

EXPLANATORY MEMORANDUM TO
THE DEPARTMENT FOR TRANSPORT (FEES) (AMENDMENT) (EU EXIT)
REGULATIONS 2018

2018 No. 1121

1. Introduction

- 1.1 This explanatory memorandum has been prepared by the Department for Transport and is laid before Parliament by Act.

2. Purpose of the instrument

- 2.1 The Regulations make amendments to three Department for Transport Fees Orders, namely the Department of Transport (Fees) Order 1988 (S.I. 1988/643), the Department for Transport (Driver Licensing and Vehicle Registration Fees) Order 2003 (S.I. 2003/2994) and the Department for Transport (Fees) Order 2009 (S.I. 2009/711).
- 2.2 The amendments are made to correct deficiencies in the Orders arising from the withdrawal of the United Kingdom from the EU by removing references to the Secretary of State having functions to carry out to comply with EU obligations or requirements. In practice those functions will continue, but under domestic law rather than EU law.
- 2.3 The Fees Orders do not set fees but specify functions and their costs which may be taken into account in setting fees. The Fees Orders are therefore ancillary to existing powers the Secretary of State has in other legislation to charge for services or facilities provided, or documents issued, where the actual charges payable are set out.

Explanations

What did any relevant EU law do before exit day?

- 2.4 The purpose of the Fees Orders amended by this instrument is to list certain associated costs the Secretary of State may take into account in setting fees for carrying out certain functions. Some of those functions are carried out by the Secretary of State pursuant to EU legislation i.e. the relevant ones being those in relation to international road haulage permits, type approval certification, tachograph calibration centres, international road passenger transport authorisations, driver licensing, vehicle registration, licences to operate public service vehicles and licences to operate goods vehicles.

Why is it being changed?

- 2.5 The relevant EU related functions specified by the Fees Orders will, after EU exit, no longer be carried out in pursuance of EU legislation. They will be carried out in pursuance of domestic law as provided for by the European Union (Withdrawal) Act 2018. So the Fees Orders are being amended to reflect this.

What will it now do?

- 2.6 The Secretary of State will continue to carry out the functions in question, but under domestic legislation rather than EU law, and so the instrument amends the Fees

Orders so that the associated costs listed in them of carrying out those functions and providing those services may continue to be taken into account in setting the fees for them.

3. Matters of special interest to Parliament

Matters of special interest to the Joint Committee on Statutory Instruments

3.1 None.

Matters relevant to Standing Orders Nos. 83P and 83T of the Standing Orders of the House of Commons relating to Public Business (English Votes for English Laws)

3.2 The territorial application of this instrument varies between provisions.

4. Extent and Territorial Application

4.1 The territorial extent of this instrument is the United Kingdom.

4.2 In all cases the territorial application is either the United Kingdom, or Great Britain, depending on the particular function in relation to which the fee raising powers apply.

5. European Convention on Human Rights

5.1 Jesse Norman, Parliamentary Under Secretary of State for Transport, has made the following statement regarding Human Rights:

“In my view the provisions of the Department for Transport (Fees) (Amendment) (EU Exit) Regulations 2018 are compatible with the Convention rights.”

6. Legislative Context

6.1 The instrument corrects deficiencies in three Fees Orders that would arise following the exit of the United Kingdom from the EU.

6.2 The three Fees Orders amended by this instrument were made under section 102 of the Finance (No. 2) Act 1987 (government fees and charges). This conferred a power to specify functions the costs of which (and matters to be taking into account in determining those costs which) may be taken into account in determining fees where a Minister has an existing power to fix a fee.

6.3 The European Union (Withdrawal) Act 2018 repeals the European Communities Act 1972, but section 2 saves EU-derived domestic legislation so that it continues to have effect in domestic law on and after exit day. The Fees Orders contain EU-derived domestic legislation which will be preserved.

6.4 However they contain anomalous language which this instrument corrects pursuant to the power in section 8 of the 2018 Act.

