The Town and Country Planning (Environmental  
Impact Assessment) Regulations 2017

PART 6

Availability of directions etc and notification of decisions

**Information to accompany decisions**

**29.**—(1) Where an EIA application or appeal in relation to which an environmental statement has been submitted is determined by a relevant planning authority, the Secretary of State or an inspector, as the case may be, the person making that determination must provide the developer with the information specified in paragraph (2).

(2) The information is—

(a) information regarding the right to challenge the validity of the decision and the procedures for doing so; and

(b) if the decision is—

(i) to grant planning permission or subsequent consent—

(aa) the reasoned conclusion of the relevant planning authority or the Secretary of State, as the case may be, on the significant effects of the development on the environment, taking into account the results of the examination referred to in regulation 26(1)(a) and (b);

(bb) any conditions to which the decision is subject which relate to the likely significant environmental effects of the development on the environment;

(cc) a description of any features of the development and any measures envisaged in order to avoid, prevent, reduce and, if possible, offset, likely significant adverse effects on the environment; and

(dd) any monitoring measures considered appropriate by the relevant planning authority or the Secretary of State, as the case may be; or

(ii) to refuse planning permission or subsequent consent, the main reasons for the refusal.
