The Electricity and Gas (Energy  
Company Obligation) Order 2018

**PART 3**

Determining obligations

**Determining obligations for a participant who is not a member of a group**

7.—(1) Where this article applies—

- (a) if the participant has notified under article 5(2) a supply of electricity or gas in the qualification year for the phase which does not exceed a qualifying supply, the participant's home-heating cost reduction obligation and solid wall minimum requirement for the phase are zero;
- (b) in any other case, the participant's home-heating cost reduction obligation and solid wall minimum requirement for the phase are each to be calculated in accordance with the following formula—

$$\frac{A \times Tx}{T}$$

(2) In this article—

- (a) “A” is the value given for the obligation or requirement in the following table for the phase—

<i>Phase</i>	<i>Home-heating cost reduction obligation</i>	<i>Solid wall minimum requirement</i>
1	£589.5 million	£51.5 million
2	£1.179 billion	£103 million
3	£1.179 billion	£103 million
4	£1.179 billion	£103 million

- (b) “Tx” is the amount of electricity or gas supplied in the qualification year for the phase by the participant as determined—
  - (i) for phase 1, in accordance with article 9(2);
  - (ii) for phases 2 to 4, in accordance with article 10(2); and
- (c) “T” is the total amount of electricity or gas, as applicable, supplied in the qualification year for the phase by all participants as determined—
  - (i) for phase 1, in accordance with article 9(6);