6.5 The amendment made in regulation 2(2)(a) of this instrument takes account of the amendment made to Section 56(1) of the Finance Act 1973 by the European Union (Withdrawal) Act 2018, Schedule 8, Part 2, paragraph 17, whereby the reference to “any EU obligation” in section 56 is repealed.

7. Policy background

What is being done and why?

- 7.1 The instrument amends the Fees Orders to correct deficiencies arising from the withdrawal of the United Kingdom from the EU by removing references to the Secretary of State having functions to carry out to comply with EU obligations or requirements.
- 7.2 The Fees Orders support and are ancillary to existing powers the Secretary of State has in other legislation to charge for services or facilities provided, or documents issued, where the actual charges payable are set out.
- 7.3 The existing powers to charge fees which relate to this instrument are those deriving from:
- a) s.56 Finance Act 1973 (power to charge fees for services etc. provided by Government Departments in pursuance of international agreements or arrangements);
 - b) the Road Traffic Act 1988 (power to charge fees in relation to driving licences);
 - c) the Vehicle Excise and Registration Act 1994 (power to charge fees in relation to vehicle registration);
 - d) the Public Passenger Vehicles Act 1981 (powers to fix fees in relation to licences to operate public service vehicles); and
 - e) the Goods Vehicles (Licensing of Operators) Act 1995 (power to fix fees in respect of licences to operate goods vehicles etc.).
- 7.4 The Fees Orders support these existing fee fixing powers by indicating functions the costs of which may be taken into account in determining those fees, and specifying matters which can be taken into account in determining those costs of those functions.
- 7.5 The specified functions in the Fees Orders, which are relevant to this instrument, concern international road haulage permits, type approval certificates, tachograph calibration centres, international road passenger transport authorisations, driver licensing, vehicle registration, licences to operate public service vehicles, and licences to operate goods vehicles etc. These functions are carried out in compliance with EU obligations.
- 7.6 The Secretary of State will continue to carry out these functions, albeit under retained domestic law in place of EU obligations, and so will need to continue to set and collect fees and charges to cover their costs.
- 7.7 The instrument adjusts the Fees Orders by removing or replacing references to the Secretary of State carrying out these functions in pursuance of EU law, which will no longer be correct.
- 7.8 This will facilitate the collection of fees from users of the services and thus help avoid the general taxpayer subsidising the relevant road and vehicle services.
- 7.9 The legislation is operated by the Department for Transport. The changes are minor and technical in nature to ensure the Fees Orders recognise EU exit but otherwise have effect as they currently do. Stakeholders will not be impacted by the amendments.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

8.1 This instrument is being made using the power in section 8 of the European Union (Withdrawal) Act 2018 in order to address failures of retained EU law to operate effectively or other deficiencies arising from the withdrawal of the United Kingdom from the European Union. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this Explanatory Memorandum.

9. Consolidation

9.1 There are no plans to consolidate the Fees Orders at this time.

10. Consultation outcome

10.1 This instrument corrects deficiencies that occur as a result of the UK exiting the EU. A consultation is not considered necessary as the amendments are minor and technical in nature and do not impact upon either business or the individual.

11. Guidance

11.1 The Fees Orders indicate certain functions and their costs which the Secretary of State can take into consideration in setting related fees. The instrument relates to the existing fee raising powers of the Secretary of State and its effect is in essence to maintain the current regime, so it is not intended to publish guidance.

12. Impact

12.1 There is no, or no significant, impact on business, charities or voluntary bodies.

12.2 There is no, or no significant, impact on the public sector.

12.3 An Impact Assessment has not been prepared for this instrument because of this low level of impact and because the instrument relates to the maintenance of the existing regime.

13. Regulating small business

13.1 The legislation does not apply to activities that are undertaken by small businesses.

14. Monitoring & review

14.1 As this instrument is made under the EU Withdrawal Act 2018, no review clause is required.

15.1 Mandy Lynch at the Driver and Vehicle Standards Agency (DVSA), Telephone: 0115 936 6097 or email: mandy.lynch@dvsa.gov.uk, can be contacted with any queries regarding the instrument.

15.2 Paul O'Sullivan, Deputy Director, at the Department for Transport can confirm that this Explanatory Memorandum meets the required standard.
