspended) must not be suspended under this article unless the alternative rights of way specified in column (4) of Schedule 6 (public rights of way to be temporarily suspended) are first provided by the undertaker.

(3) The alternative rights of way referred to in paragraph (2) must be provided for the duration of the construction of the authorised development.

(4) Subject to paragraph (5), with effect from the commencement of the authorised development, the section of public right of way along Lee Park Way as referred to in column (2) of Schedule 7 (public rights of way to be extinguished) is extinguished to the extent specified in column (3) of that Schedule.

(5) The public right of way specified in paragraph (4) must not be extinguished under this article unless the alternative rights of way shown in column (4) of Schedule 7 (public rights of way to be extinguished) are first provided, to the reasonable satisfaction of the relevant planning authority.

(6) Subject to paragraph (7), the undertaker may, at any time during the construction and maintenance of the authorised development, temporarily suspend any public right of way over the proposed footpath labelled RW08 on drawing C_0014 Rev 00 of the works plans for a reasonable period of time if necessary in connection with works authorised by the National Grid (North London Reinforcement Project) Order 2014(1).

(7) The public right of way specified in paragraph (6) must not be suspended under this article unless the physical extent and duration of the temporary suspension and the provision of an alternative right of way has been agreed between the undertaker and the undertaker of the National Grid (North London Reinforcement Project) Order 2014, and approved by the relevant planning authority, which may attach reasonable conditions to any approval (such approval to be obtained in accordance with the provisions of Schedule 3 (procedure for approvals, consents and appeals)).
