The School and Early Years Finance  
(England) Regulations 2018

PART 3

Determination of Budget Shares etc

CHAPTER 1

Requirements, and Factors and Criteria Taken into Account

**Sixth form funding**

**24.**—(1) A local authority must include in the budget shares of maintained secondary schools and special schools an amount equal to any sum notified to the local authority by the Secretary of State as being the allocation of sixth form grant for that school.

(2) A local authority may also include an additional amount in the budget shares of maintained secondary schools and special schools where permitted to do so under the sixth form grant.

(3) A local authority must redetermine the budget share of a secondary school before the end of the funding period where the authority receives a written notification from the Secretary of State of a revised allocation in respect of the sum referred to in paragraph (1).
